

## **Residential heating oil price decreases**

---

The average retail price for home heating oil on April 8th was \$4.01 per gallon. That's down 2.4 cents from the last week in March, based on the residential heating fuel survey by the U.S. Energy Information Administration. Heating oil prices in the New England region were \$3.98 per gallon, down 2.2 cents from March 25. Heating oil prices will be published monthly from April to September.
