Equine Encephalomyelitis Outbreak, Uruguay, 2023–2024

Appendix

Appendix Table. Accession numbers for partial and complete sequences reported in this work, and the collection location (Department) for each sample*

Department	Accession no. (Sanger, partial nsp4)	Accession no. (NGS genomes)
Salto	PP933711.1	ND
Paysandú	PP910830.1	PP620641.1
Rio Negro	PP935254.1	ND
Paysandú	PP935255.1	ND
San José	PP935257.1	PP620642.1
Rocha	PP935256.1	PP620645.1
Rio Negro	PP935258.1	ND
Rocha	PP935259.1	ND
Paysandú	ND	PP620644.1
San José	ND	PP620643.1
San José	ND	PP620646.1

*ND, not done; NGS, next-generation sequencing
