

Certificate

Certificate number: 2016-004
Certified by EY CertifyPoint since:
April 15, 2016

Based on certification examination in conformity with defined requirements in ISO/IEC 17021:2011 and ISO/IEC 27006:2011, the Information Security Management System as defined and implemented by

Google, Inc.*

located in Mountain View, California, United States of America, is compliant with the requirements as stated in the standard:

ISO/IEC 27017:2015

Issue date of certificate: April 15, 2016
Expiration date of certificate: April 14, 2018

EY CertifyPoint will, according to the certification agreement dated February 13, 2015, perform surveillance audits and acknowledge the certificate until the expiration date of this certificate or the expiration of the related ISMS certificate with certificate number [2012-001].

**This certificate is applicable for the assets, services and locations as described in the scoping section on the back of this certificate, with regard to the specific requirements for cloud security as stated in the Statement of Applicability version 2.6, dated January 19, 2016.*

A handwritten signature in blue ink, appearing to read "R. Toppen", is positioned above the name of the director.

drs. R. Toppen RA
Director EY CertifyPoint

Google, Inc.
