

## Launch and review of Products Exclusive for visitors to Japan in the Kansai and San'in Areas

At JR-West, we offer the JR-WEST RAIL PASS and other products designed especially for visitors to Japan that are convenient for travelling the West Japan area by rail.

With the upcoming Expo 2025 Osaka, Kansai in sight, we will introduce the new Kansai-San'in Area Pass, which is convenient for traveling in the Kansai and San'in (Tottori and Shimane Prefecture) areas, and review some of our products from the same area.

In addition to expanding our lineup of products connecting the areas of Kansai and West Japan, we will continue to promote the appeal of West Japan to visitors through further cooperation with local communities.

## 3. Eligibility

These products can be purchased and used only by customers who are holders of a passport issued by a government or other agency outside of Japan and who have a residential status that qualifies as "Temporary Visitor."

## 4. How to purchase

- (1) When purchasing at a travel agency outside Japan
  - Purchase an exchange order and exchange it for a ticket at one of the designated locations (JR-West and other stations, some travel agencies) after entering Japan.

- When exchanging, in addition to the exchange ticket, you will also need to submit a passport that can confirm your eligibility.

## (2) When purchasing via JR-WEST ONLINE TRAIN RESERVATION

- Purchase from a location such as the products page of the JR-West Global website (English, Korean, Traditional Chinese, Simplified Chinese), and exchange it for a ticket at one of the designated locations (JR-West and other stations) after entering Japan.

Korean <https://www.westjr.co.jp/global/kr/ticket/>

Traditional Chinese <https://www.westjr.co.jp/global/tc/ticket/>

Simplified Chinese <https://www.westjr.co.jp/global/sc/ticket/>

- When receiving your purchase, you will need the credit card used for payment at the time of the reservation, the reservation number, the PIN which you set yourself, and a passport or other document that can confirm your qualifications for purchase and use. (This varies depending on the method of reservation and receiving.)
- \* For details about the methods of use and the necessary items when receiving your purchase, please check the JR-WEST ONLINE TRAIN RESERVATION User Guide.
- \* The Tottori-Matsue Pass can only be purchased at travel agencies outside Japan. It cannot be purchased on JR-WEST ONLINE TRAIN RESERVATION.

## (3) When purchasing in Japan

- Purchase a ticket at one of the limited travel agencies in the JR-West area or elsewhere.
- \* The Tottori-Matsue Pass can only be purchased at travel agencies outside Japan. It cannot be purchased at travel agencies in Japan.

## 5. Transitional handling

Beginning on March 16, 2024, the limited express YAKUMO, SUPER HAKUTO, and SUPER INABA will operate with only reserved seating in all cars. When a San'in-Okayama Area Pass or Tottori-Matsue Pass (including exchange tickets for either pass) that was purchased or reserved on or before March 15 is used on or after March 16, ordinary car reserved seats on the YAKUMO, SUPER HAKUTO, and SUPER INABA can be used only when there are available ordinary car reserved seats on the boarded train.

- \* If purchased or reserved on or before March 15, reserved seat reservations prior to boarding are not possible. After boarding, if there are no reserved seats available, then you may ride standing.
