## EXECUTIVE SUMMARY

Compared to before the COVID-19 pandemic, in 2022 Laughlin visitors were younger and more ethnically diverse, with higher educational achievement and income levels. Visitors came to Laughlin for a greater variety of reasons, and spent more than pre-pandemic visitors on lodging, gaming, food and drink, and shows and entertainment. Among the findings of the 2022 report, below are some highlights:

- **Strong satisfaction:** More than eight in ten (82%) visitors to Laughlin in 2022 were “Very Satisfied” with their visit, while 15% said they were “Somewhat Satisfied.” Only 3% of visitors were dissatisfied with their visit.
- **Expectations and future visitation:** Laughlin met (61%) or exceeded (35%) expectations among nearly all visitors. Additionally, 87% of Laughlin visitors said they were likely to return to Laughlin in the next year, and 92% said they were likely to recommend Laughlin as a place to visit.
- **More diverse reasons for visiting:** While four in ten (40%) Laughlin visitors came for a vacation, and one-quarter (24%) said they came primarily to gamble, more visitors than in past years said they came to Laughlin for water-based recreation (14%) or to attend a special event (11%).
- **Larger travel parties:** The average party size (average of 2.3 adults) was up from past years, and 12% said they were traveling with someone under 21 years old in their party, up from 5%-6% from 2016-2018. The average number of people per room among hotel visitors (average of 2.2) was also up from past years.
- **Higher spending:** Per trip spending increased significantly for lodging, food and drink, and shows and entertainment from pre-pandemic levels.
- **Gaming remains strong:** Nine in ten (90%) visitors gambled during their trip to Laughlin, and one in four (24%) said that gambling was the main reason for their visit. The average gambling budget was \$719.92, around \$50-\$60 higher than pre-pandemic levels.
- **More visitors coming from Las Vegas:** One in five (21%) visitors in 2022 came from Las Vegas, up from 3% - 6% in past years.
- **Younger, more diverse:** The average age of visitors was 52.7 years, down by more than four years from pre-pandemic results. One in five visitors (22%) was Hispanic/Latino. Nearly half (46%) of visitors had graduated from college, and 47% had household incomes of \$80,000 or more, both figures higher than pre-pandemic levels.

# INTRODUCTION

The Laughlin Visitor Profile Study is conducted monthly, and reported annually, to provide an ongoing assessment of the Laughlin visitor and trends in visitor behavior over time.

More specifically, the Laughlin Visitor Profile aims to:

- Provide a profile of Laughlin visitors in terms of socio-demographic and behavioral characteristics.
- Monitor trends in visitor behavior and visitor characteristics.
- Supply detailed information on the vacation and gaming habits of different visitor groups, particularly gaming and non-gaming expenditures.
- Allow the identification of market segments and potential target markets.
- Provide a basis for calculating the economic impact of different visitor groups.
- Determine visitor satisfaction levels.

# METHODOLOGY

The 2022 Laughlin visitor profile conducted In-person interviews with 1,200 randomly selected visitors. Due to the pandemic, interviewing did not begin until February, and extra interviews were conducted in March to make up for this. From April to December 2022 approximately 100 interviews were conducted each month.

Throughout this report, charts and graphs are used to illustrate the data. The data presented in these charts are based on the total sample of respondents for 2022 and the preceding years unless otherwise specified. In charts using proportions, those proportions may not add to 100% because of rounding or because multiple responses were permitted.

## RESPONDENTS

Qualified survey respondents were visitors to Laughlin (non-residents) who were at least 21 years of age. (Residents of Bullhead City, Arizona, were not considered visitors). Residents of Clark County, including residents of Las Vegas but excluding residents of Laughlin, were treated as visitors to Laughlin. Only visitors who planned to leave Laughlin within 24 hours were asked to complete the survey.

## INTERVIEWING

Visitors were intercepted in or near Laughlin hotel-casinos and hotels. To assure a random selection of visitors, different locations were utilized on each interviewing day and interviewing was conducted at different times of day. Verification procedures were conducted throughout the project to assure accurate and valid interviewing.

## DATA ANALYSIS

Interviews were reviewed for completeness and accuracy, coded, and entered into a computerized database for analysis. The information was then analyzed using statistical software packages available to Heart+Mind Strategies. The questionnaire administered to visitors is appended to this report in the form of aggregate results.

## STATISTICAL SIGNIFICANCE

When a difference between observations in one or more years for a particular measure is reported, there is a 95% or better chance that the difference is the result of a true difference between the measure compared over these years and is not due to sampling error alone. This is a commonly accepted standard for statistical significance testing in market and public opinion research. We do not note any yearly differences that do not meet this standard for statistical significance.

This report presents the results of the 2022 study and compares them to the results of the 2016, 2017, 2018, and 2019 studies (due to the pandemic no report was issued in 2020 or 2021).

Statistically significant differences in the behavior, attitudes, and opinions of visitors from year to year are pointed out in the text of the report.

# WHY LAUGHLIN

## WHY LAUGHLIN: REASONS FOR VISITING

FIGURE 1: **First Visit vs. Repeat Visit**

**Most visitors are regulars.**

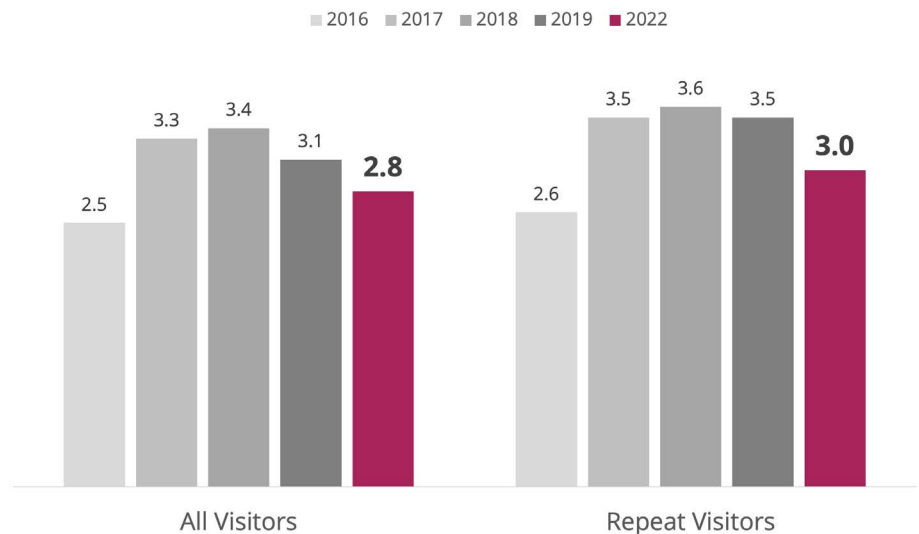

Over nine in ten 2022 Laughlin visitors (91%) had visited Laughlin in the past.

**Average number of visits lower than pre-pandemic years.**

The average number of visits to Laughlin over the past 12 months was 2.8 among all visitors, with 57% of visitors making more than one trip to Laughlin in the past year.

Repeat Laughlin visitors made an average of 3.0 visits. Three in ten (30%) said they made two visits in the past 12 months, up from 2017-19 results.

FIGURE 2: **Number of Visits in Past 12 Months**

# WHY LAUGHLIN

**FIGURE 3: Primary Purpose of Current Visit**  
(Among All Visitors)

Vacation time and gambling top the list of reasons to come to Laughlin.

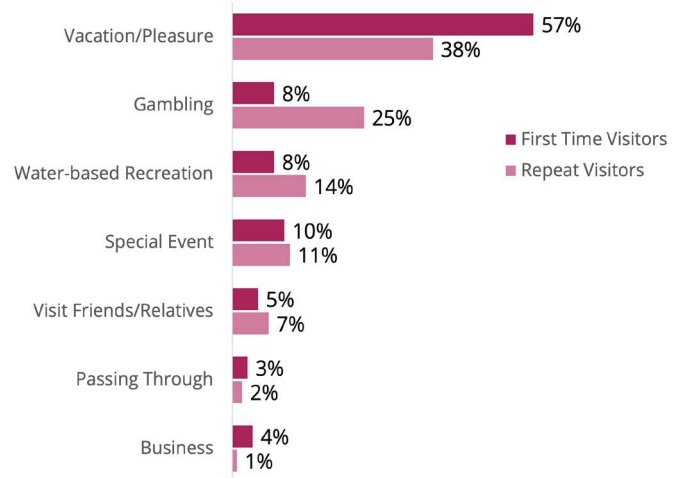

Four in ten 2022 Laughlin visitors (40%) said the primary purpose of their visit was vacation or pleasure, while one-quarter (24%) said it was to gamble.

More visitors than before the pandemic said they were visiting for water-based recreation (14%) or to attend a special event (11%).

First-timers were on vacation; Repeats more likely came for gambling and enjoying the river.

First time visitors to Laughlin were more likely than repeat visitors to say the purpose of their visit was vacation or pleasure (57% vs. 38%), while repeat visitors were more likely to say they came to gamble (25% vs. 8%) or for water-based recreation (14% vs. 8%).

**FIGURE 4: Primary Purpose of Current Visit**  
(First Time vs. Repeat Visitors)

Many repeat visitors had come for a special event on a past trip.

Four in ten repeat visitors (41%) said they had visited Laughlin in the past for a special event, consistent with past results.

**FIGURE 5: Visited Laughlin in Past for a Special Event**  
(Among Repeat Visitors)

# ON THE GO

## ON THE GO: TRAVEL, TRANSPORTATION, AND PLACES VISITED

FIGURE 6: Advance Trip Planning

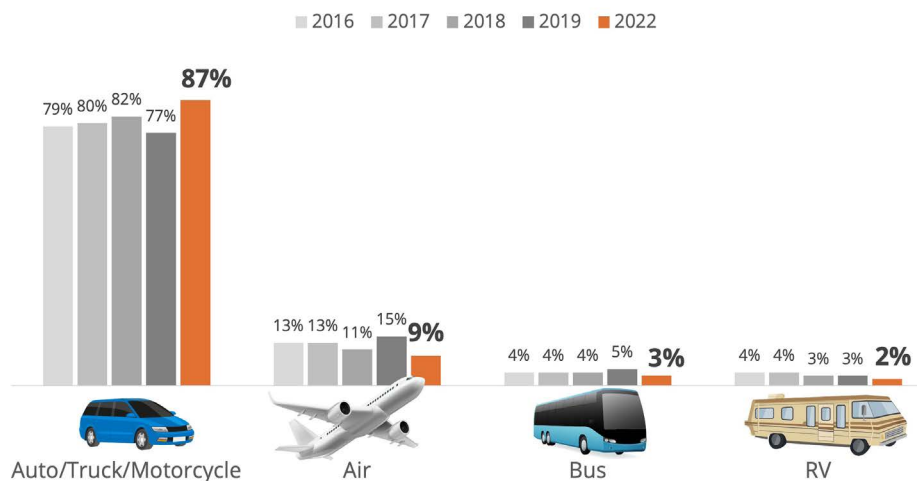

Travelers took less advance time to plan their trip.

Laughlin visitors in 2022 planned their trip closer to departure than pre-pandemic visitors. Nearly half (45%) planned their trip between a week and a month in advance, while 36% planned their trip more than thirty days in advance, down from pre-pandemic results.

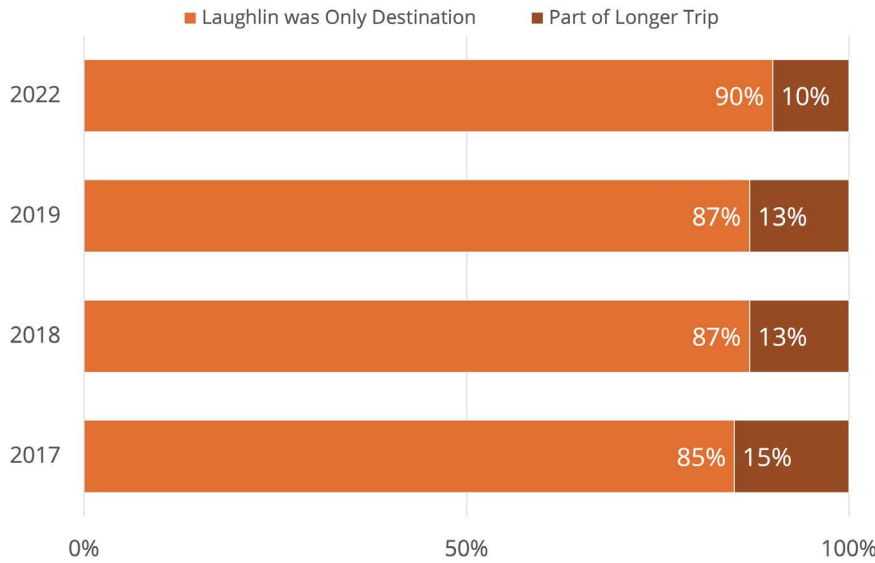

Visitors hit the road to get to Laughlin.

The vast majority of visitors (87%) arrived in Laughlin via private vehicle.

FIGURE 7: Transportation To Laughlin

**FIGURE 8: Laughlin Visit is Part of Longer Trip**

Laughlin is the only destination for majority of visitors.

One in ten visitors (10%) said they were visiting Laughlin as part of a longer trip to multiple destinations.

Las Vegas was main destination for some Laughlin visitors.

Six in ten visitors (61%) who said they were visiting Laughlin as part of a longer trip said the primary destination of their trip was Las Vegas, up from pre-pandemic results.

**FIGURE 9: Primary Destination of Trip**  
(Among Those on a Larger, Multi-Destination Trip)

**FIGURE 10: Visited Las Vegas in Past 5 Years / Visited Las Vegas as Part of This Trip**

Even if they did not visit Las Vegas on this trip, more than half of visitors had been to Las Vegas in the past 5 years.

Over one-half (56%) of Laughlin visitors had visited Las Vegas in the past 5 years. One in ten visitors (11%) said they would also be visiting Las Vegas during this trip to Laughlin.

**Air travel was most popular way to get to Las Vegas for Laughlin visitors.**

Nearly one-half (49%) of Laughlin visitors who also visited Las Vegas on their trip said they had arrived in Las Vegas via air, an increase from pre-pandemic results.

**FIGURE 11: Transportation to Las Vegas**

(\* In 2016 this question was only asked of visitors who traveled to Laughlin from Las Vegas.

## Laughlin visitors mostly stayed in town.

Seven percent (7%) of Laughlin visitors said they would be visiting other nearby places during their trip, down from pre-pandemic results.

FIGURE 12: **Visited Other Nearby Places**  
(Among All Visitors)

FIGURE 13: **Other Nearby Places Visited\***  
(Among Visitors Who Also Visited Other Places)

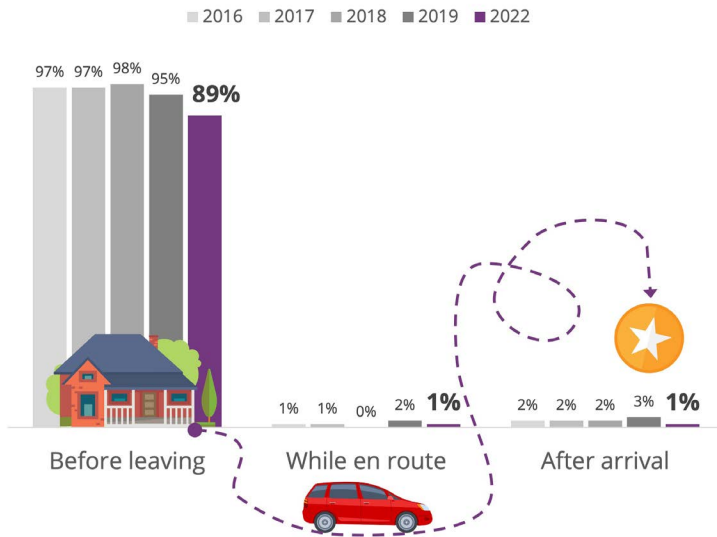

(\*): Multiple responses permitted

# TRIP PLANNING

## TRIP PLANNING: LODGING AND RESERVATIONS

FIGURE 14: When Decided Where to Stay  
(Among Overnight Visitors)

Lodging location was decided ahead of time.

Laughlin visitors continued to plan ahead for their trips, with nearly 9 in 10 (89%) deciding where to stay before leaving, slightly lower than recent years.

Online planning tool use increases.

2022 saw a sharp increase in the use of any online tools (43%) as well as the increase in word of mouth (20%).

FIGURE 15: Tools Used in Planning Trip\*

Note: Not asked in 2016  
(\* Multiple responses permitted)

# TRIP PLANNING

Most visitors stay at a hotel.

The type of lodging remains consistent from recent years, with most (95%) staying at hotels.

FIGURE 16: **Type of Lodging**  
(Among Overnight Visitors)

# TRIP PLANNING

## Calling properties gives way to booking online.

While half of visitors (50%) book accommodations by calling properties, booking through a website or an app increased sharply in 2022 to 45%.

FIGURE 17: **Method of Booking Accommodations**  
(Among Those Who Stayed in Hotel)

## Visitors booked more than 7 days in advanced.

Similar to 2019, 2022 Laughlin visitors were more likely to book their trip 30 or more days ahead of their trip (33%) compared to 2016 and 2017.

FIGURE 18: **Advanced Booking of Accommodations**  
(Among Those Who Stayed in Hotel)

# TRIP PLANNING

Casino rates remain the most popular.

3 out of 5 Laughlin visitors (60%) booked at a casino rate (casino rate + casino complimentary rate), consistent with 2016-2019 data. Regular rate bookings continue to be higher than earlier years (30%).

FIGURE 19: **Type of Room Rate**  
(Among Those Who Stayed in Hotel)

Visitors spent more per night on lodging.

Nearly 1 in 3 (30%) visitors who stayed in a hotel (non-package/non-comp) paid a room rate over \$101 per night.

FIGURE 20: **Average Spend Per Night on Lodging**  
(Among Non-Package, Non-Comp Visitors Who Stayed in Hotel)

# TRIP PLANNING

## Shorter trips were more popular.

The average number of days (3.4) and nights (2.4) stayed in Laughlin was down from recent years. Trips of one to three days were more common in 2022 (55%), with trips of 5 or more days (16%) decreasing the most.

FIGURE 21: Number of Days Stayed (Length of Stay)

Average Number of Days Stayed

FIGURE 22: Number of Nights Stayed (Length of Stay)

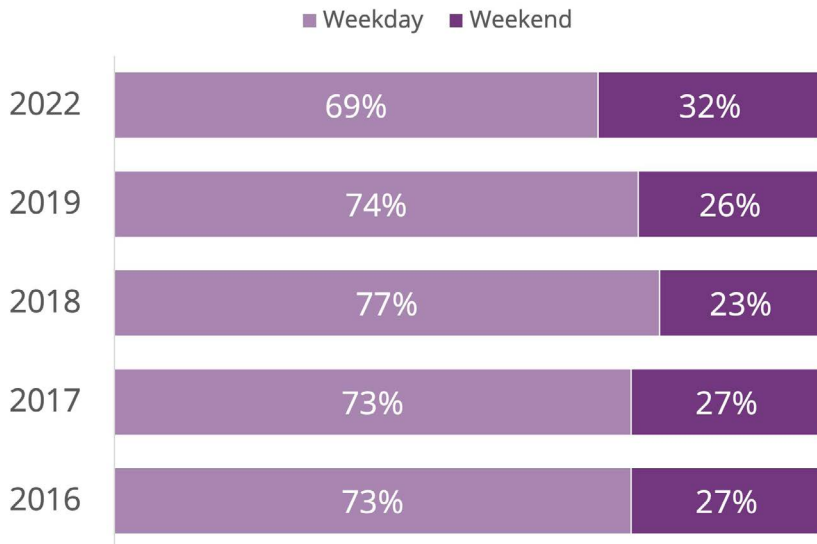

Average Number of Nights Stayed

2016	2017	2018	2019	2022
3.3	3.5	3.4	3.3	2.4

# TRIP PLANNING

FIGURE 23: **Weekday vs. Weekend Arrival**

Most visitors arrive during a weekday.

While 7 in 10 visitors are arriving on a weekday (69%), weekend arrivals (32%) were higher than past years. 1 in 5 (20%) visitors arrived on Friday.

FIGURE 24: **Day of Arrival**

# TRIP PLANNING

**FIGURE 25: Number of Room Occupants**  
(Among Those Who Stayed in Hotel)

**More people per room in 2022.**

The mean number of room occupants increased in 2022 (2.2), largely driven by a decrease in one-person stays (6%).

Average Number of Room Occupants				
2016	2017	2018	2019	<b>2022</b>
2.0	2.0	2.0	2.1	<b>2.2</b>

**More adults per party.**

The mean number of adults per party was higher than past years (2.3), driven in part by an increase in parties with four or more adults (9%).

**FIGURE 26: Number of Adults in Immediate Party**

Average Number of Adults in Party

2016	2017	2018	2019	<b>2022</b>
2.1	2.2	2.1	2.0	<b>2.3</b>

# TRIP PLANNING

More groups with children coming to visit Laughlin than before the pandemic.

Similar to 2019, more visitors came with someone under 21 (12%).

FIGURE 27: Have Persons Under Age 21 in Party

# GAMING

## GAMING: BEHAVIOR AND BUDGETS

### Strong gaming budgets continue.

While nine in ten Laughlin visitors (90%) gambled during their stay, this was down from previous results. They also spent less time gambling (average of 3.4 hours) than pre-pandemic visitors. Nevertheless, the average amount budgeted for gambling (\$719.92) was significantly higher than pre-pandemic results.

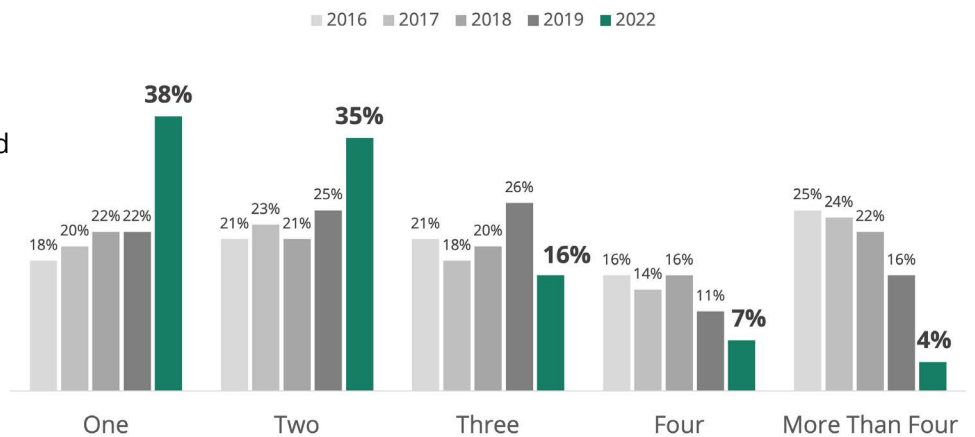

FIGURE 28: **Gambled While in Laughlin/Gaming Budget/Hours of Gambling**  
(Among Those Who Gambled)

### Visitors focusing their time within fewer casinos during stay.

Visitors gambled at an average of 2.1 casinos during their stay, down from previous results. Nearly three-quarters of visitors said they gambled at one or two casinos (72%).

FIGURE 29: **Number of Casinos Where Gambled**  
(Among Those Who Gambled)

**Average Number of Casinos Gambled At**

2016	2017	2018	2019	2022
3.5	3.4	3.3	2.9	2.1

**FIGURE 30: When Decided Where to Gamble**  
(Among Those Who Gambled)

Two-thirds planned where they wanted to gamble ahead of time, the rest decided when they got to Laughlin.

Seven in ten visitors (70%) said they decided where they would gamble before arriving in Laughlin, up from 57% in 2019.

Las Vegas gambling is also popular with Laughlin visitors.

All visitors were asked where they had gambled outside of Laughlin over the past 12 months. Nearly one-half (48%) said they had gambled in Las Vegas, while about one-quarter (26%) said they had gambled at an Indian Reservation in California.

**FIGURE 31: Other Places Gambled Outside of Laughlin**  
(Among All Visitors)

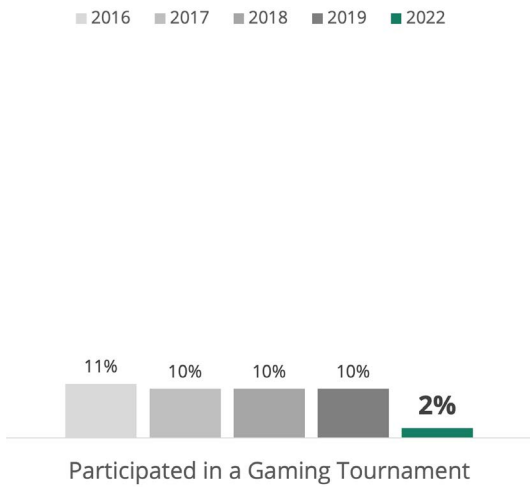

# GAMING

Participating in Gaming tournaments is down from pre-pandemic years.

Among all visitors, 2% said they participated in a gaming tournament during their stay, down from 10-11% from 2016 – 2019.

FIGURE 32: Gaming Tournaments

Slot/Loyalty clubs were popular with visitors gambling in Laughlin.

Nine in ten Laughlin visitors who gambled (90%) said they were a member of a slot or loyalty club.

FIGURE 33: Member of Slot/Loyalty Club

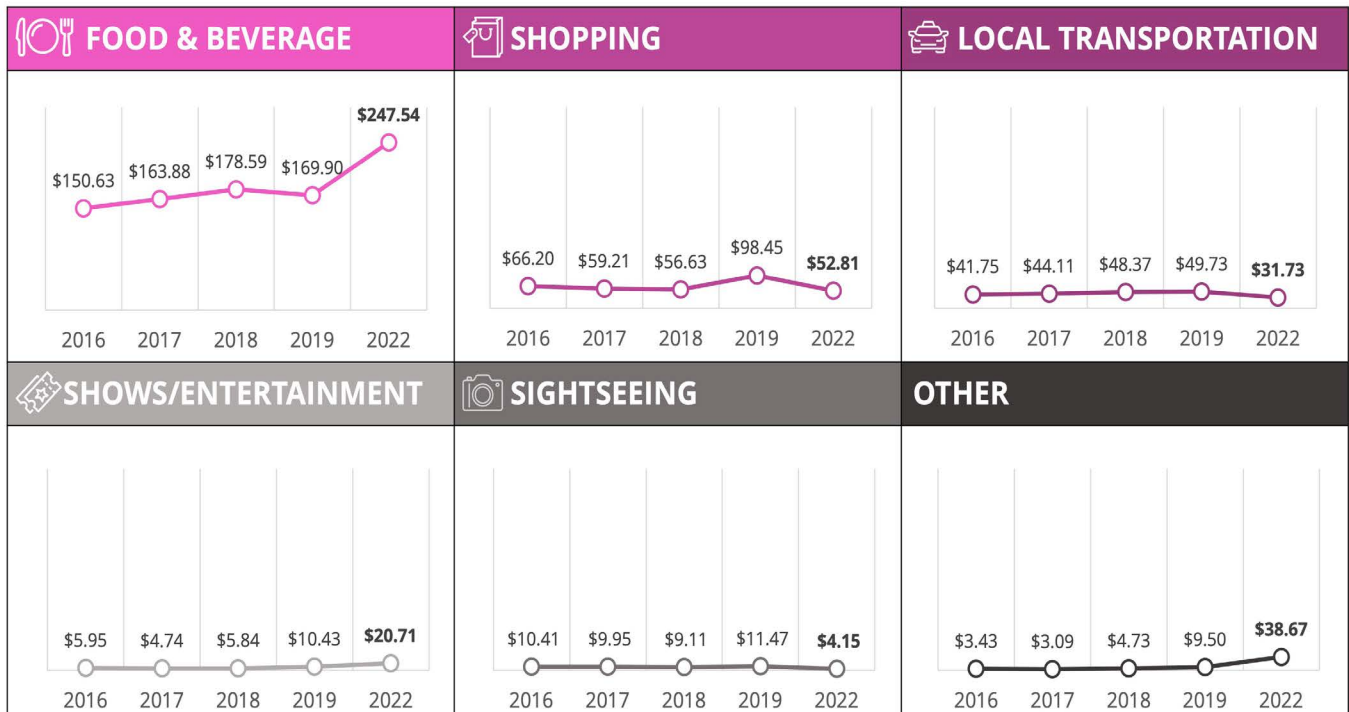

# ACTIVITIES

## ACTIVITIES: ENTERTAINMENT ACTIVITIES AND SPENDING

Spending on Food/Drink and Shows/Entertainment was up across all visitors.

Among all visitors to Laughlin, including those who spent nothing, mean spending on Food/Drink (\$247.54) and Shows/Entertainment (\$20.71) reached record levels and was significantly higher than any previous year. Spending on Shopping (\$52.81), Local transportation (\$31.73), Sightseeing (\$4.15) was lower than previous years, particularly 2019.

FIGURE 34: Average Trip Expenditures  
(All Visitors)

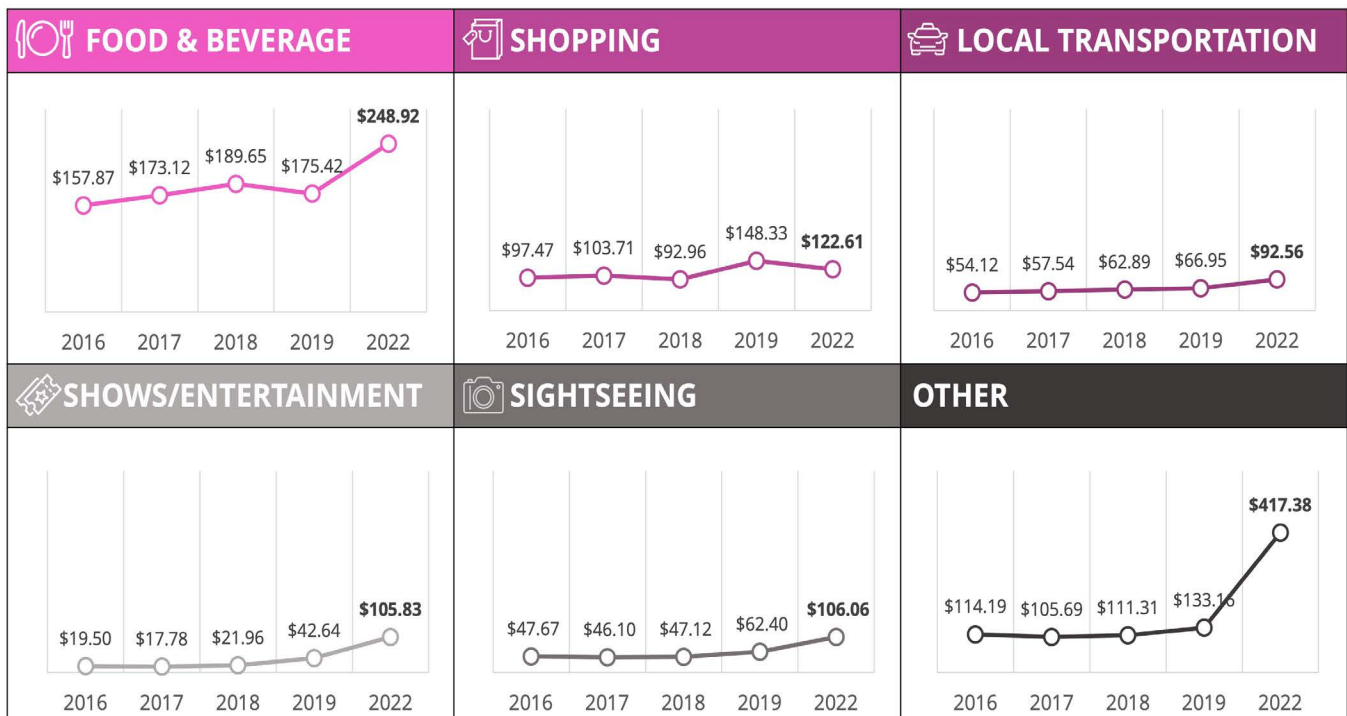

# ACTIVITIES

Among spenders, most categories saw an increase from 2019.

Among those who spent money on each category, spending on Shows/Entertainment (\$105.83) saw the highest increase from 2019 (\$42.64) as the proportion who spent on this category remained stable (27%). Fewer visitors spent money on sightseeing (4%, spending \$106.06). The amount visitors spent on shopping was lower than 2019 while the level of visitors spending on shopping also decreased (43%, spending \$122.61).

FIGURE 35: **Average Trip Expenditures**  
(Among Spenders)

Percentages of respondents who spent money in each category are shown in the following table:

	2016	2017	2018	2019	2022
<b>Food &amp; Beverage</b>

Note: High value for "Other" expenditures is driven by an increase in number of respondents renting jet skis.

# ACTIVITIES

FIGURE 36: **When Decided What Show to See**  
(Among Those Who Saw a Show)

Shows were being decided before arriving. Among visitors who saw a show, most decided which shows to see before leaving (82%).

# EXPERIENCE

## EXPERIENCE: SATISFACTION AND EXPECTATIONS

Satisfaction remains strong.

Satisfaction with the visit remains high (97%), with the most cited reasons for being very satisfied including friendly/excellent service staff and natural scenery.

FIGURE 37: Satisfaction with Visit

FIGURE 38: Reasons Very Satisfied with Visit (Among Very Satisfied)

Among visitors not fully satisfied with their stay, different reasons are mentioned.

FIGURE 39: Reasons Somewhat Satisfied with Visit (Among Somewhat Satisfied)

Note: doesn't list mentions <5%

# EXPERIENCE

FIGURE 40: Laughlin Compared to Expectations

Expectations are met for most visitors. Three in five visitors (61%) said their trip met their expectations, with many (35%) saying the trip exceeded expectations.

## Likelihood to return is high.

Most visitors are likely to return to Laughlin, with three in four (75%) saying they definitely would return in the next year.

## Likelihood to recommend remains high.

Most visitors (83%) will definitely recommend Laughlin, consistent with recent years.

FIGURE 41: Likely to Return to Laughlin Next Year

FIGURE 42: Likely to Recommend Laughlin to Others

# WHO'S HERE

## WHO'S HERE: VISITOR DEMOGRAPHICS

2022 visitors to Laughlin were notably different from recent years on most demographics. They were more likely to be married in 2022 (79%) compared to 2016-2019 (65%-69%). The mean visitor age was also significantly lower (52.7 vs 58.0-59.8 in 2016-2019), with an increase concentrated among 30–49-year-olds. There were also more visitors who are currently employed (63%) and college graduates (46%).
