ABOUT EXPEDITORS

Expeditors is a Fortune 500 global logistics company that satisfies the increasingly sophisticated needs of international trade through customized solutions and seamless, integrated information systems. We pride ourselves on being a solutions-based organization and take time to understand each customer's individual business needs. As a non-asset based organization, we have considerable flexibility when managing our customers' supply chains.

Our industry professionals, award winning processes, and globally unified systems ensure that we always live up to our promise, *"You'd be surprised how far we'll go for you."*

INFORMATION SERVICES

We are looking for candidates who have a positive attitude, excellent work ethic, and high capacity to learn and perform. Consider applying if you are passionate about international business and information technology.

WHY WORK AT EXPEDITORS?

- **Amazing culture.** The right blend of challenging work in a fun and friendly culture. Our cultural elements are about exceeding our customers' expectations while providing a place for our employees to make a career.
- **Atmosphere.** Work days are engaging, inclusive, and more collaborative than competitive.
- **Work-life balance.** We believe in finding achievement and enjoyment in both our personal and professional lives.
- **People.** Our people truly care about each other and respect honesty and integrity. We have a team environment where your contributions are appreciated, engagement and purpose is a priority, and mastery and autonomy are pursued and achieved.
- **Job stability.** Strong financial foundation and a commitment to our people through success and adversity.
- **Growing industry.** The logistics industry, 8.5% of GDP, is hiring 1.4 million jobs by 2018.
- **Strong employee satisfaction.** Employees are proud of what they do. 94% say they feel their job is important to the organization.
- **"Best kept secret in the Fortune 500."** A quiet, financially strong, admired leader in global logistics.
- **Innovation program.** Encourage 10% of your week to be creative and innovative beyond assigned projects.
- **Opportunities for growth.** Strong, defined career path with potential for advancement within the company. Heavy investment in personal development through training, education, and employee education reimbursement program.
- **Leading-edge technology stack.** Diverse technology portfolio from legacy systems to a leading-edge infrastructure, architecture, and development technology. We use innovative tools and technologies to build our best-in-class logistics systems. To keep current with business needs and industry trends, our premier talent across all technology disciplines are continually working together to evolve our technology platform.
- **Excellent benefits.** Robust health, dental, and vision insurance, 401K matching, employee stock ownership program.
