

## II. Envio do VGM através do ShipmentLink

O Cliente envia o VGM via [www.shipmentLink.com](http://www.shipmentLink.com)

➤ Para usuários multifuncionais

Favor inserir o VGM diretamente na seção recém acrescentada, na seguinte página da web conforme abaixo: Passo 1 - Clique em "Submitting VGM" (Envio do VGM) sob "VGM".

The screenshot shows the ShipmentLink website interface. The left sidebar contains a menu with the following items: Booking, B/L Instruction, and VGM. The VGM section is expanded, and the 'Submitting VGM' option is highlighted with a red circle. The main content area displays a 'Shipment Overview' table with columns for Booking No., B/L No., Place of Receipt, Place of Delivery, Processing Status, and Cargo Status. The table contains 15 records.

Passo 2 – Lá estão três funções fornecidas, ① "Create" (Criar), ② "Query/Update" (Consultar/Atualizar) e ③ "Standard Excel Template for upload." (Modelo padrão em Excel para upload) (③ ainda em construção.)

The screenshot shows the 'Submitting VGM' page on the ShipmentLink website. The 'Create' tab is selected and highlighted with a red circle ①. The 'Query / Update' tab is also visible and highlighted with a red circle ②. The 'Create' tab contains a form with the following fields: Booking No., Default Method (Method 1, Method 2, KGS, LBS), and Default Unit. The 'Standard Excel Template for Upload' option is highlighted with a red circle ③. The 'VGM Details' link is also visible.

## II. Envio do VGM através do ShipmentLink

Para ① "Criar" (Create), quem estiver enviando o VGM poderá entrar com os dados, usando qualquer uma das seguintes três maneiras, dependendo da quantidade de containers. Uma reserva poderá ser inserida individualmente de cada vez, a qual será bloqueada se o seu N° não passar na verificação lógica. O usuário encarregado poderá clicar na dica "i" ao lado de "\*Verified Gross Mass" para ver a Tara do Container para sua referência.

Modo N° 1 -

Insira o N° da Reserva com um container como abaixo e

Modo N° 2-

Insira uma Reserva com vários containers como abaixo. A função "Add" (Adicionar) do botão é usada para acrescentar linhas adicionais para mais containers.

## II. Envio do VGM através do ShipmentLink

Modo Nº 3: Usar a função de copiar e colar, clicando em "Paste Multi-Container Data" (Colar Dados Múltiplos de Containers).

Primeiro, copie uma série de números de containers, e então cole-os na coluna esquerda, indicada como "1" abaixo. Segundo, copie uma outra série de dados do VGM pertinente, e então cole-os na coluna esquerda, indicada como "2" abaixo.

The screenshot shows the 'Submitting VGM' form in the ShipmentLink system. The form is divided into several sections: Requirements, VGM Information, Authorization, and a certification section. The 'Requirements' section includes fields for Booking No. (240840003490), Default Method (Method 1 selected), and Default Unit (KGS). The 'VGM Information' section has a table with columns for Container No., Verified Gross Mass, Unit, and Method. A 'Paste Multi-Container Data' button is circled in red. The 'Authorization' section includes fields for Company responsible to verify VGM, Authorized Person, and Weighing Party. The certification section contains a paragraph of text regarding SOLAS regulations.

The screenshot shows the 'Submitting VGM' form with a 'Paste Multi-Container Data' dialog box open. The dialog box has an 'Explanation' section with instructions: 'Please paste Container No. and relevant VGM to the left and right window separately. After you click at the 'Submit' button, data will be transferred to the previous screen for you to check or edit. You may input 1 > 200 containers here. Please be sure to separate them using 'Enter' key after each record.' Below the explanation are two input fields: 'Container No.' and 'Verified Gross Mass'. The 'Container No.' field contains the text 'EISU1749975' and 'EHCUL23435' and is circled in red with a '1' in a red circle. The 'Verified Gross Mass' field contains the text '2010' and '1890' and is circled in red with a '2' in a red circle. The dialog box also has a 'Submit' button.

Para ② "Query/Update" (Consultar/Atualizar), favor inserir um Nº de reserva de cada vez, para consultar ou atualizar os dados relatados.

Para a função ③ "Standard Excel Template" (Modelo Excel padrão) embutida na mesma página web, a mesma ainda está em construção. O material demonstrativo detalhado será acrescentado em breve.

## II. Envio do VGM através do ShipmentLink

Adicione o novo item 'Submit with VGM' (Submeter com VGM) sob o bloco de informações da Carga para o cliente selecionar se desejar submeter os dados do VGM através desta WEB BI.

- Tique em 'Submit with VGM'; as telas exibirão os dados do VGM pertinente automaticamente.
- Favor certificar-se de manter o nº do container antes de enviar os dados VGM.
- Nº de Reserva/ Método (opcional)/ Verified Gross Mass (VGM)/ Unidade no final de cada container.
- Pessoa responsável/Autorizada à frente da informação de Carga.

## II. Envio do VGM através do ShipmentLink

➤ Para os Embarcadores Multifuncionais e/ou Usuários Encarregados do VGM nomeados pelos Embarcadores, há 3 passos a seguir:

Passo 1: Clique em "Submitting VGM" (Enviando VGM) abaixo.

Passo 2: Para iniciar sessão (login) ou registrar-se como Usuário VGM através de um simples processo de aplicação.

The screenshot displays the ShipmentLink website interface. At the top, there is a navigation bar with the ShipmentLink logo and the text 'SHIPPING & TRANSPORT'. Below this, there are several menu items: 'Sailing Schedules', 'B/L Process', 'Cargo Tracking', 'Customer Services', 'Regional Information', 'Carriers', and 'Logout'. The main content area is divided into three sections:

- Submitting VGM:** This section is titled 'Submitting VGM' and contains a 'Create' form (labeled 1) with a 'Booking No.' field, 'Default Method' (radio buttons for 'Method 1 (Submitting by Verified Gross Mass)' and 'Method 2 (Submitting by Tare Weight + Cargo Weight)'), and 'Default Unit' (radio buttons for 'KGS' and 'LBS'). A 'Submit' button is located at the bottom of the form. To the right of the form is a 'Standard Excel Template for Upload' (labeled 3) and a 'VGM Details' link.
- Report VGM:** This section is titled 'Report VGM' and features a 'Report VGM' button. Below it, there is a 'Submitting VGM' section with the text 'VGM submitter may provide Verified Gross Mass here as per SOLAS regulations.' and a 'Features' list: 'Convenient online report function.', 'User friendly interface.', and 'Submitting VGM includes following functions: > To Report and Update VGM, > To Query VGM'.
- Login:** This section is titled 'Login' and contains a 'Login' form with 'User ID' and 'Password' fields, a 'Remember my ID on this computer' checkbox, and 'Submit', 'Reset', and 'Help' buttons. Below the form are links for 'Forgot Password' and 'Register Now'. A note at the bottom of the login section states: 'Due to System Security, if you idle operating over 30 minutes, system will logout automatically.'

The page also includes a 'Sailing' sidebar on the left, a 'Legal Terms of Use, Copyright, and Privacy and Security Statement' footer, and a 'Copyright © 2001-2016, All Rights Reserved by Evergreen International Corp.' notice.

Passo 3 – O mesmo que as etapas descritas na parte “For All-in-One users” (Usuários Multifuncionais), há três funções fornecidas, ① "Create", ② “Query/Update” e ③ “Standard Excel Template for upload.” (③ ainda em construção.) Você poderá voltar à primeira parte para obter detalhes.

## II. Envio do VGM através do ShipmentLink

Para os embarcadores, ou encarregados do VGM que estes designarem, poderem obter o valor exato da Tara do Container para seus embarques, há a seguinte função recém implementada para tal consulta. Os passos são os seguintes:

Passo 1 - Clique em "Container Tare Weight" abaixo

The screenshot shows the ShipmentLink website interface. The main navigation bar includes links for Sailing Schedules, B/L Process, Cargo Tracking, Customer Services, Regional Information, and Carriers. The 'Sailing Schedules' menu is expanded, and the 'Container Tare Weight' option is highlighted with a red circle. Below the navigation bar, there are several content blocks providing information about each service area.

Passo 2 - Para inserir o Nº do container na área vermelha primeiro, um de cada vez. Em seguida, envie-o para consulta. Ou você poderá copiar uma série de números de containers e então colá-los na coluna para consulta.

The screenshot shows the 'Container Tare Weight' page. The page title is 'Container Tare Weight'. Below the title, there is a text box for 'Query Criteria' with the placeholder text 'Container No.(e.g., EISU1234567)'. A red circle highlights the input field. To the right of the input field are 'Submit' and 'Reset' buttons. Below the input field, there is a list of container numbers: EISU8041644, FSCU7083182, MAGU5278391, EITU1382025, and EITU1173004. A red circle also highlights this list. Below the list, there is a note: 'For specification of our container fleet, you can click Container Specification for details.
