EXHIBITOR GUIDE

31st May to 2nd JUNE 2024  
NEC, BIRMINGHAM, UK

## UK GAMES EXPO (UKGE) IS THE UK'S LARGEST HOBBY GAMING EVENT HELD ANNUALLY AT THE NATIONAL EXHIBITION CENTRE AND HILTON METROPOLE HOTEL IN BIRMINGHAM

### WHY SHOULD I EXHIBIT AT UKGE?

The UK tabletop games market is worth around 500 million pounds and over the last decade has been growing steadily.

- UKGE allows you to engage directly with your audience, test designs, sell existing products, launch new games and apply for awards.
- UKGE provides the opportunity to meet and network with games designers, publishers, artists, the gaming media and distributors.
- UKGE supports the development of new designs and new designers and holds playtesting and pitching sessions and a programme of workshops.
- UKGE is the best place to connect with all aspects of the tabletop gaming world in the UK over three days.

### TESTIMONIALS

*"UKGE is the friendliest, most well-organized show I've ever been to, in any industry. It's big enough to get strong sales from very enthusiastic gamers, while also cozy enough to have casual meetups with other industry people and actually, you know, play some games. I loved it, and I'll be back!"*

Keen Bean Studio

*"We've been at the Expo for the last seven years and every year is better than the last. The team are well organised and helpful, and we look forward to the show all year long"*

Tinkerbot Games

### THE EVENT GROWS

From its launch in 2007, attendance at UKGE has steadily increased each year and in 2023 UKGE attracted 31,117 unique visitors, comprising not just the hobby enthusiasts, but also new gamers and the family market. We also attracted over 570 exhibitors.

### WHEN IS IT?

The next UK Games Expo will be held from 31st May to 2nd June 2024.

### WHERE IS IT?

UKGE 2024 is located in Hall 1, Hall 2, Hall 3, the Piazza and Tote Suites of the NEC (National Exhibition Centre) as well as around the lakeside area and the Hilton Metropole Hotel.

The NEC is located perfectly for all major road networks. There is an international train station and airport on site.

The NEC is the UK's best connected venue:

- It is the only UK exhibition venue with an airport and railway station on site near an intersection of the UK's primary motorways.
- It is easy to get to as 75% of the UK population are within a three hour drive time.
- There is ample easy parking with 16,500 car park spaces.

## WHAT FEATURES ARE IN THE EXHIBITION HALLS?

The exhibition this year will be located in Hall 1, Hall 2 and Hall 3 of the NEC. The Halls comprise 35,000m<sup>2</sup> of space. The halls will contain:

- The largest tabletop games exhibition in the UK with hundreds of exhibitors including publishers, retailers, artists, manufacturers and others.
- **The Family Zone.** The Family Zone: Staffed by specially trained demonstrators, designed to entertain families and consisting of these main areas:

The Lets Play Zone which focuses on games ideal for the family to play together.

The Children's Zone: an area where the focus is on games for ages 3 to 9.

The Children's Roleplaying Area: which runs roleplaying adventures for ages 5 to 12.

- **Shop and Drop.** Where attendees can leave their games while they go and explore the exhibition halls.
- **Chill Zones.** Areas where visitors can rest and relax.
- **Bring and Buy.** UKGE holds what we believe to be the world's largest games bring and buy. In 2023 over £230,000 was spent at the Bring and Buy with the profits going to charity and much of the visitors' proceeds recycled in the exhibitors' stands.

- **The Tournament Hall.** Housing tournaments for 16 to 400 players!
- **The Board Games Library.** The UKGE board games library consists of nearly a thousand board games that the public can borrow, play and return.
- **Open Gaming Area.** There will be enough space set aside in the exhibition hall and at the Hilton for 3,000+ gamers to sit and play at any one time, free of charge.
- **Play testing.** Dedicated and free to use space for budding designers to try out new game ideas and get feedback from gamers.

### TESTIMONIAL

*"Going into the UK Game Expo as a first timer, I didn't truly know what to expect, I had seen the numbers of other events and been as a punter but going was a big step. As a wargame business, we weren't in our natural environment at the Expo, according to friends in the industry, as they wished us luck. However, we had such a great time, we're sure to come again. The other traders are lovely to chat and network with. It's a weekend of friends (new and old), games, and hard work. As a trader, I don't want to miss a show from now on!"*

# STEP BY STEP GUIDE TO OPTIONS WITH YOUR BOOKING

TO TRY AND MAKE THE PROCESS EASIER FOR YOU WE HAVE ORGANIZED IT INTO A SERIES OF STEPS:

## **Steps 1 to 5**

Deal with the application to get a stand at UKGE.

## **Steps 6 to 10**

Take you through add on options you may wish to book at the same time as your stand, like sponsorships, marketing, advertising and demonstrators.

## **Steps 11 to 14**

Look at what you will access via your exhibitor portal after we have accepted your booking. This includes furniture, power, submissions to the awards and booking space at the Show Preview.

## **Steps 15 to 19**

Detail options you can order via third party companies such as the NEC or our show contractors. This includes logistics services, internet, carpet, event management, financial advice and stand walling.

## **Steps 20 to 23**

Deal with other questions exhibitors ask such as exhibitor passes, accommodation, car parking and access for setup.

## BOOKING A STAND

### 1. YOUR STAND

#### **STARTER STANDS £42 a sqm**

(Note: Starter stands are NEVER placed in Superior Space. Starter stands are NEVER corners, endcaps or islands)

If you are new to exhibiting at UKGE and wish to test out if UKGE is the best place for you to attend, a starter stand may be for you. The starter stand is a set size and configuration and its position is decided by UKGE. However, it comes at a discounted price.

Please note that starter stands:

- are for new exhibitors who have never exhibited with us before.
- are for exhibitors who want a single 2mx2m, 2mx3m or 3mx3m stand only. That is 4m<sup>2</sup>, 6m<sup>2</sup> or 9m<sup>2</sup>
- can not be combined with other stands.
- are placed at the discretion of the organisers.
- are priced at £42 per square meter.

#### **STANDARD STANDS - £61 a sqm**

When choosing your stand size, you may take as much space as you are happy to pay for, but the minimum stand size is 2mx2m = 4m<sup>2</sup>. Stands are charged at £61 per square metre.

Example: A stand that is 5mx2m = 10m<sup>2</sup> is calculated at £61 x 10 = £610 + VAT.

#### **SUPERIOR STANDS - £76 a sqm**

Superior stands are situated in high footfall locations at the front of Halls 1 & 2. Any stand located in these zones is considered a superior stand. See map on opposite page for an indication of the superior areas (dark green).

### 2. CO-EXHIBITORS (MORE THAN ONE EXHIBITING COMPANY SHARING A STAND) - £25 + vat

**NOTE: Don't book a co-exhibitor if all you want are additional exhibitor passes. See Passes step 15 later.**

If exhibitors elect to share a stand at UKGE, UK Games Expo Ltd needs to know and have full contact details for each company. The first company on the booking form will be known as the hirer and is solely responsible for all invoices incurred. Each additional company will be known as a co-exhibitor. It is essential that UK Games Expo Ltd is aware of every company participating in the event. There is a £25 + VAT administration fee for each co-exhibitor payable by the hirer as part of the stand fee. Each exhibitor and co-exhibitor will be listed on the UKGE website as well as in the programme.

Example: If you are the only exhibitor then this doesn't apply. If you book a stand and allow two smaller companies to exhibit on that stand space, then each additional company will be required to submit their company details and you, as the hirer, book the stand but also give us details of co-exhibitors. Please download and fill in co-exhibitor forms for each co-exhibitor from the UKGE website.

 **BY DEFAULT, STANDS ARE SPACE ONLY - See page 7**

# BOOKING A STAND

## 3. STAND CONFIGURATION

Stand configurations are based on the number of customer facing sides that the stand has. If you require a stand configuration other than standard then a supplement is added to your cost.

- Standard stand with one customer facing side = zero supplement
- Corner stand with two customer facing sides = £190 supplement
- End cap stand with three customer facing sides = £500 supplement
- Island stand with four customer facing sides = £1200 supplement.

**For Example:** A 5m x 2m corner stand will attract a £190 supplement. £610 + £190 = £800 + VAT

A 5m x 4m end cap stand will attract a £500 supplement. £1220 + £500 = £1720 + VAT.

A 5m x 4m island stand will attract a £1200 supplement. £1220 + £1200 = £2420 + VAT.

## 4. LOCATION

Certain areas of Hall 1 and Hall 2 will naturally have greater footfall or places where people will congregate. This gives greater opportunities to stands in those areas e.g. around the Family Zone or close to the main entrance. These areas are designated as superior areas and stands placed in these areas cost an additional £15 per square metre. A stand is considered in a superior area if any part of the stand is in a superior area.

When booking a stand you may also indicate a preference for a part of the hall by adding the grid square to the booking form. See map of Hall 1 and Hall 2.

For example, a 5m x 2m corner stand = £800 + VAT but in a superior position this would cost an additional £150 + VAT = 10m<sup>2</sup> x £15 which is a total of £950 + VAT.

## 5. BOOKING YOUR STAND

• Preliminary enquiries should be made in person with us at shows we attend, online via our website, or by email to richard@ukgamesexpo.co.uk. If you need to speak on the phone contact us on 01562 69391.

## PROGRAMME ADVERT

The UK Games Expo programme is far more than just a set of maps. It is a full colour glossy magazine with exciting articles by guest writers on games and the gaming world, mini games and details of everything that is available at UK Games Expo.

This publication is free to every person who attends Expo and is produced as a souvenir.

We have found that many people who come to Expo keep the programme and many advertisers find they are still gaining new customers long after the show has finished. Adverts should meet all artwork specifications although we are happy to work with you if this is something you have not produced before.

Adverts are an effective method of reaching all the convention goers and raising awareness of your brand amongst attendees.

Due to the demand for inside front, inside back and the back cover adverts, these are allocated on a Blind Bid basis.

# 10. DEMO TEAMS

UK Games Expo offers a 'demo team for hire' service where we will provide a fully trained demo team that will run your demonstration stand all weekend. Then by liaising with the various retailers at the show you can ensure your games are available to purchase. We have already provided this service for several major publishers and they have found it very successful. If you are interested in this service, please get in contact with us to discuss your requirements.

## Price of demo teams £700 per demonstrator

Demonstrators are paid at UK National Living wage by UKGE for 27 hours (this includes time to learn the games). UKGE pays and accounts for the income tax and any national insurance. We also provide two nights' accommodation, a food voucher each day, and cover demonstrators' travel expenses.

## Demo Team for Hire Terms and Conditions:

1. The Exhibitor will supply UK Games Expo with a list of games to be demonstrated on their tables.

2. With regards to demonstrators learning your games -

a. We will provide names and email addresses of each of the demonstrators. You then have the choice of sending a copy of your game direct.

If you want to send a physical copy of your game to a demonstrator, then it is your responsibility to post the copy to them.

b. You can arrange an online training session with demonstrators to learn your game.

c. You can also send a PDF or video.

3. The team will maintain a demonstrator at all times on your table during the duration of the exhibition show, i.e. 9.00 to 6.00pm Friday, 9.00am to 6.00pm Saturday and 9.00am to 4.00pm Sunday. Each demonstrator will be given a 45 minute lunch break each day at which point they will be absent from the stand.

6. Demonstrators will wear company branded clothing if supplied by the exhibitor. A minimum of 3 shirts per demonstrator is required.

Occasionally a reserve demonstrator may take over and may be wearing a UK Games Expo shirt. Exhibitors will be asked if they wish to supply additional shirts.

7. UKGE will account for the payment, taxes and employment of all demonstrators which includes accommodation for 2 nights and pay of minimum wage plus taxes.

8. All requests for demonstrators to be made by no later than 31st March 2024. Demonstrators will only be provided if we have sufficient applicants.

9. All invoices must be paid in full on or before 29th February 2024 or within 14 days if ordered after this date. For more information or to arrange a demonstration team please contact [richard@ukgamesexpo.co.uk](mailto:richard@ukgamesexpo.co.uk).

# 12. POWER

## PRICES BASED ON 2023 RATES

Will be updated by the end of December 2023.

### Cost of Power

**THIS SECTION EXPLAINS FACTORS TO CONSIDER WHEN REQUESTING POWER FOR YOUR STAND.**

- Power supply costs relate to the size of the mains installed and the number of sockets required.
- The minimum size mains we can install in a block is 6A which can supply 1500 watts power. A 6A mains costs £287+vat to supply.
- Each socket we add to the mains supply costs £100+vat. Sample Power Installation 6A mains and 1 socket = £287+£100 = £387+vat.

**IF YOUR POWER NEED IS 1500 WATTS OR MORE USE THIS CALCULATION:**

If you need 1500 watts or more we will need to place a suitable sized mains in your area.

- 6A Main (1500watts) costs £287+vat.
- 10A Main (2400watts) costs £428+vat.
- 16A Main (3800 watts) costs £568+vat.

Sockets are an additional £100+vat each per socket. Sample Power Installation 16A mains and 3 sockets = £568+£300 = £868+vat

**HOW CAN YOU REDUCE COSTS IF YOUR POWER NEED IS LESS THAN 1500 WATTS?**

**DO YOU REALLY NEED POWER?**

The first question you should ask yourself is do you really need power? Power installation costs at the NEC are significant.

If your power needs are confined to powering a phone charger, card reader or even a laptop then look into battery pack options as these can often be far less costly.

**SHARE POWER**

Many exhibitors may not need 1500 watts of power. For example 500 watts and a socket is quite sufficient for charging a phone and a card reader. Consult device manuals for power draw.

If your power needs are less than 1500 watts you may find you can save money by sharing a 6A mains (1500 watts) with other exhibitors in the same block. We advise that you make contact with other exhibitors in your block.

Note that in this case one exhibitor is responsible for placing the order and for paying all the costs of the mains as well as their own sockets.

Other exhibitor participating in power sharing just order and pay for their own sockets. All exhibitors must add a note to their power order making it clear who is ordering the mains and which other exhibitors are participating

**HOW MANY SOCKETS ARE NEEDED?**

Whilst each exhibitor will need at least 1 socket, we advise you make use of 4 way extensions to add sockets rather than ordering multiple sockets at £100 each.

**OTHER NOTES ON POWER**

The power is shut off 1 hour after the exhibition halls close so if you wish 24 hour power please inform us. 24 hour power adds a 20% surcharge. Power is ordered through your exhibitor portal which you will be able to access after your stand order is placed. For enquiries about power email [richard@ukgames.co.uk](mailto:richard@ukgames.co.uk)

**DEADLINE TO ORDER POWER IS 28th April 2024.**

**Late orders**

After this deadline you can order power at the show on Thursday 1st June. Note: The costs will be higher than ordering in advance.

conditions or instructions were incorporated into these terms and conditions.

5. These terms and conditions shall be subject to the laws of England and Wales.
6. All matters and questions not covered by these terms are subject to the decision of the Organisers. Exhibitors agree to abide by and conform to all additional rules and regulations from time to time adopted or prescribed by the Organisers for the management of the Event.
