

Residential heating oil price increases

The average retail price for home heating oil rose 2 cents from last month to \$3.48 per gallon. That's down 84.4 cents from a year ago, based on the residential heating fuel survey by the U.S. Energy Information Administration. Heating oil prices in the New England region are at \$3.44 per gallon, up 3 cents from last month, but down 71.5 cents from a year ago. Starting this week, heating oil prices will be published weekly through March.
