Advisory Services Package:	Hourly Custom Coding: AWS Cost
Advisory Services Package Term:	Notwithstanding anything to the contrary in the applicable Order Form, the provision of the Advisory Services will be coterminous with the Hourly Advisory Guidance: Data Migration Services Advisory Services Package.
Scope:	N/A
Customer Obligations	N/A
Customer Documentation:	N/A
Project Hours:	Notwithstanding anything to the contrary in the applicable Order Form, the Project Hours for AWS Cost, as set forth in the applicable Order Form, are not available for consumption. The Project Hours are strictly used to calculate the AWS Cost pass-through fee that Customer is charged pursuant to the applicable Order Form for the volume of Customer's data that is migrated from Amazon S3 storage in the U.S. to the E.U.
