SUPPLEMENTARY INFORMATION:

Background

Section 641 of the Tariff Act of 1930, as amended (19 U.S.C. 1641), provides that a person (an individual, corporation, association, or partnership) must hold a valid customs broker's license and permit in order to transact customs business on behalf of others, sets forth standards for the issuance of broker's licenses and permits, and provides for the taking of disciplinary action against brokers that have engaged in specified types of infractions. This section also provides that an examination may be conducted to assess an applicant's qualifications for a license.

The regulations issued under the authority of section 641 are set forth in Title 19 of the Code of Federal Regulations, part 111 (19 CFR 111). Part 111 sets forth the regulations regarding the licensing of, and granting of permits to, persons desiring to transact customs business as customs brokers. These regulations also include the qualifications required of applicants and the procedures for applying for licenses

and permits. Section 111.11 of the CBP Regulations (19 CFR 111.11) sets forth the basic requirements for a broker's license and in paragraph (a)(4) of that section provides that an applicant for an individual broker's license must attain a passing grade (75 percent or higher) on a written examination.

Section 111.13 of the CBP Regulations (19 CFR 111.13) sets forth the requirements and procedures for the written examination for an individual broker's license and states that written customs broker license examinations will be given on the first Monday in April and October unless the regularly scheduled examination date conflicts with a national holiday, religious observance, or other foreseeable event.

To avoid concerns related to the commencement of the federal government's 2018 fiscal year, CBP has decided to change the regularly scheduled date of the examination. This document announces that CBP has scheduled the October 2017 customs broker's license examination for Wednesday, October 25, 2017.

Dated: June 7, 2017.

Executive Assistant Commissioner, Office of Trade, U.S. Customs and Border Protection.

DEPARTMENT OF HOMELAND SECURITY

Office of the Secretary

[Docket No. DHS-2017-0019]

Privacy Act of 1974; System of Records

AGENCY: Privacy Office, Department of Homeland Security.

ACTION: Notice of modified Privacy Act System of Records.

SUMMARY: In accordance with the Privacy Act of 1974, the Department of Homeland Security proposes to modify and reissue a current Department of Homeland Security system of records titled, "Department of Homeland Security/ALL-025 Law Enforcement Authority in Support of the Protection of Property Owned, Occupied, or Secured by the Department of Homeland Security System of Records." This system of records allows the Department of Homeland Security to collect and maintain records on the results of law enforcement activities in support of the protection of property owned, occupied, or secured by the Department of Homeland Security and its Components, including the Federal

Protective Service, and individuals maintaining a presence or access to such property. The Department of Homeland Security is updating this system of records notice to, among other things, (1) modify the category of individuals, (2) modify the category of records, (3) modify two existing routine uses, and (4) add a new routine use. The Department of Homeland Security is also issuing a Notice of Proposed Rulemaking to add a new exemption from certain provisions of the Privacy Act, elsewhere in the **Federal Register**. This new exemption is needed to protect information relating to DHS activities from disclosure to subjects or others related to these activities. Specifically, the additional exemptions are required to preclude subjects of these activities from frustrating ongoing operations; to avoid disclosure of activity techniques; to protect the identities and physical safety of confidential informants and law enforcement personnel; to ensure DHS's ability to obtain information from third parties and other sources; to protect the privacy of third parties; and to safeguard classified information. Disclosure of information to the subject of the inquiry could also permit the subject to avoid detection or apprehension. The existing Privacy Act exemptions for this system of records continue to apply to it. Additionally, this notice includes non-substantive changes to simplify the formatting and text of the previously published notice.

This system of records notice does not apply to the facilities and perimeters secured by the U.S. Secret Service. Records pertaining to perimeters and facilities secured by the U.S. Secret Service, other than those records subject to the Presidential Records Act, are covered under Department of Homeland Security/U.S. Secret Service-004 Protection Information System of Records, 76 FR 66940, October 28, 2011.

This modified system will be included in the Department of Homeland Security's inventory of record systems.
