d) [Reserved.] Port Fees

All Port Fees will be waived during the Initial Waiver Period.

i) FIX Port Fees

MIAX Sapphire will assess monthly Financial Information Exchange (“FIX”) Port fees to Members in each month the Member is credentialed to use a FIX Port in the production environment and based upon the number of credentialed FIX Ports.

<u>FIX Port Fees</u>	<u>MIAX Sapphire Monthly Port Fees Includes Connectivity to the Primary, Secondary and Disaster Recovery Data Centers</u>
<u>1st FIX Port</u>	<u>\$275.00</u>
<u>FIX Ports 2 through 5</u>	<u>\$175.00</u>
<u>Additional FIX Ports over 5</u>	<u>\$75.00</u>

ii) MEO Port Fees

<u>Type of Member</u>	<u>Type of Port</u>	<u>Monthly Full Service MEO Port Fee</u>	<u>Market Maker Registrations (the lesser of the applicable measurements below)</u>	
			<u>Per Class</u>	<u>% of National Average Daily Volume</u>
<u>Market Maker</u>	<u>Full Service MEO Port</u>	<u>\$2,500.00</u>	<u>Up to 10 Classes</u>	<u>Up to 20% of Classes by volume</u>
		<u>\$3,750.00</u>	<u>Up to 40 Classes</u>	<u>Up to 35% of Classes by volume</u>
		<u>\$5,000.00^b</u>	<u>Up to 100 Classes</u>	<u>Up to 50% of Classes by volume</u>
		<u>\$6,000.00^b</u>	<u>Over 100 Classes</u>	<u>Over 50% of Classes by volume up to all Classes listed on MIAX Sapphire Options</u>

b. For this Monthly MIAX Sapphire Full Service MEO Port tier level, if the Market Maker’s total monthly executed volume during the relevant month is less than 0.015% of the total monthly executed volume reported by OCC in the Market Maker account type for MIAX Sapphire-listed option classes for that month, then the fee will be \$4,000 instead of the fee otherwise applicable to such level.

For the calculation of the monthly Full Service MEO Port fees to be assessed to Market Makers, the applicable fee rate is the lesser of either the per class basis or percentage of total national average daily volume measurement. The amount of the monthly Full Service MEO Port fee will be based upon the number of classes in which the Market Maker was registered to quote on any given day within the calendar month, or upon the class volume percentages set forth in the above table. A Market Maker is determined to be registered in a class if that Market Maker has been registered in one or more series in that class. The Exchange will assess MIAX Sapphire Market Makers the monthly Full Service MEO Port fee based on the greatest number of classes listed on MIAX Sapphire that the MIAX Sapphire Market Maker registered to quote in on any given day within a

calendar month. The class volume percentage is based on the total national average daily volume in classes listed on MIAX Sapphire in the prior calendar quarter. Newly listed option classes are excluded from the calculation of the monthly Full Service MEO Port fee until the calendar quarter following their listing, at which time the newly listed option classes will be included in both the per class count and the percentage of total national average daily volume.

MIAX Sapphire will assess monthly MEO Port fees to Market Makers in each month the Market Maker has been credentialed to use the MEO Port in the production environment and has registered to quote in at least one class.

MEO Port users will be allocated two (2) Full Service MEO Ports and four (4) Limited Service MEO Ports per Matching Engine to which they connect. MEO Port fees include MEO Ports at the primary, secondary and disaster recovery data centers. MIAX Sapphire Market Makers may request additional Limited Service MEO Ports for which MIAX Sapphire will assess MIAX Sapphire Market Makers \$250 per month per additional Limited Service MEO Port for each Matching Engine in excess of the four (4) Limited Service MEO Ports described above.
