

reporting provisions in 50 CFR 660.408(o) and 50 CFR 660.404 were initially published at 54 FR 11976-01 (March 23, 1989), with comments accepted until April 5, 1989, prior to publication of the final rule at 54 FR 19185-01 (May 4, 1989). NOAA published notice of and requested public comments on its requests for OMB's approval of the information collection and prior to each extension of OMB's approval (e.g., 66 FR 17147, March 29, 2001; 66 FR 28731, May 24, 2001; 69 FR 35331, June 24, 2004; 72 FR 33204, June 15, 2007; 76 FR 329, January 4, 2011). NOAA received no comments on the 2011 request for extension. An additional opportunity for public comment at this point would not be meaningful, and would be duplicative.

Because prior notice and opportunity for public comment are not required for this rule by 5 U.S.C. 553, or any other

law, the analytical requirements of the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.*, are inapplicable.

This final rule has been determined to be not significant for purposes of Executive Order 12866.

Technical Corrections Relating to the Rules of Origin for Goods Imported Under the NAFTA and for Textile and Apparel Products

AGENCIES: U.S. Customs and Border Protection, Department of Homeland Security.

ACTION: Final rule; technical corrections.

SUMMARY: This document sets forth technical corrections to part 102 of the U.S. Customs and Border Protection (CBP) regulations to reflect recent changes in the Harmonized Tariff Schedule of the United States. The affected provisions in part 102 of title 19 of the Code of Federal Regulations which are based in part on specified changes in tariff classification, comprise a codified system used for determining the country of origin of goods imported

under the North American Free Trade Agreement (NAFTA), determining whether an imported good is a new or different article of commerce under the United States-Morocco Free Trade Agreement and the United States-Bahrain Free Trade Agreement, and for the country of origin of textile and apparel products (other than those of Israel).

DATES: This final rule is effective on September 25, 2012.

FOR FURTHER INFORMATION CONTACT: Tamar Anolic, Tariff Classification and Marking Branch, Regulations and Rulings, Office of International Trade, (202) 325-0036.

SUPPLEMENTARY INFORMATION:

Background

Section 102.20 of Title 19 of the CBP regulations (19 CFR 102.20) prescribes the tariff shift rules that are used to determine whether a good is considered a good of a NAFTA country (United States, Canada or Mexico). These tariff shift rules also determine whether an imported good is a new or different article of commerce under the United

States-Morocco Free Trade Agreement and the United States-Bahrain Free Trade Agreement. Section 102.21 provides the rules of origin relating to trade in textile and apparel products, other than those that are products of Israel.

Need for Correction

Pursuant to section 1205 of the Omnibus Trade and Competitiveness Act of 1988 (codified at 19 U.S.C. 3005), the International Trade Commission (ITC) is required to keep the Harmonized Tariff Schedule of the United States (HTSUS) under continuous review and prepare investigations proposing modifications to the HTSUS to the President. In February 2010, the ITC issued Investigation No. 1205–7, Proposed Modifications to the Harmonized Tariff Schedule of the United States, Publication No. 8771. The modifications proposed in the report were effective on February 3, 2012, pursuant to Presidential Proclamation 8771 which was published in the **Federal Register** on January 4, 2012 (77 FR 413).

As a result of the 2012 modifications to the HTSUS, certain tariff provisions have been added or removed, and certain goods have been transferred, for tariff classification purposes, to different or newly-created tariff provisions. The changes to the HTSUS involve product coverage and/or numbering of certain headings and subheadings and are not intended to have any other substantive effect. Accordingly, this document makes technical corrections to §§ 102.20 and 102.21 in order for the regulations to conform the tariff shift rules to the current version of the HTSUS. In addition, this document also corrects typographical errors in certain subheadings of Chapter 90 that occurred when the regulations were updated for the 2007 HTSUS.

The examples set forth below illustrate the need for the technical corrections to §§ 102.20 and 102.21 described above.

Example 1: Pursuant to the existing terms of § 102.20(o), the tariff shift rule for subheading 8479.90, HTSUS, permits a tariff shift “to subheading 8479.90 from any other heading, except from heading 8501 when resulting from a simple assembly.” Prior to the 2012 amendments to the HTSUS, parts of water-jet cutting machines were classified in subheading 8479.90, HTSUS, and therefore was subject to the above tariff shift rule. This rule was satisfied when any good classified outside heading 8479, except goods classified in heading 8501, HTSUS, that resulted from a simple assembly, were processed into parts of water-jet cutting machines of subheading 8479.90, HTSUS. Under the 2012 amendments to the HTSUS, however, parts of

water-jet cutting machines moved from subheading 8479.90, HTSUS, to heading 8466, HTSUS, a different heading. As a result, parts of water-jet cutting machines (now classified in heading 8466, HTSUS) would presently satisfy the tariff shift rule set forth above, when it would not have satisfied it in its prior classification. In order to maintain the original result of the tariff shift rule for 8479.90, HTSUS, the tariff shift rule in § 102.20(o) must be amended to provide for “A change to subheading 8479.90 from any other heading, except from heading 8501 when resulting from a simple assembly and except from parts of water-jet cutting machines of heading 8466.”

Example 2: Under the 2012 amendments to the HTSUS, a heading was created at 3826, HTSUS, to provide for “biodiesel and mixtures thereof, not containing or containing less than 70% by weight of petroleum oils or oils obtained from bituminous minerals.” Prior to the 2012 amendments, these products were classified in the basket “other” provision under subheading 3824.90, HTSUS. As new heading 3826, HTSUS, is not included in the rules set forth in § 102.20(f), it is not possible to determine the origin of goods classifiable under this provision using the current regulations. Accordingly, § 102.20(f) must be amended in order to add heading 3826, HTSUS, and a new tariff shift rule added; furthermore, the tariff shift rule for subheading 3824.90 must be updated to reflect the shift in goods to the new heading 3826, HTSUS. It should be noted that these technical corrections to § 102.20(f) will produce the same result as when biodiesel and mixtures thereof, not containing or containing less than 70% by weight of petroleum oils or oils obtained from bituminous minerals were classified under subheading 3824.90, HTSUS, in the 2011 HTSUS.

Example 3: Under current § 102.20(d), there is a rule for subheadings 2009.41 through 2009.80, HTSUS. Under the 2012 amendments to the HTSUS, subheading 2009.80, HTSUS, which covers “Juice of any other single fruit or vegetable,” was deleted, with the goods moving to subheadings 2009.81 and 2009.89. As a result, the tariff shift rule for heading 2009.41–2009.80, HTSUS, has been renumbered to reflect that subheading 2009.80, HTSUS, was deleted, and reflect the new range of tariff subheadings. Thus the new rules provides for “A change to subheading 2009.41 through 2009.89 from any other chapter.”

Example 4: Under current § 102.20(d), there is a rule for subheadings 9031.41 through 9031.49, HTSUS. When this rule was updated in 2008 following changes to the 2007 HTSUS, it included references to subheadings 9030.41 through 9030.49, HTSUS, which are incorrect because no such subheadings exists in the tariff schedule. As a result, the 2012 technical update corrects the rule for subheadings 9031.41 through 9031.49, HTSUS. Please note that this change to subheading numbers is being made solely to correct typographical errors and does not reflect any updates to the 2012 HTSUS.

Inapplicability of Notice and Delayed Effective Date

Pursuant to 5 U.S.C. 553(b)(B) and (d)(3), CBP has determined that it would be impracticable and contrary to the public interest to delay publication of this rule in final form pending an opportunity for public comment and that there is good cause for this final rule to become effective immediately upon publication. The technical corrections contained in this document merely conform the tariff shift rules in the regulations to the current HTSUS and will facilitate trade by ensuring that country of origin determinations made using the regulations are consistent with the HTSUS.

Regulatory Flexibility Act

Because this document is not subject to the notice and public procedure requirements of 5 U.S.C. 553, it is not subject to the provisions of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*).

Executive Order 12866

These amendments do not meet the criteria for a “significant regulatory action” as specified in Executive Order 12866.

Signing Authority

While the subject matter of this document pertains to the authority of the Secretary of the Treasury to approve regulations relating to certain revenue functions (see 19 CFR Part 0), CBP retains authority pursuant to Treasury Directive 28–01 to sign a document making nonsubstantive technical corrections to a previously issued regulation. For this reason, the CBP Commissioner is the proper official to sign this document.

Appeal Proceedings Before the Commission

AGENCY: National Indian Gaming Commission, Interior.
ACTION: Final rule.

SUMMARY: The National Indian Gaming Commission (NIGC or Commission) promulgates this final rule to enhance and clarify appeal proceedings before the Commission. This final rule removes three parts concerning appeals, and adds a new subchapter concerning appeal proceedings before the Commission.

This final rule has six parts. First, the *Rules of General Application in Appeal Proceedings Before the Commission* define certain terms, set forth the burden of proof and standard of review, explain the content of a Commission decision, uniformly provide for resolution of an appeal if the Commission does not issue a majority decision, and clarify that an appeal of the Chair's decision for matters other than disapproval of a gaming ordinance does not stay the effect of that decision. Next, the regulations set forth rules for motion practice in appeals before the Commission. This part addresses: How an entity other than a tribe can request to participate on a limited basis in ordinance appeals; how parties file motions to intervene, to supplement the

record, and for reconsideration; and how parties file motions before the presiding official. Following these two general parts, the regulations set forth more specific rules for the different types of appeals. Rules for appeals of ordinance disapprovals, management contract approvals and disapprovals, appeals before a presiding official, and appeals before the Commission on written submission only, each have their own unique appellate procedures.

DATES: *Effective Date:* These rules are effective October 25, 2012. *Applicability Date:* These rules apply to all Notices of Appeal filed after October 25, 2012.

SUPPLEMENTARY INFORMATION:

I. Background

The Indian Gaming Regulatory Act (IGRA or Act), Public Law 100-497, 25 U.S.C. 2701 *et seq.*, was signed into law on October 17, 1988. The Act established the Commission and set out a comprehensive framework for the regulation of gaming on Indian lands.

The Act gives the Chair the "authority to levy and collect appropriate civil fines, not to exceed \$ 25,000 per violation, against the tribal operator of an Indian game or a management contractor engaged in gaming for any violation of any provision of [the Act], any regulation prescribed by the Commission pursuant to [the Act], or tribal regulations, ordinances, or resolutions approved under [the Act]." 25 U.S.C. 2713(a). In addition, IGRA requires that the Commission, by regulation, provide an opportunity for an appeal and a hearing before the Commission on fines levied by the Chair. 25 U.S.C. 2713(a)(2). Tribes and management contractors also have a right to a hearing before the Commission to determine whether a temporary closure order issued by the Chair should

be made permanent or dissolved. 25 U.S.C. 2713(b).

Rules for appeal proceedings before the Commission were previously found in three separate parts of this chapter: part 524 governing appeals of ordinance disapprovals; part 539 governing appeals of management contract approvals or disapprovals; and part 577 governing appeals of enforcement actions and actions to void an approved management contract. The purposes of this new subchapter are to consolidate all appellate procedures in one place for clarity and efficiency, and to improve the overall appellate process.

II. Previous Rulemaking Activity

On November 18, 2010, the National Indian Gaming Commission (NIGC or Commission) issued a Notice of Inquiry and Notice of Consultation advising the public that the NIGC was conducting a comprehensive review of its regulations and requesting public comment on which of its regulations were most in need of revision, in what order the Commission should review its regulations, and the process that the NIGC should utilize to make revisions. 75 FR 70680, Nov. 18, 2012. On April 4, 2011, after holding eight consultations and reviewing all comments, the NIGC published a Notice of Regulatory Review Schedule setting out a consultation schedule and process for review. 76 FR 18457, April 4, 2011. Part 519 (Service), part 524 (Appeals), part 539 (Appeals), and part 577 (Appeals before the Commission) were included in this regulatory review. The Commission will address changes to part 519 (Service) in a separate rulemaking action because part 519 sets forth rules for service of actions and decisions by the Chair and therefore does not implicate the appellate review process.

The Commission conducted additional consultations in conjunction with its review of these parts. Tribal consultations were held in every region of the country and were attended by
