

2015 UN-Water Annual International Zaragoza Conference

Water and Sustainable Development

From vision to action

Date

15–17 January 2015

Venue

ETOPIA_Centro de Arte y Tecnología

Avda. Ciudad de Soria, 8 50010 Zaragoza, España

Organizers

2015 UN-Water Annual International Zaragoza Conference.
Water and Sustainable Development: From Vision to Action.

14th of January 2015 Pre-Conference Side Events and Technical Visits

Technical Visits

Technical Visit: La Cartuja - Zaragoza's wastewater treatment plant (English/Spanish)

Time: 09:00-11:00

Bus Departs from: Etopía. Avda. Ciudad de Soria, 8. 50010 Zaragoza (opposite the AVE Train Station-Departures Gate/SALIDAS)

Convener: Veolia

Link: http://www.un.org/waterforlifedecade/waterandsustainabledevelopment2015/technical_visit_la_lacartuja_14_01_2015

Technical Visit: Expo + Water Park - walk to Expo Park (700 m. + 700 m. return) and take a tourist train (English/Spanish)

Time: 12:00-14:00

Meeting point: Etopía. Avda. Ciudad de Soria, 8. 50010 Zaragoza

Convener: Zaragoza City Council

Link: http://www.un.org/waterforlifedecade/waterandsustainabledevelopment2015/technical_visit_expo2008_14_01_2015.shtml

Technical Visit: The Ebro River Basin Authority and its Automatic System for Hydrological Information (SAIH) (English/Spanish)

Time: 13:00-14:00

Meeting point: Confederación Hidrográfica del Ebro, Paseo de Sagasta 24, Zaragoza

Convener: Confederación Hidrográfica del Ebro

Link: http://www.un.org/waterforlifedecade/waterandsustainabledevelopment2015/side_event_ebro_system_hydrologic_information_14_01_2015.shtml

Pre-Conference Side Events

Side Event: The fulfilment of the human right to water and sanitation (in Spanish)

Time: 09:00-17:00

Place: Colegio de Abogados de Zaragoza (Zaragoza Bar Association), Don Jaime I, 18 Zaragoza

Convener: Zaragoza Bar Association, the United Nations Office to Support the International Decade for Action 'Water for Life', Professor Antonio Embid of the Universidad de Zaragoza, the Human Rights Office of the Spanish Ministry of Foreign Affairs and Cooperation, ONGAWA Engineering for Human Development, and Canal Foundation.

Link: http://www.un.org/waterforlifedecade/waterandsustainabledevelopment2015/side_event_human_right_14_01_2015.shtml

Side Event: New Sources: Wastewater reuse in the sustainable management framework (in Spanish)

Time: 10:00-13:00

Place: Etopía. Avda. Ciudad de Soria, 8. 50010 Zaragoza, Room 1 (Second Floor)

Convener: IMDEA Agua

Link: http://www.un.org/waterforlifedecade/waterandsustainabledevelopment2015/side_event_water_reuse_14_01_2015.shtml

Side Event: Local level actions in decentralized water solidarity towards the achievement of the Sustainable Development Goals (in Spanish)

Time: 12:00-14:00

Place: Etopía. Avda. Ciudad de Soria, 8. 50010 Zaragoza, Room 2 (Second Floor)

Convener: UNDP-Global Water Solidarity

Link: http://www.un.org/waterforlifedecade/waterandsustainabledevelopment2015/side_event_global_water_solidarity_14_01_2015.shtml

SideEvent: The role of the Conference of Water Directors in LAC and innovation in water and energy in Ibero-America

Time: 12:30-17:00

Place: Confederación Hidrográfica del Ebro, Paseo de Sagasta 24, Zaragoza

Convener: World Council of Civil Engineers, Fundación Aquae, Ministry of Agriculture, Food and Environment of Spain

Link: http://www.un.org/waterforlifedecade/waterandsustainabledevelopment2015/side_event_water_and_energy_14_01_2015.shtml

Side Event: Water Footprint Assessment in support of sustainable development (in English)

Time: 15:00-17:00

Place: Etopía. Avda. Ciudad de Soria, 8. 50010 Zaragoza, Room 2 (Second Floor)

Convener: the Water Footprint Network

Link: http://www.un.org/waterforlifedecade/waterandsustainabledevelopment2015/side_event_water_footprint_14_01_2015.shtml

Side Event: The influence of recent technological advances and global water policy (in English)

Time: 17:00-19:00

Place: Etopía. Avda. Ciudad de Soria, 8. 50010 Zaragoza, Room 2 (Second Floor)

Convener: Abengoa and the Botin Foundation Water Observatory

Link: http://www.un.org/waterforlifedecade/waterandsustainabledevelopment2015/side_event_science_and_technology_14_01_2015.shtml

Side Event: 'Cultivando Agua Boa' Program: Connecting social innovation experiences in water management (in Spanish /English)

Time: 17:00-19:00

Place: Confederación Hidrográfica del Ebro, Paseo de Sagasta 24, Zaragoza

Convener: ECODES and Itaipu Binacional, Brazil

Link: http://www.un.org/waterforlifedecade/waterandsustainabledevelopment2015/side_event_agua_boa_14_01_2015.shtml

20:00 Conference Welcome Reception offered by Itaipu Binacional – Hotel Tryp – Avenida de Francia s/n

Words by Nilton Friedrich and Josefina Maestu

Video of Agua Boa

2015 UN-Water Annual International Zaragoza Conference.
Water and Sustainable Development: From Vision to Action.

15th of January 2015

Morning Special Regional Sessions

(Main Auditorium Etopía Building, Avda. Ciudad de Soria, 8, opposite the AVE Train Station), Departures Gate/SALIDAS

09:00-10:30 **Special Regional Session: Implementing the water related SDGs in the UNECE region.**
Convened by UNECE

Overview presentation

Nataliya Nikiforova, UNECE

Panellists

Minna Hanski, Ministry of Agriculture and Forestry, Finland

Luis Simas, ERSAR -Portuguese Water and Waste Services Regulation Authority, Portugal

Iskandar Abdullaev, Regional Environmental Centre for Central Asia (CAREC), Asia

Raimund Mair, International Commission for the Protection of the Danube River, Austria

Wrap Up and Closing

10:30-12:00 **Special Regional Session: Achieving water security for Asia and the Pacific through sustainable water management.**
Co-convened by ESCAP and UNOSD

Chair

Jong-Soo Yoon, United Nations Office for Sustainable Development, UN-DESA

Overview presentation

Hongpeng Liu, ESCAP, Asia

Panel discussion

Janya Trairat, Department of Water Resources, MONRE, Thailand

Rodora Gamboa, Maynilad Water Academy and Philippines Water Partnership, Philippines

Jong-Ho Ahn, Korea Environment Institute (KEI), Korea

Noppawan Boontham, Maejo University, Thailand

Wrap Up and Closing

Hongpeng Liu, ESCAP, Asia

(at Confederacion Hidrografica del Ebro, Paseo de Sagasta, 24-26, 50006 Zaragoza)

09:00-12:00 Special Regional Session: Achieving sustainable water for all in Latin America and the Caribbean
Co-convened by ECLAC, AECID and CAF

Overview presentation

Caridad Canales, ECLAC

Gonzalo de Castro, CAF

Panellists

Claudia Vargas, Universidad Mayor de San Andrés, La Paz, Bolivia

Carlos Narváez, American University, Nicaragua

William Carrasco, Expert, Colombia

Diego Fernández, Valle de Colombia University, Colombia

Pablo Lloret, FONAG, Ecuador

Franz Rojas, Expert, Bolivia

Roberto Ramos, Acueductor Comunitarios Sostenibles, Puerto Rico

Wrap Up and Closing

Inmaculada Paniagua, AECID, Spain

12:00-13:00 Welcome lunch and registration at the venue

(Main Hall Etopía Building, Avda. Ciudad de Soria, 8, opposite the AVE Train Station-Departures Gate/SALIDAS)

13:00-17:00 Plenary: Opening and Setting the Scene

13:00- 14:00 Formal opening – Auditorium of Etopía Building

Chair: Blanca Jimenez, UN-Water Vice Chair

Welcome addresses

- Welcome video by Michel Jarraud, UN-Water Chair
- Felipe de la Morena, Special Ambassador for the Environment, Ministry of Foreign Affairs, Spain
- Léo Heller, United Nations Special Rapporteur on the Human Right to Water and Sanitation
- Mayor of Zaragoza, on the role of Local Governments and Agenda 21

14:00- 15:00 The Water Related Sustainable Development Goals and Targets: Progress and Challenges. Interlinkages with other processes

- Richard Connor, WWAP, Sustainable Development Challenges and opportunities
- Joakim Harlin, UNDP and coordinator of UN-Water Working Group on SDGs, the Water related Sustainable Development Goals
- Karin Lexen, SIWI, Interlinkages of the water related SDGs and other global processes

2015 UN-Water Annual International Zaragoza Conference. Water and Sustainable Development: From Vision to Action.

15:00-17:00 State of the Art on Implementation Challenges and Tools– Discussion openers and questions

Chair: Josefina Maestu, Director/Coordinator UNW-DPAC

Discussion Openers on **Tools for implementation**

- Jose Gesti, UNICEF: Implementing the WASH related targets through capacity development and social instruments and the role of different stakeholders
- Aziza Akhmouch, OECD: Implementing the water related SDGs: Governance challenges and tools Role of different stakeholders
- Hannah Leckie, OECD: Implementing the water related SDGs: Financing and economic instruments challenges and tools and the role of different stakeholders
- Elisa Tonda, UNEP: Implementing the water related SDGs: Technology challenges and tools and the role of different stakeholders

Response panel: Issues and questions on tools for key water related SDGs themes

- Jean Marc Faures, FAO: Implementation challenges and new issues for Water Resources Management
- Nathalie André/Didier Allély, WHO: Implementation challenges and new issues in WASH
- John Harding, UNISDR: Implementation challenges and new issues on water related disasters
- Thomas Chiramba/David Coates, UNEP/CBO: Implementation challenges and new issues on water quality and ecosystem protection

17:00-17:30 Coffee Break

17:30-18:30 Views on progress, best practices and lessons learnt during the International Decade for Action 'Water for Life' 2005-2015

Chair: Government of Spain

- Ursula Schaefer-Preuss, Chair at Global Water Partnership, on progress on stakeholder engagement during the decade
- Alice Bouman-Dentener, Women for Water Partnership, on progress and lessons learnt on women engagement
- Gavin Power, CEO Water Mandate, on progress and lessons learnt on business engagement during the decade
- Barbara Anton, ICLEI, on progress, best practices and lessons learnt by local authorities during the decade

20:00 Mayor of Zaragoza's Welcome Reception

at the Municipal Government Building, *City Centre, Plaza del Pilar, Zaragoza (buses depart at 19:30 from ETOPIA)*

16.01.15 Parallel Stakeholders Sessions

BUSINESS Coordinator: CEO Water Mandate Room 1 (2nd Floor) <small>ENG / SPA</small>	CIVIL SOCIETY Coordinators: Women for Water (WfWP) and World Youth Parliament for Water (WYPW) Tryp Hotel <small>ENG</small>	ACADEMIA Coordinator: UNESCO Room 2 (2nd Floor) <small>ENG</small>	GOVERNMENTS Coordinators: UN-DESA and ICLEI Auditorium <small>ENG / SPA</small>	MEDIA Coordinators: UNW-DPAC and WSSCC Tryp Hotel <small>ENG</small>
Managing Extreme Events World Resources Institute (WRI)	Human Right to Safe Drinking Water and Sanitation Center for Affordable Water and Sanitation Technology and WfWP	Risk Assessment as a Tool to improve Water Quality Michigan State University	Water Scarcity on the Rise World Council of Civil Engineers (WCEE) and CONAGUA, Mexico	Media Roundtable UNW-DPAC

Official reception				

2015 UN-Water Annual International Zaragoza Conference.
Water and Sustainable Development: From Vision to Action.

16th of January 2015

Stakeholder Parallel Sessions

Etopía Building, Avda. Ciudad de Soria, 8, opposite the AVE Train Station

The Stakeholder Parallel Sessions for Business, Civil Society, Academia and Governments will take place simultaneously in different rooms.

08:30-18:30 Business contribution to the implementation of the Sustainable Development Goals related to water

ROOM 1, Second Floor (Spanish/English)

Coordinators: Gavin Power, CEO Water Mandate and Mai-Lan Ha

08:30-09:00 Introduction to the day and the sessions

Gavin Power – CEO Water Mandate

09:00-10:50 Managing Extreme Events

Session Convener: Gavin Power, World Resources Institute (WRI).

Programme

Overview presentation

- Paul Reig, World Resources Institute (WRI)

Panel discussion

- Finance : Katalin Solymosi, Structured and Corporate Finance Department Inter-American Development Bank (IDB)

- Capacity Development: Bert Share, Beer & Better World, UK

- Governance: Gavin Power, CEO Water Mandate; Cate Lamb, Carbon Disclosure Project (CDP)

Questions & Answers with participants

Wrap Up and Closing

10:50-11:10 Coffee Break

11:10-13:00 Water Quality and Wastewater Reuse

Session Convener: Jack Moss, Aquafed

Programme

Overview Presentation

- Jack Moss, Aquafed

Panel discussion

- Brigitte Dittrich-Kraemer, BASF, Germany

- Dominique Gatel, Veolia, France

- Jordi Valls, Aguas Andinas, Santiago Chile

Questions & Answers with participants

Wrap Up and Closing

13:00-14:00 Lunch Break

14:00-15:50 Water and Sanitation Services - Human Right to Water and Sanitation:

Session Convener: Mai Lan Ha, CEO Water Mandate/Pacific Institute

Programme

Overview Presentation

- Mai-Lan Ha, CEO Water Mandate/Pacific Institute

Panel discussion

- Capacity Development: Carlo Galli, Nestle, Switzerland
- Technology: Ignasi Fainé, Agbar, Spain
- Governance: Bimal Arora, CEO, Centre for Responsible Business

Questions & Answers with participants

Wrap Up and Closing

15:50-16:10 Coffee Break

16:10-18:00 Water Scarcity - Water Resources Management

Session Conveners: Paul Reig (World Resources Institute, WRI) and John Matthews (Alliance for Global Water Adaptation, AGWA)

Programme

Overview Presentation

- John Matthews, AGWA

Panel discussion

- Capacity Development: Hayley Zipp, ICMM
- Technology: Arturo Buenaventura, Abengoa, Spain
- Governance: Michael Spencer, Alliance for Water Stewardship, Australia
- Financing: Justine Leigh-Bell, Climate Bonds, UK

Questions & Answers with participants

Wrap Up and Closing

18:00-18:30 Wrap up and closing of the Day

- Reporter Financing: Jack Moss, Aquafed, France
- Reporter Capacity Development: Hayley Zipp, ICMM
- Reporter Technology: Hans Goossens, Yara, Norway
- Reporter Governance: Michael Spencer, Alliance for Water Stewardship, Australia

2015 UN-Water Annual International Zaragoza Conference. Water and Sustainable Development: From Vision to Action.

08:30-18:30 Civil society contribution to the implementation of the Sustainable Development Goals related to water

Co-coordinators: Alice Bouman-Dentener (Women of Water Partnership, WfWP) and Bart Devos (World Youth Parliament for Water, WYPW).
Tryp Hotel (In English)

08:30-09:00 Introduction to the day and the sessions

Alice Bouman-Dentener (WfWP) and Bart Devos (WYPW)

09:00-11:00 Civil Society and the Human Right to Safe Drinking Water and Sanitation

Session Conveners: Shauna Curry, CEO, Centre for Affordable Water and Sanitation Technology (CAWST), Canada

Programme

Overview presentation/Introduction

- Shauna Curry, CEO, CAWST, Canada

Main Case Study

- Eliza Mngale, Tegemeo Women Group, Mweteni Village, Tanzania

Discussion Panel

- Financing: Mary Rusimbi, Women Fund, Tanzania
- Capacity Development: Emma Anakhasyan, AWHHE, Armenia
- Technology: Antonia Lorenzo, BioAzul
- Governance: Jerry Van Den Berge, EPSU, Belgium

11:00-13:00 Civil society dealing with water scarcity and allocation

Session Convener: Jonathan Lautze, International Water Management Institute (IWMI)

Programme

Overview presentation/Introduction

- Jonathan Lautze, IWMI

Main case study presentation

- Khin NiNi Thein, Secretary, Water Advisory Group, Member of the National Water Resources Committee of Myanmar, Ayeyarwady River Basin Research Organisation (ARBRO) as a pioneer RBO, Myanmar

Panellists

- Financing: Ohnmar Khaing, Coordinator of the Food Security Working Group, Myanmar
- Capacity Development: Soe Soe Tun, Water Mothers (WMs), Myanmar
- Technology: Khin Thein Htwe, Executive Director, Water Research and Training Centre (WRTC), Myanmar
- Governance: Swe Swe Aye, Chairperson of the Ayeyarwady River Basin Research Organisation (ARBRO)

13:00-14:00 Lunch Break

14:00-15:30 Civil society and water quality and protecting and preserving ecosystem services

Session Convener: Stefano Barchiesi, International Union for Conservation of Nature (IUCN)

Programme

Overview Presentation

- Stefano Barchiesi, IUCN

Panellists

- Capacity Development: Maria Teresa Gutiérrez, ILO, branch EMP/INVEST
- Technology: Victor Viñuales/Cristina Monge, ECODES, Spain
- Governance: Rudolph Cleveringa, Global Water Partnership (GWP)

15:45-17:30 Civil society and adaptive planning and management

Session Convener: Karin Lexen, Stockholm International Water Institute (SIWI), Sweden

Programme

Overview presentation/Introduction

- Murray Biedler, Deep Blue Consultants, Belgium

Main case study:

- MHD Ali Al-Zein, Aga Khan Foundation, Syria

Panel discussion facilitated by Karin Lexen, SIWI, Sweden

- Financing: Ilias Sawadogo, Young Water Solutions Initiative and Réseau des Jeunes pour le Développement Durable, Burkina Faso
- Capacity Development: Wasif Babar, University of Punjab, Pakistan
- Technology: Lydia Cumiskey, Water Youth Network
- Governance: Murray Biedler, Deep Blue Consultants, Belgium

17:30-18:30 International Panel

- WASH: Shauna Curry, CAWST
- Water Scarcity: Jonathan Lautzen, IWMI
- Water Quality: Stefano Barchiese, IUCN
- Water Rists: Karin Lexen, SIWI

- Financing: Jean-Bosco Bazie, Eau Vive International
- Capacity Development: Moez Allaoui, Waterlex
- Technology: Khin Nini Thein, WRTC
- Governance: Rudolph Cleveringa, GWP

2015 UN-Water Annual International Zaragoza Conference.
Water and Sustainable Development: From Vision to Action.

08:30-18:30 Academia contribution to the implementation of the Sustainable Development Goals related to water

ROOM 2, Second Floor (In English)

Coordinators: Sarantuyaa Zandaryaa

08:30-09:00 Introduction to the day and the sessions

Sarantuyaa Zandaryaa, UNESCO

09:00-11:00 Risk Assessments as a tool to improve water quality

Session Convener: Joan B. Rose, Michigan State University, USA

Programme

Overview presentation

- Joan B. Rose, Michigan State University, USA – Overview of the Complexities of Water Quality in the Anthropocene, framework of analysis and tools to facilitate their implementation

Panel discussion

- Financing: John Fawell, Independent consultant, UK
- Governance: Hung Nguyen, School of Public Health, Hanoi, Vietnam
- Technology: Rosina Girones Llop, University of Barcelona, Spain
- Capacity development: Maureen Taylor, University of Pretoria, South Africa

Questions & Answers with participants

Wrap Up and Closing

Reporter: Kyana Young, Michigan State University, USA

11:00-13:00 Integrative and adaptive risk governance, management and monitoring for the SDGs

Session Convener: Claudia Pahl-Wostl, University of Osnabruck, Germany

Programme

Overview presentation

- Janos Bogardi, University of Bonn, Germany – Adaptive and Integrated Risk Governance – a multi-level challenge for the SDG implementation process

Panel dialogue

- Rick Lawford, Morgan State University, USA - Integrated Global Water Cycle Observations Community of Practice
- Anik Bhaduri, University of Bonn, Germany – Global Water System Project
- Joyeeta Gupta, UNESCO-IHE - Legal requirements for governing risks related to water security

Questions & Answers with participants

Wrap Up and Closing

13:00-14:00 Lunch Break

14:00–16:00 Tools for water resources management for a changing context

Session Convener: Colin Green, University of Middlesex, UK

Programme

Overview presentation

- Colin Green, University of Middlesex, UK

Panel dialogue

- Capacity development: Dabo Guan, University of East Anglia, UK
- Governance: Elena Lopez-Gunn, University of Leeds, UK
- Technology: Luis Garrote, Technical University of Madrid, Spain; Ruth Mathews, University of Twente, The Netherlands

Questions & Answers with participants

Wrap Up and Closing

16:00–18:00 Tools for WASH implementation from an equity lens

Session Convener: Jose Gestí, UNICEF

Programme

Chair

- Jose Gestí, UNICEF

Overview presentation

- Augustí Pérez Foguet, Polytechnic University of Catalonia, Spain

Panel dialogue

- Governance: Ricard Gine, Polytechnic University of Catalonia, Spain
- Capacity development: John Chilton, International Association of Hydrogeologists, UK
- Technology: Mohamed Ahmed Mohamed, United Nations Support Base, United Nations; Fabio Fussi, University of Milano-Bicocca, Italy; Sharon Velasquez, University of New Castle, UK

Questions & Answers with participants

18:00-18:30 Wrap up and Closing of Academia sessions

- Reporter on Financing: Colin Green, University of Middlesex, UK
- Reporter on Capacity Development: Sarantuyaa Zandaryaa, UNESCO
- Reporter on Technology: Luis Garrote, Technical University of Madrid, Spain
- Reporter on Governance: Joan Rose, Michigan State University, USA

2015 UN-Water Annual International Zaragoza Conference.
Water and Sustainable Development: From Vision to Action.

08:30-18:30 Countries experiences in contributing to the implementation of the Sustainable Development Goals related to water

AUDITORIUM (Spanish/English)

Co-coordinators: Seleshi Bekele Awulachew, UN-DESA and Barbara Anton, ICLEI

08:30-09:00 Introduction to the sessions of the day

Seleshi Bekele Awulachew, UN-DESA and Barbara Anton (ICLEI)

09:00-11:00 Water Resources Management: Water scarcity on the rise

Session Conveners: Tomas Sancho, World Council of Civil Engineers (WCCE) and Comisión Nacional del Agua (CONAGUA)

Programme

Overview presentation

- Tomas Sancho: President, WCCE

Panel Discussion

- Capacity Development: Htun Lwin Oo, Ministry of Transport, Myanmar
- Technology: Miguel Ángel Ródenas, Segura Water Authority, Spain
- Governance: Nelton Friedrich, Itaipu Binacional, Brazil; Maestro José Elías Chedid Abraham, Lerma Santiago Pacifico Water Authority – CONAGUA, Mexico

Questions & Answers

Wrap Up and Closing: Victor Bourguet and Denise Soares, Mexican Institute of Water Technology (IMTA), Mexico

11:00-13:00 Ways to realise the human rights to water and sanitation

Session Convener: Andre Dzikus (UN-Habitat) and Sarah Reng-Ochekpe (Ministry of Water Resources, Nigeria)

Programme

Overview presentation

- Andre Dzikus, UN-Habitat
- Léo Heller, United Nations Special Rapporteur on the human right to safe drinking water and sanitation

Panel discussion

- Financing: Guy Hutton, Water and Sanitation Programme (WSP), World Bank
- Governance: Sarah Reng-Ochekpe, Ministry of Water Resources, Nigeria; Luis Simas, ERSAR, Portuguese Water and Waste Services Regulation Authority, Portugal
- Technology: Pirnazar Shodmonov, State Sanitary Epidemiological Surveillance Service, Tajikistan

Questions & Answers with participants

Wrap Up and Closing

13:00-14:00 Lunch Break

14:00-16:00 Risk Management in River Basins

Session Convener: Niels Vlaanderen, Dutch Government

Programme

Overview presentation

- Niels Vlaanderen, Dutch Government

Panel discussion facilitated by John Mathews, AGWA

- Raimund Mair, International Commission for the Protection of the Danube River
- Pedro Domaniczky, Director, Coordinación of Itaipu Binacional in Paraguay
- Mohamed Elrawady, CEDARE
- Karin Lexen, SIWI, Sweden

Questions & Answers

Wrap Up and Closing

16:00-18:00 Tools of implementation to deal with water quality: Governments' roles and challenges

Session Convener: Jens Liebe, UN-Water Decade Programme on Capacity Development (UNW-DPC) and German Federal Institute of Hydrology

Programme

Overview presentation

- Thomas Chiramba (PNUMA)

Panel discussion

- Governance: Rosa Huertas, Duero River Basin Authority, Spain
- Technology: Jong-Ho Ahn, Korea Environment Institute (KEI) Korea and Anja von der Ropp, World Intellectual Property Organization
- Capacity Development: Antonio Felix Domingues, Agência Nacional de Águas, Brazil

Questions & Answers

Wrap Up and Closing: Jens Liebe (UNW-DPC)

18:00-18:30 Wrap up of the day – inputs to the multistakeholder tables

- Reporter on Technology: Roger Falconer, President of IAHR
- Reporter on Governance: Victor Bourguet and Denise Soares, Mexican Institute of Water Technology (IMTA), Mexico
- Reporter on Financing and Economic instruments: Niels Vlaanderen, Dutch Government, The Netherlands
- Reporter on Capacity Development: Seleshi Bekele Awulachew, UN-DESA

2015 UN-Water Annual International Zaragoza Conference. Water and Sustainable Development: From Vision to Action.

08:30-18:30 Media and Communicators Sessions

TRYP HOTEL (English)

Coordinators: UNW-DPAC and WSSCC

09.00 -11.00 Media

Session

Discussion openers:

- The post-2015 agenda on water and sustainable development, Joakin Harlim, UNDP
- Rockaya Aidara, Water Supply & Sanitation Collaborative Council (WSSCC): Tools and sources for reporting on water and sustainable development

Media roundtable: Role of media in communicating water and sustainable development issues.

- Reporting on water and sustainable development in Africa. Introduced and facilitated by Frederick Mugira, Vision Group and Water Journalists Africa. With examples from:
 - Barbara Lopi, SADC Secretariat, Botswana
 - Fazila Dahall, Channel Africa – SABC, South Africa
 - Jimmy Okello, Radio Apac Ltd., Uganda
 - Obande Kate Eleyi, News Agency of Nigeria, Nigeria
 - Joyce Nyokabi Chimbi, African Women and Child Feature Service, Kenya
- Reporting on water and sustainable development in Asia. Introduced and facilitated by Gareth George, United Nations Office to support the International Decade for Action 'Water for Life' 2005-2015. With examples from:
 - Saleem Shaikh, AlertNet Climate, Pakistan
 - Ranjita Biswas, Trans World Features, India
 - Marianne de Nazareth, St. Joseph's College (PG), India
 - Meenakshi Shedde, Freelance journalist, India
 - Mohammad Faridur Rahaman, Channel i, Bangladesh

Debate

15.00-16.00 Communicators Session

Discussion openers:

- Water communication campaigns and lessons learned: an analysis of progress during the last 10 years. Céline Hervé-Bazin, author of Water Communication, Analysis of Strategies and Campaigns from the Water Sector

Roundtable: Feedback and reflections of campaign organizers.

Facilitator: Gareth George, UNW-DPAC

- UN campaigns and World Water Day 2015 communications campaign. Daniella Bostrom, UN-Water
- Ending Open Defecation Campaign, Christina Samson, Communications & Partnerships, United Nations Millennium Campaign
- Developing our Communications Sustainability – Innovative tools and props. Kristine Bender, WATERisLIFE
- Improving the communication process between UN agencies and the local people. Divine Ntiokam, Founder, CSA Youth Network (Climate-Smart Agriculture Youth Network)

Debate

19:30 Visit to the Aljaferia Palace and welcome words by the President of the Regional Parliament

(Bus Departs from ETOPIA at 19:00)

17th of January 2015

Plenary: Multistakeholder dialogue on tools for implementation of the water related Sustainable Development Goals

(Main Auditorium Etopía Building, Avda. Ciudad de Soria, 8, opposite the AVE Train Station)

09:00-10:00 Implementation challenges and lessons on the main themes of the water related SDGs

Chair: Joakim Harlin, UNDP, Coordinator of UN-Water Working Group on SDGs

Panellists

- Jose Gesti, UNICEF
- Jean Marc Faures, FAO
- John Harding, UNISDR
- Thomas Chiramba, UNEP and David Coates, CBD
- Hongpeng Liu, ESCAP
- Caridad Canales, UNECLAC
- Natalia Nikiforova, UNECE
- Nathalie André/Didier Allély, WHO

10:00-17:00 Key tools and lessons learnt from implementation

10:00-11:15 Technology: Key tools and lessons learnt from implementation

Chair and Facilitator: Elisa Tonda, UNEP and Christian Susan (UNIDO)

Panellists/Reporters from the parallel stakeholder sessions

- Governments: Roger Falconer, IAHR
- Civil Society: Bart Devos, WYPW
- Business: Hans Goossens, Yara, Norway
- Academia: Luis Garrote, Technical University of Madrid, Spain

Questions & Answers

Wrap up and final reflections on key tools and lessons learnt from Elisa Tonda, UNEP

11:15-11:45 Coffee Break

11:45-13:00 Financing and Economic Instruments: Key tools and lessons learnt from implementation

Chair and Facilitator: Hannah Leckie (OCDE)

Panellists/Reporters from Stakeholder Sessions

- Governments: Niels Vlaanderen, Dutch Government
- Civil Society: Tobias Schmitz, Waterlex
- Business: Jack Moss, Aquafed, France
- Academia: Colin Green, University of Middlesex, UK

2015 UN-Water Annual International Zaragoza Conference. Water and Sustainable Development: From Vision to Action.

Questions & Answers
Wrap up and final reflections

13:00-14:00 Lunch Break

14:00-15:30 Governance: Key tools and lessons learnt from implementation

Chair and Facilitator: Aziza Akhmouch, OECD

Panellists/Reporters from Stakeholder Sessions

- Governments: Victor Bourget and Denise Soares, Mexican Institute of Water Technology (IMTA), Mexico
- Civil Society: Rudolph Cleveringa, GWP
- Business: Michael Spencer, Alliance for Water Stewardship, Australia
- Academia: Joan Rose, Michigan State University, USA

Questions & Answers

Wrap up and final reflections on key tools and Lessons Learnt from Aziza Akhmouch, OECD

15:30-17:00 Capacity Development: Key tools and lessons learnt from implementation

Chair and Facilitator: Kees Leendertse, CapNet UNDP

Panellists/Reporters from Stakeholder Sessions

- Governments: Seleshi Bekele Awulachew, UN-DESA
- Civil Society: Alice Bouman-Dentener, WfWP
- Business: Hayley Zipp, ICMM
- Academia: Sarantuyaa Zandaryaa, UNESCO

Questions & Answers

Wrap up and final reflections on key tools and lessons learnt

17:00-18:00 Key Messages and Wrap Up

Facilitated by Joakim Harlim, UNDP

Panellists
