EXHIBITOR GUIDE

30TH MAY - 1ST JUNE 2025

THE NEC BIRMINGHAM, UK

**UK GAMES EXPO (UKGE) IS THE UK'S LARGEST HOBBY GAMING EVENT HELD ANNUALLY AT THE NATIONAL EXHIBITION CENTRE (NEC) AND HILTON METROPOLE HOTEL IN BIRMINGHAM**

## TELL ME MORE ABOUT UK GAMES EXPO

### WHY SHOULD I EXHIBIT AT UKGE?

The UK tabletop games market is worth around 500 million pounds and over the last decade has been growing steadily.

- UKGE allows you to engage directly with your audience, test designs, sell existing products, launch new games and apply for awards.
- UKGE provides the opportunity to meet and network with games designers, publishers, artists, the gaming media and distributors.
- UKGE supports the development of new designs and new designers and holds playtesting and pitching sessions and a programme of workshops.
- UKGE is the best place to connect with all aspects of the tabletop gaming world in the UK over three days.

*UK Games Expo first took place in 2007.  
The below graph shows our growth over the years.*

### THE EVENT IS GETTING BIGGER!

From its launch in 2007, attendance at UKGE has increased each year and in 2024 UKGE attracted 39,306 unique visitors with a total attendance of 65,281. This comprises of not just the hobby enthusiasts, but also new gamers and the family market. We also attracted over 630 exhibitors.

### WHEN IS IT?

The next UK Games Expo will be held from 30th May to 1st June 2025.

### WHERE IS IT?

UKGE 2025 is located in Hall 2, Hall 3, Hall 3a, Hall 4, the Piazza and Tote Suites of the NEC as well as around the lakeside area and the Hilton Metropole Hotel.

The NEC is located perfectly for all major road networks. There is an international train station and airport on site.

The NEC is the UK's best connected venue:

- It is the only UK exhibition venue with an airport and railway station on site near an intersection of the UK's primary motorways.
- It is easy to get to as 75% of the UK population are within a three hour drive time.
- There is ample easy parking with 16,500 car park spaces.

## WHAT FEATURES ARE IN THE EXHIBITION HALLS?

The exhibition this year will be located in Hall 2, Hall 3, Hall 3a and Hall 4 of the NEC. The Halls comprise 46,000 m2 of space. The halls will contain:

- The largest tabletop games exhibition in the UK with hundreds of exhibitors including publishers, retailers, artists, manufacturers and others.
- **The Family Zone.** The Family Zone: Staffed by specially trained demonstrators, designed to entertain families and consisting of these main areas:

The Lets Play Zone which focuses on games ideal for the family to play together.

The Children's Zone: an area where the focus is on games for ages 3 to 9.

The Children's Roleplaying Zone: which runs roleplaying adventures for ages 5 to 12.

- **Shop and Drop.** Where attendees can leave their games while they go and explore the exhibition halls.
- **Business and Press Zone.** Where industry meetings occur.
- **Bring and Buy.** UKGE holds what we believe to be the world's largest games bring and buy.

In 2024 over £180,000 was spent at the Bring and Buy with the profits going to charity and much of the visitors' proceeds recycled in the exhibitors' stands.

- **The Tournament Hall.** Housing tournaments for 16 to 500+ players!

- **The Board Game Library.** The UKGE board games library consists of nearly a thousand board games that the public can borrow, play and return.
- **Open Gaming Area.** There will be enough space set aside in the exhibition hall and at the Hilton for 4,000+ gamers to sit and play at any one time, free of charge.
- **Play Test.** Dedicated and free to use space for budding designers to try out new game ideas and get feedback from gamers.

## **Steps 15 to 18 - Third Party Services**

Detail options you can order via third party companies such as the NEC or our show contractors. This includes logistics services, internet, carpet, event management, financial advice and stand walling.

## **Steps 19 to 24 - Final Details**

Deal with other questions exhibitors ask such as exhibitor passes, accommodation, car parking and access for setup. This section also includes information on stand inspections and other important stand related policies.

## BOOKING A STAND

### 1. YOUR STAND

#### **STARTER STANDS                    £44 a sqm**

(Note: Starter stands are NEVER placed in Superior Space, Starter stands are NEVER corners, endcaps or islands)

If you are new to exhibiting at UKGE and wish to test out if UKGE is the best place for you to attend, a starter stand may be for you. The starter stand is a set size and configuration and its position is decided by UKGE. However, it comes at a discounted price.

Please note that starter stands:

- are for new exhibitors who have never exhibited with us before.
- are for exhibitors who want a single 2m x 3m or 3m x 3m stand only.
- can not be combined with other stands.
- are placed at the discretion of the organisers.
- are priced at £44 per sq metre.

#### **STANDARD STANDS                £63 a sqm**

When choosing your stand size, you may take as much space as you are happy to pay for, but the minimum stand size is 2m x 3m = 6m<sup>2</sup>. Stands are charged at £63 per square metre.

Example: A stand that is 5m x 2m - 10m<sup>2</sup> is calculated at £63 x 10 = £630 + vat.

#### **SUPERIOR STANDS                £78 a sqm**

Superior stands are situated in high footfall locations at the front of Halls 2, 3 & 3a. Any stand located in these zones is considered a superior stand. See map on page 8 for an indication of the superior areas (yellow highlighted areas).

**PLEASE NOTE THAT YOUR STAND IS SOLD AS SPACE ONLY  
THERE IS • NO POWER • NO WALLS • NO FURNITURE**  
Options to add these are explained further in this guide

# BOOKING A STAND

## 2. CO-EXHIBITORS (MORE THAN ONE EXHIBITING COMPANY SHARING A STAND) £27 + VAT

If exhibitors elect to share a stand at UKGE, UK Games Expo Ltd needs to know and have full contact details for each company. The first company on the booking form will be known as the hirer and is solely responsible for all invoices incurred. Each additional company will be known as a co-exhibitor. It is essential that UK Games Expo Ltd is aware of every company participating in the event. There is a £27 + vat administration fee for each co-exhibitor payable by the hirer as part of the stand fee. Each exhibitor will be listed on the UKGE website as well as in the programme.

## 3. STAND CONFIGURATION

Stand configurations are based on the number of customer facing sides that the stand has, if you require a stand configuration other than standard, then a supplement is added to your cost.

- Standard stand with one customer facing side = zero supplement.
- Corner stand with two customer facing sides = £220 supplement.
- End cap stand with three customer facing sides = £550 supplement.
- Island stand with four customer facing sides = £1300 supplement.

**For Example:** A 5m x 2m corner stand will attract a £220 supplement. £630 + £220 = £850 + vat.

A 5m x 4m end cap stand will attract a £550 supplement. £1260 + £550 = £1810 + vat.

A 5m x 4m island stand will attract a £1300 supplement. £1260 + £1300 = £2560 + vat.

## 4. LOCATION

Certain areas of the halls will naturally have greater footfall or places where people will congregate. This gives greater opportunities to stands in those areas e.g. around the Family Zone or close to the main entrance. These areas are designated as superior areas and stands placed in these areas cost an additional £15 per square metre. A stand is considered in a superior area if any part of the stand is in a superior area.

When booking a stand you may also indicate a preference for a part of the hall by adding the grid square to the booking form. See map of Hall 2, Hall 3 and Hall 3a on page 8.

For example, a 5m x 2m corner stand = £850 + VAT but in a superior position this would cost an additional £150 + VAT = 10m<sup>2</sup> x £15 which is a total of £1000 + VAT.

## 5. BOOKING YOUR STAND

- Preliminary enquiries should be made in person with us at shows we attend and online via our website. If you need to speak on the phone contact us on 01562 69391.
- Once an agreement has been reached you will be issued with an invoice.
- The deposit (25% of your stand fee) must be paid within 28 days of issue of the invoice to secure your stand.
- If a deposit is not received, we will email you to inform you that we will be cancelling the order. Once this is done you will have to rebook your stand. This may mean a change of location.
- We can accept payment via bank transfer, sterling cheque or Transferwise. We reserve the right to notify you of additional fees that may apply in the event of high back charges. For full details on payments see terms and conditions which are available from page 28 and online. Please do read them all carefully. You agree to abide by these terms when you pay your deposit.

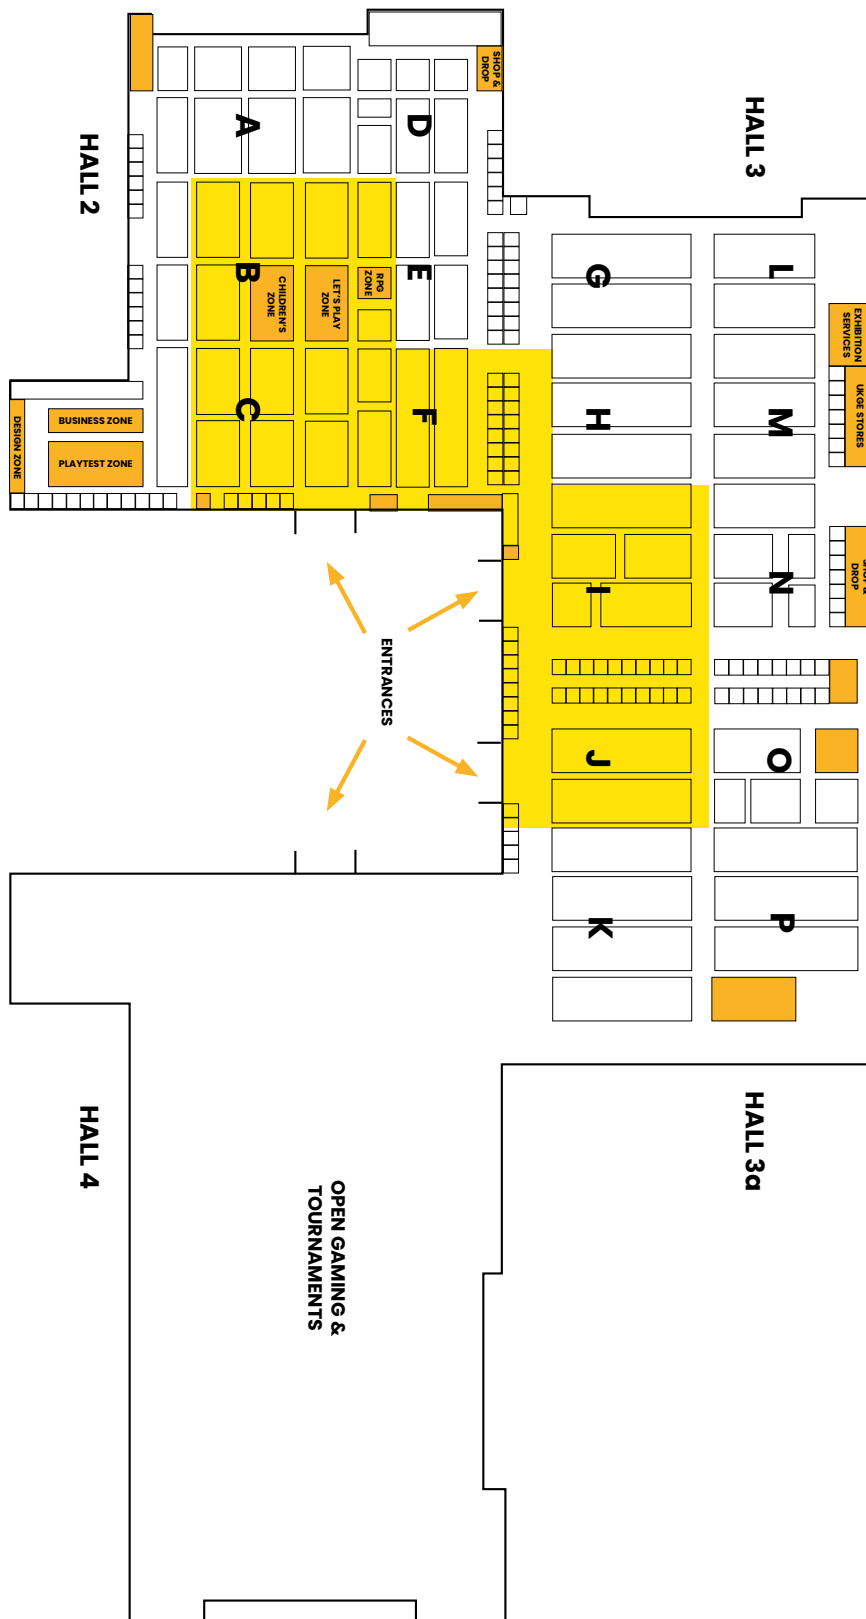

**PLEASE NOTE THAT YOUR STAND IS SOLD AS SPACE ONLY**

# 9. PRINT ADVERTISING

## PROGRAMME ADVERT

The UK Games Expo programme is far more than just a set of maps. It is a full colour glossy magazine with exciting articles by guest writers on games and the gaming world, mini games and details of everything that is available at UK Games Expo.

This publication is free to every person who attends Expo and is produced as a souvenir.

We have found that many people who come to Expo keep the programme and many advertisers find they are still gaining new customers long after the show has finished.

Adverts should meet all artwork specifications (see right) although we are happy to work with you if this is something you have not produced before.

Adverts are an effective method of reaching all the convention goers and raising awareness of your brand amongst attendees. Due to the demand for inside front, inside back and the back cover adverts, these are allocated on a Blind Bid basis.

## 10. DEMO TEAMS

UK Games Expo offers a 'demo team for hire' service where we will provide a fully trained demo team that will run your demonstration stand all weekend.

Then by liaising with the various retailers at the show you can ensure your games are available to purchase. We have already provided this service for several major publishers and they have found it very successful. If you are interested in this service, please get in contact with us to discuss your requirements.

### Price of demo teams £750 per demonstrator

Demonstrators are paid at UK National Living wage by UKGE for 27 hours (this includes time to learn the games). UKGE pays and accounts for the income tax and any national insurance. We also provide two nights' accommodation, a food voucher each day, and cover demonstrators' travel expenses.

### Demo Team for Hire Terms and Conditions:

2. With regards to demonstrators learning your games - We will provide names and email addresses of each of the demonstrators. You then have the choice of sending a copy of your game direct.

If you want to send a physical copy of your game to a demonstrator, then it is your responsibility to post the copy to them.

Each demonstrator will be given a 45 minute lunch break each day at which point they will be absent from the stand.

4. Demonstrators will wear company branded clothing if supplied by the exhibitor. A minimum of 3 shirts per demonstrator is required. Occasionally a reserve demonstrator may take over. Exhibitors will be asked if they wish to supply additional shirts.

5. UKGE will account for the payment, taxes and employment of all demonstrators which includes accommodation for 2 nights and pay of minimum wage plus taxes.

# 12. POWER

## NEW 2025 RATES

### COST OF POWER

**THIS SECTION EXPLAINS FACTORS TO CONSIDER WHEN REQUESTING POWER FOR YOUR STAND.**

- Power supply costs relate to the size of the mains installed and the number of sockets required.
- The minimum size mains we can install in a block is 6A which can supply 1500 watts power. A 6A mains costs £343+vat to supply.
- Each socket we add to the mains supply costs £115+vat. Sample Power Installation 6A mains and 1 socket = £343+£115 = £458+vat.

**IF YOUR POWER NEED IS 1500 WATTS OR MORE USE THIS CALCULATION:**

If you need 1500 watts or more we will need to place a suitable sized mains in your area.

- 6A Main (1500watts) costs £343+vat.
- 10A Main (2400watts) costs £513+vat.
- 16A Main (3800 watts) costs £681+vat.

Sockets are an additional £115+vat each per socket.

Sample Power Installation 16A mains and 3 sockets = £681+£345 = £1026+vat.

**HOW CAN YOU REDUCE COSTS IF YOUR POWER NEED IS LESS THAN 1500 WATTS?**

**DO YOU REALLY NEED POWER?**

The first question you should ask yourself is do you really need power? Power installation costs at the NEC are significant. If your power needs are confined to powering a phone charger, card reader or even a laptop then look into battery pack options as these can often be far less costly.

**SHARE POWER**

Many exhibitors may not need 1500 watts of power. For example 500 watts and a socket is quite sufficient for charging a phone and a card reader. Consult device manuals for power draw.

If your power needs are less than 1500 watts you may find you can save money by sharing a 6A mains (1500 watts) with other exhibitors in the same block. We advise that you make contact with other exhibitors in your block.

Note that in this case one exhibitor is responsible for placing the order and for paying all the costs of the mains as well as their own sockets.

Other exhibitor participating in power sharing just order and pay for their own sockets. All exhibitors must add a note to their power order making it clear who is ordering the mains and which other exhibitors are participating.

**HOW MANY SOCKETS ARE NEEDED?**

Whilst each exhibitor will need at least 1 socket, we advise you make use of 4 way extensions to add sockets rather than ordering multiple sockets at £115 each.

**OTHER NOTES ON POWER**

The power is shut off 1 hour after the exhibition halls close so if you wish 24 hour power please inform us. 24 hour power adds a 20% surcharge. Power is ordered through your exhibitor portal which you will be able to access after your stand order is placed. For enquiries about power email [richard@ukgamesexpo.co.uk](mailto:richard@ukgamesexpo.co.uk).

**DEADLINE TO ORDER POWER IS 30th April 2025.**

**Late orders**

After this deadline you can order power at the show on Thursday 29th May. Note: The costs will be higher.

## 19. IMPORTANT STAND INFORMATION

### Stand Inspections

If you have a complex stand, it will be subject to an inspection (fee to be confirmed).

It is the responsibility of the stand designer to determine whether a structure is complex or not.

Examples of complex structures:

- Any structure, regardless of its height, which requires structural calculations
- Multi-storey stands
- Any part of a stand or exhibit which exceeds four metres in height
- Custom-built/bespoke suspended structures
- Sound/lighting towers
- Temporary tiered
- Platforms and stages of 0.6m in height and over and all platforms and stages for public use (not including stand floor flats and platforms)

The organiser reserves the right to deem a structure 'complex' where this has not correctly been determined by the designer.

### Stand build guidelines

A minimum of 50% of any open side must remain fully open. Please ensure that your stand conforms to the requirements and does not visually block neighbouring stands off from the rest of the exhibition.

Party walls on any stand must be finished in a neutral colour on the entire rear face. The party wall should be dressed full height at this show as many stands do not have a full build. The Organiser reserves the right to inspect and require the exhibitor to conform to these rules. Please note, receiving a Drawing Inspection Notice does not mean that adjoining stand plans have been checked for compatibility.

Graphics, branding and logos are not to be placed on towers or other structures at the rear of the stand so as to blatantly overshadow an adjoining stand and must be shown on all drawings submitted for approval. The appointed Technical Management Team reserve the right to arbitrate in any dispute and their decision is final.

### Access to Stands

Exhibitors should note that access to their stand is only via open sides. A row stand has one open side, that is the front. Corners have 2 open sides, Endcaps 3 and Islands 4. Exhibitors should not access their stand via another exhibitors stand. When planning a lay out please ensure you have allowed for access to your stand.

### Table coverings

Tables – whether hired from UKGE, the show contractor or brought in by exhibitors should be covered with table cloths if they have an un-finished surface. Trestle tables typically are plain wood and should be covered so as to create a higher standard of appearance. You can hire cloth from UKGE if you have not brought it. Visit exhibition services.

### UKCE / CE Marks

Need to check your product meets the UK and European health, safety, performance and environmental requirements. Any item designed or intended, whether or not exclusively, for use in play by children under 14 years of age will need to be CE /UKCA marked under the Toy Safety Directive. The exception to this is specifically collectable items which are aimed at adult consumers. To qualify to be an exception the items must be 1) an item valued and sought by collectors 2) only be sold to customers of ages 14 and above 3) be displayed on a stand and labelled in such a way that it is clear that they are for sale to customers of ages 14 and above only. If items do not comply with these criteria exhibitors will be asked to remove them.

### Planning on selling food or alcohol at your stand?

You need to check with us and we will ask approval from the NEC. Certain requirements have to be met in order for you to sell your product e.g. if you are selling doughnuts, you need to sell these boxed with a minimum quantity of 4 in a box that is packaged as a gift. Likewise if you are selling alcohol then you need to have the license to sell documentation as well as Challenge 25 policy. Alcohol must also be sold in gift sets with minimum quantity.

# TERMS AND CONDITIONS

The following terms and conditions apply to the hire of exhibition space at UK Games Expo.

*Please note new additional item 18e. This is highlighted in blue.*

## INTERPRETATION AND GENERAL

- 1. UK GAMES EXPO** (the “Event”) is an annual gaming convention for both dedicated hobby gamers and the wider public. The Event is organised by the directors of UK Games Expo Ltd. Richard Denning and Tony Hyams (the “Organisers”).
- The Event takes place in The National Exhibition Centre, Birmingham B40 INT & The NEC Hilton Metropole Hotel, Birmingham B40 IPP (the “Hilton”). Additional events may occur in surrounding hotels as specified on the UK GAMES EXPO website and laid out in the programme.
- For the purpose of these terms and conditions:
  - References to the “Venue” include both the Hilton and the NEC as appropriate;
  - References to the “Event” are to the iteration of the Event at which the exhibition space is to be hired.
- Anyone intending to hire or in fact hiring exhibition space at the Event (an “Exhibitor”) undertakes that they (together with any employees, partners, or others associated with them) will:
  - Comply with any terms and conditions specified by the management of the Venue to the extent that they are communicated to the Exhibitor either prior to or during the Event;
  - Comply with any reasonable instructions given by the management of the Venue to the Exhibitor or any employee, partner or associate of the Exhibitor either prior to or during the Event as though any such terms and conditions or instructions were incorporated into these terms and conditions.
- These terms and conditions shall be subject to the laws of England and Wales.
- All matters and questions not covered by these terms are subject to the decision of the Organisers. Exhibitors agree to abide by and conform to all

additional rules and regulations from time to time adopted or prescribed by the Organisers for the management of the Event.

## APPLICATIONS FOR, SECURING OF AND ALLOCATIONS OF EXHIBITION SPACE

- The following procedures should be followed when booking exhibition space:
  - Potential Exhibitors should use the form located on the website, stating their preferences (if any) as to type or location of stand, and confirming the amount of exhibition space they are seeking.
  - The Organisers will acknowledge receipt of the form and either confirm that those requirements can be met or contact the intending Exhibitor to discuss alternative allocations.
  - Once an agreement has been reached, the Organisers will issue an invoice confirming the total cost for the proposed stand, the initial stand allocation and the deposit required to secure it.
  - To secure a stand, the Exhibitor must complete the booking by paying the deposit as stated on the invoice. The required deposit will be 25% of the total expected stand cost and is due within 28 days of the issue of the invoice. The balance payment must be made as outlined in 10c.
  - Where an invoice is issued after 28th February, the Exhibitor must pay the full value of the invoice within 28 days to secure the stand. All invoices must be paid at least 48 hours prior to the commencement of the Event.
  - In the event of an exhibitor failing to pay the deposit, or full fee as appropriate, within the time periods set out in paragraphs e and f of this Clause 7, the Organisers will cancel the booking and release the allocated space for re-sale without further notice to the exhibitor.
  - An Exhibitor may request other facilities (e.g. access to power or hire of furniture) via the Exhibitor Portal after the deposit is received by the Organisers and a stand has been allocated to the Exhibitor.
  - The Organisers will allocate space within the Venue taking account of the requirements and preferences indicated on completed Booking Forms and will inform potential Exhibitors in writing of the extent to which any such preferences or

requirements can be accommodated. However:

- in deciding on allocations the Organisers shall take account of whether the intending Exhibitor has attended previous iterations of the Event (and if so whether the Exhibitor complied with all relevant terms and conditions) and the total anticipated contributions of the intending Exhibitor to the Event, including level of sponsorship, but may also give weight to other factors.
- all decisions as to space allocation by the Organisers shall be final and binding on all Exhibitors who shall not be entitled to know the reasoning behind those allocations; and
- the Organisers reserve the right to alter allocations (and if appropriate refund appropriate amounts of the stand fee to take account of any such alterations) without prior notice.

## FEES, PAYMENT METHODS AND CANCELLATION POLICY

- The due dates for payment are as follows:
  - If the booking is made before the 28th February an invoice for the 25% deposit will be issued and must be paid within 28 days of receipt to secure your stand. Note that any monies held by the Organisers representing amounts rolled over to 2025 by an Exhibitor from a previous show (“Rolled-Over Funds”), will automatically be applied as a credit against this deposit.
  - If the booking is made after 28th February then an invoice for the full fee will be issued, payable within 28 days to secure the stand.
  - Where an invoice for a deposit has been issued an invoice for the remaining balance of the stand fees as set out in the quotation will then be issued for payment by 28th February.
  - Invoices for any additional facilities requested via the Exhibitor Portal such as power and furniture hire must be paid within 28 days of receipt of the invoice or by the 30th April, whichever is the sooner, (Invoices for these services issued after 30th April must be paid on receipt).

An Exhibitor will not be allowed to set up a stand at the event unless all fees for that stand have been paid in full.

## CANCELLATIONS

**12.** All cancellations must be made in writing and sent by e-mail to richard@ukgamesexpo.co.uk.
