Manager Bobby Jenks returns to the SouthSide in 2025

South Side Family Fun

The Windy City ThunderBolts baseball club has served the South Side of Chicago and its suburbs since 1999.

Our beautiful home, Ozinga Field in Crestwood, is unique for its intimacy, while still holding championship sized crowds. The stadium is the setting where we provide affordable, family oriented fun and entertainment.

From our world famous fireworks to our incredible theme nights and promotions, we are proud of our history in the region.

Our Team & Our League

The Windy City ThunderBolts are the minor league baseball team of Chicago's South Side and its Southwest suburbs. Chicago White Sox World Series hero Bobby Jenks returns in 2025 looking to lead the Bolts back to the playoffs.

The Frontier League is North America's premier Partner League of Major League Baseball.

Ten states are now represented by the Frontier League including Illinois, Indiana, Kentucky, New Jersey, Massachusetts, Mississippi, New York, North Carolina, Ohio, Pennsylvania as well as three teams across the border in Canada.

Over 600 Frontier League players have had their contracts purchased by Major League clubs since the league's inception in 1993.

The Frontier League has had more players signed to contracts with MLB organizations than any other Partner League in the country.

Heat Map

The ThunderBolts are honored to call the Southwest suburb of Crestwood home since 1999. We are proud of our South Side heritage and the people that make our area so special.

Major suburbs like Evergreen Park, Oak Forest, Oak Lawn, Orland Park, Palos, Tinley Park, as well as the Chicago neighborhoods of Beverly and Mount Greenwood are represented well at every ThunderBolts game.

In addition to the 2.7 million people that reside in our core base, thousands of people visit Ozinga Field from all over Chicagoland and our neighboring states every year.

Not Just a Ballpark, but a Community Asset

Ozinga Field is not just the home of the ThunderBolts. It is the busiest baseball stadium in the State of Illinois as its synthetic playing field hosts over 400 events between February and November.

Professional, amateur, and youth sports are just part of our story. Community events like Crestwood's Sparks in the Park, little league stadium takeovers, commencement ceremonies, auto shows and even the Special Olympic Wheelchair Softball World Series highlight the flexibility of the facility.
