Title: Arrival and Departure Record, Nonimmigrant Visa Waiver Arrival/Departure, and Electronic System for Travel Authorization (ESTA).

OMB Number: 1651-0111.

Form Numbers: I-94 and I-94W.

Abstract:

Background

CBP Forms I-94 (Arrival/Departure Record) and I-94W (Nonimmigrant Visa Waiver Arrival/Departure Record) are used to document a traveler's admission into the United States. These forms are filled out by aliens and are used to collect information on citizenship, residency, passport, and contact information. The data elements collected on these forms enable the DHS to perform its mission related to the screening of alien visitors for potential risks to national security, and the determination of admissibility to the

United States. The Electronic System for Travel Authorization (ESTA) applies to aliens traveling to the United States under the Visa Waiver Program (VWP) and requires that VWP travelers provide information electronically to CBP before embarking on travel to the United States. Travelers who are entering under the VWP in the air or sea environment, and who have a travel authorization obtained through ESTA, are not required to complete the paper Form I-94W.

Pursuant to an interim final rule published on March 27, 2013 in the **Federal Register** (78 FR 18457) related to Form I-94, CBP has partially automated the Form I-94 process. CBP now gathers data previously collected on the paper Form I-94 from existing automated sources in lieu of requiring passengers arriving by air or sea to submit a paper I-94 upon arrival. Passengers can access and print their electronic I-94 via the Web site at www.cbp.gov/i94.

ESTA can be accessed at: <https://esta.cbp.dhs.gov>. Samples of CBP Forms

I-94 and I-94W can be viewed at: <http://www.cbp.gov/document/forms/form-i-94-arrivaldeparture-record> and <http://www.cbp.gov/document/forms/form-i-94w-visa-waiver-arrivaldeparture-record>.

Recent and Proposed Changes

In response to the increasing concerns regarding national security, DHS used the emergency Paperwork Reduction Act process to strengthen the security of the VWP by adding data elements to ESTA and to Form I-94W. DHS determined that the addition of these new data elements improves the Department's ability to screen prospective VWP travelers while more accurately and effectively identifying those who pose a security risk to the United States and facilitates adjudication of ESTA applications.

The following data elements are either new elements that were approved in the emergency PRA submission or data elements that were collected previously that were changed from "optional" to "mandatory" on the ESTA application:

1. Other Names or Aliases	Mandatory.
2. Other Country of Citizenship	Mandatory.
3. If yes, passport number on additional citizenship passport	Optional.
4. Home Address	Mandatory.
5. Parents' Names	Mandatory.
6. Current or Previous Job Title	Optional.
7. Current or Previous Employer Name	Mandatory.
8. Current or Previous Employer Address	Mandatory.
9. Current or Previous Employer Telephone number	Optional.
10. Primary Email	Mandatory—was optional.
11. Primary Telephone Number	Mandatory—was optional.
12. U.S. Point of Contact Name	Mandatory.
13. U.S. Point of Contact Address	Mandatory.
14. U.S. Point of Contact Email	Mandatory.
15. U.S. Point of Contact Phone	Mandatory.
16. City of Birth	Mandatory.
17. National Identification Number	Mandatory.
18. Emergency Point of Contact Information Name	Mandatory.
19. Emergency Point of Contact Information Email	Mandatory.
20. Emergency Point of Contact Information Phone	Mandatory.
22. Do you have a current or previous employer?	Mandatory.
21. Is your travel to the U.S. occurring in transit to another country?	Mandatory.

For the following "mandatory" fields ESTA applicants are permitted to enter "unknown," if they do not have or know the information, without impeding the submission of their ESTA application: City of Birth, Parents' Names, National Identification Number, Emergency Contact Information, U.S. Point of Contact information, and Employer Address.

In accordance with guidance from the Centers for Disease Control and Prevention, CBP also proposes to revise the current question about diseases on ESTA and on Form I-94W as follows:

Currently approved question:

Do you have a physical or mental disorder; or are you a drug abuser or addict; or currently have any of the following diseases:

- Chancroid
- Gonorrhea
- Granuloma inguinale
- Leprosy, infectious
- Lymphogranuloma venereum
- Syphilis, infectious
- Active Tuberculosis

Proposed new question:

Do you have a physical or mental disorder; or are you a drug abuser or addict; or do you currently have any of the following diseases (communicable diseases are specified pursuant to

section 361(b) of the Public Health Service Act):

- Cholera
- Diphtheria
- Tuberculosis, infectious
- Plague
- Smallpox
- Yellow Fever
- Viral Hemorrhagic Fevers, including Ebola, Lassa, Marburg, Crimean-Congo
- Severe acute respiratory illnesses capable of transmission to other persons and likely to cause mortality.

Current Actions: This submission is being made to extend the expiration date with a change to the burden hours

based on updated estimates of the numbers of respondents. Specifically, the number of respondents for the I-94 Web site was decreased by 1,188,899 from 5,047,681 to 3,858,782; the number of respondents for the ESTA burden was increased by 920,000 from 22,090,000 to 23,010,000; and the number of respondents paying the ESTA fee was increased by 747,000 from 18,183,000 to 18,930,000.

There is also a proposed change to the question about diseases on ESTA and on Form I-94W as described in the Abstract section of this document. There are no changes to the information collected on Form I-94, or the I-94 Web site.
