

## **Residential heating oil price decreases**

---

The average retail price for home heating oil fell 3 tenths of a cent from last week to \$3.96 per gallon. That's down 58.8 cents from a year ago, based on the residential heating fuel survey by the U.S. Energy Information Administration. Heating oil prices in the New England region are at \$3.94 per gallon, down 1 cent from last week, and down 56 cents from a year ago.
