Decorate Your Own Snowflake

Did you know that no two snowflakes are alike? Make your own unique snowflake by decorating the inside of the one shown on this page. You can use anything you'd like to decorate it; crayons, markers, glitter glue, sequins, and stickers can all be used to make your snowflake beautiful! When you're done, carefully cut out your snowflake with the help of an adult, write a message on the back and give it to a special person in your life.
