Country of Origin of Textile and Apparel Products; Correction

AGENCIES: U.S. Customs and Border Protection, Department of Homeland Security; Department of the Treasury.

ACTION: Final rule; correction.

SUMMARY: Customs and Border Protection (CBP) published in the *Federal Register* of March 17, 2011, a document which adopted as a final rule, with some changes, interim amendments to the CBP regulations to revise, update, and consolidate the regulatory provisions relating to the country of origin of textile and apparel products. The final rule document contained two errors in the Background portion of the document. The first error concerns an inadvertent reference to imported "antique Persian carpets" in an example prepared by CBP. Because carpets of Iranian-origin are currently

prohibited from importation into the United States, the example should not have referenced Persian antique carpets. The example is changed to reflect a non-prohibited article—a Turkish antique carpet. The second error consists of an outdated Internet address that was provided by CBP relating to certain instructions for the completion of CBP Form 7501. This document corrects these two errors.

DATES: Effective on March 24, 2011.

FOR FURTHER INFORMATION CONTACT: Roberts Abels, Textile Operations, Office of International Trade, (202) 863-6503.

SUPPLEMENTARY INFORMATION: CBP published a final rule document in the *Federal Register* of March 17, 2011 (76 FR 14575), concerning the country of origin of textile and apparel products. The Background portion of the document included two errors: (1) An inadvertent reference to "Persian" carpets instead of "Turkish" carpets in an example provided by CBP; and (2) an outdated Internet address concerning certain instructions for the completion of CBP Form 7501. This document corrects these two errors.

In rule FR Doc. 2011-6253 published on March 17, 2011 (76 FR 14575), make the following corrections:

(1) On page 14579, in the first column, remove the word "Persian" in the first bullet point and add in its place the word "Turkish";

(2) On page 14581, in the second column, remove the parenthetical Internet address and add in its place the Internet address "(http://www.cbp.gov/linkhandler/cgov/trade/trade_programs/entry_summary/cbp7501/7501_instruction.ctt/7501_instruction.doc)".

Dated: March 18, 2011.

Technical Correction for Neurological Listing Cross-Reference

AGENCY: Social Security Administration.

ACTION: Final rule.

SUMMARY: We are making a technical correction to a listing in the

neurological body system in the Listing of Impairments. We are correcting a cross-reference that became outdated when we published revisions elsewhere in the Listing of Impairments in 2010. This technical correction will provide an updated cross-reference to conform to the 2010 revisions.

DATES: This final rule is effective March 24, 2011.

SUPPLEMENTARY INFORMATION: On June 2, 2010, we published final rules that revised the portions of section 102.00 (the Special Senses and Speech body system for children) regarding the evaluation of hearing loss.¹ The rules became effective on August 2, 2010. When we revised the listings for hearing loss in children, we inadvertently did not also revise listing 111.09C in the neurological disorders body system for children. That listing, which addresses communication impairment associated with a neurological disorder, cross-refers to our prior listing for hearing loss in children: listing 102.08. We removed listing 102.08 when we published the 2010 final rules. Since we no longer have that listing, we must correct listing 111.09C.

Before the final rules we published in 2010 became effective, listing 102.08 was the only listing for hearing loss in children. We now have two such listings: listings 102.10 and 102.11. In the notice of proposed rulemaking for the hearing loss listing changes, we explained that we were revising listing 102.08 and changing it to listing 102.10, and that we would use it only for children who do not have cochlear implants. We also explained that we were adding a new listing 102.11 for children who have cochlear implants.² Both listings include criteria for children with hearing loss who have communication impairments.³ Therefore, we are changing the cross-reference in listing 111.09C to refer to both of the current listings.
