Brian Weimer is a partner in the firm's Washington, D.C. office and Leader of the firm's Telecom Team and Co-Leader of the CFIUS Team. Mr. Weimer provides regulatory and transactional advice across the entire telecommunications ecosystem. He is perhaps best known as a leading lawyer for the satellite industry, and he leads the firm's Space & Satellite practice as well.

## Honors

Best Lawyers in America, *Best Lawyers*, 2014-2025

Recommended Lawyer, Telecoms and Broadcast (regulatory and transactional), *Legal 500 US*, 2010-2024

Washington, D.C. Super Lawyer, Communications, *Super Lawyers*, 2018-2024

Washington, D.C. Super Lawyer, *Super Lawyers*, 2018-2021

Recognized Practitioner, Telecommunications, *Chambers USA*, 2017-2021, 2024

## Experience

- Obtains market access and FCC licenses for space station operators, both GEO and Non-GEO.
- Advises companies on obtaining cable landing licenses and the regulatory issues presented by undersea cable companies.
- Advises satellite and wireless companies on regulatory proceedings impacting the value, uses, availability, and sharing of spectrum resources.
- Lobbies the FCC at the highest levels to achieve optimal outcomes for clients on their most important regulatory proceedings.
- Assists telecom companies navigate the myriad regulatory approvals necessary to consummate M&A deals, including Team Telecom and CFIUS.
- Secures special temporary authority and experimental licenses for telecom companies of all kinds.
- Prepares petitions for declaratory ruling to exceed foreign ownership benchmarks under the Communications Act.
- Obtain earth station licenses for satellite networks.
- Advises on regulatory aspects of business plans to assist fundraising efforts by start-up companies.
- Analyzes feasibility of foreign investment in telecom (and other) companies in light of strictures imposed by the Communications Act, Team Telecom, and CFIUS.

- Prepares applications for 214 authorization at the FCC and similar initiatives at the State level.
- Advises foreign companies on the need for and structuring of proxy companies in the U.S. to assist in obtaining specialized U.S. government contracts.
- Serves as a trusted advisor to founders and entrepreneurs in their most important strategic decisions as they relate to FCC, ITU, and market access actions around the world.
- Negotiates and drafts commercial contracts and M&A agreements for telecom companies.
- Advises companies through regulatory enforcement proceedings at the FCC and other federal agencies.
- Counsels telecom companies through restructuring efforts, including Chapter 11.
- Advises media and other telecom companies with all manner of regulatory requirements for their businesses.
