

# Guiding You to Data Radical Resilience

## Our global invitation-only concierge program

This is the Veeam Lighthouse Program — the exclusive annual Customer Success program for select Veeam customers.

We strive to ensure that you attain your business' strategic goals while optimizing the value of your Veeam investment through a series of high-touch, effective programs and services. We advocate, build community and discussion.

We know that every environment is unique, and change is constant. The Lighthouse Program provides a consistent channel of comprehensive post-sales resources, services, training, communication, and networking so you can be prepared for the constant evolution of the data landscape.

### Benefits include:

- Veeam Certification training and exam vouchers
- Conference passes
- Health Checks
- Professional Services\*
- Product strategy Q&As
- Executive interactions
- Thought leadership invitations
