Notice of Issuance of Final Determination Concerning Certain Agilent Oscilloscopes

AGENCY: U.S. Customs and Border Protection, Department of Homeland Security.

ACTION: Notice of final determination.

SUMMARY: This document provides notice that U.S. Customs and Border Protection (“CBP”) has issued a final determination concerning the country of origin of certain oscilloscopes. We were asked to consider five scenarios. Based upon the facts presented, CBP has concluded in the final determination that for each scenario the assembly and programming operations performed in Singapore substantially transform the components of the oscilloscopes. Therefore, the country of origin of the oscilloscopes for purposes of U.S. government procurement is Singapore. **DATES:** The final determination was issued on April 23, 2012. A copy of the final determination is attached. Any party-at-interest, as defined in 19 CFR 177.22(d), may seek judicial review of this final determination on or before May 31, 2012.

SUPPLEMENTARY INFORMATION: Notice is hereby given that on April 23, 2012, pursuant to subpart B of part 177, Customs Regulations (19 CFR part 177, subpart B), CBP issued a final determination concerning the country of origin of certain series of Agilent oscilloscopes which may be offered to the U.S. Government under an undesignated government procurement contract. This final determination, HQ

H203555, was issued under procedures set forth at 19 CFR part 177, subpart B, which implements Title III of the Trade Agreements Act of 1979, as amended (19 U.S.C. 2511-18). In the final determination, CBP concluded that, based upon the assembly and programming operations in Singapore, the country of origin of the oscilloscopes for purposes of U.S. government procurement is Singapore.

Section 177.29, Customs Regulations (19 CFR 177.29), provides that a notice of final determination shall be published in the **Federal Register** within 60 days of the date the final determination is issued. Section 177.30, CBP Regulations (19 CFR 177.30), provides that any party-at-interest, as defined in 19 CFR 177.22(d), may seek judicial review of a final determination within 30 days of publication of such determination in the **Federal Register**.

RE: Government Procurement; Trade Agreements Act; Country of Origin of certain Oscilloscopes; Substantial Transformation

Dear Mr. Morgan: This is in response to your letter, dated January 30, 2012, requesting a final determination on behalf of Agilent Technologies, Inc. (“Agilent”), pursuant to subpart B of part 177 of the U.S. Customs and Border Protection (“CBP”) Regulations (19 C.F.R. Part 177). Under these regulations, which implement Title III of the Trade Agreements Act of 1979 (“TAA”), as amended (19 U.S.C. § 2511 et seq.), CBP issues country of origin advisory rulings and final determinations as to whether an article is or would be a product of a designated country or instrumentality for the purposes of granting waivers of certain “Buy American” restrictions in U.S. law or practice for products offered for sale to the U.S. Government.

This final determination concerns the country of origin of Agilent’s MSOX/DSOX200A and MSOX/DSOX3000A
