

To the teams participating in the T20 Mumbai League 2018

15th March 2018, Mumbai

Dear Team Operators,

We write in connection with the owner hospitality boxes on level 2 of the MCA Pavilion. As owners of a League Team, a corporate box seating 15 persons with catering, soft beverages and beer is being made available to you during your matches. Please be aware of the following rules relating to the use of these boxes:

- 1. Access to each box is limited to 15 persons at a time and all those who wish to have access to a box must **have an appropriate ticket or accreditation and** wear the correct wristband issued on entry to the MCA Pavilion.*
- 2. Any person refusing to show their accreditation or being un co-operative in this regard may be denied entry to the box.*
- 3. All those using the box are expected at all times to behave in a proper manner both to other guests and also to all staff of any kind working at or in relation to the box. Any person who is abusive, threatening or appears to be suffering from undue influence from alcohol will be asked to leave the box and, if they refuse, ejected from it.*
- 4. All those using the box are expected to leave the box promptly and in a quiet fashion at the end of their team's match.*

PLEASE NOTE :

We have received complaints that certain owners or their guests have behaved in an abusive manner to staff working at these boxes. Such behaviour is totally unacceptable and if any owner or his guest acts in a way which is a breach of the above rules then in addition to this behaviour being something which may be reported to the police, such persons may have their accreditation removed from them, either temporarily or permanently at our discretion.

In addition, in such circumstances we would reserve the right to refuse entry to the remainder of the stadium to such persons for such period as we decide at our discretion.

It is very unfortunate that we have had to issue this communication and we very much expect and appreciate your full compliance and co-operation in future. In addition, we would draw your attention to the terms and conditions on which you were issued with your accreditation.

*Regards,
Compliance Team,
Probability Sports India Private Limited.*
