

## *Kitchens, Bathrooms & Appliances*

### **Refrigerator Cleaning**

Remove all items from inside the fridge, clean trays, shelves, interior walls & bins and replace items.

### **Freezer Cleaning**

Clean out interior of freezer and wipe down exterior. Freezer must be empty & defrosted ahead of time. Please leave a note if you'd like the team to replace frozen items.

### **Oven Cleaning**

Clean out interior spills and debris from oven using chemical cleaning process. Please specify whether the oven is a traditional or self cleaning oven and we will bring the appropriate cleaning solutions.\*

### **Oven Finishing**

Clean out residue after self cleaning oven cycle has been run. Oven must be cool.

### **Under Stove-Top Cleaning**

Remove drip pans and/or stove top and clean out area beneath.

### **Appliance Polishing**

Shine stainless steel appliances using a mineral oil based solution for a gloss finish. Note: our standard service includes cleaning of kitchen appliance exteriors to a matt finish.\*

### **Silver Polishing**

Remove tarnish from silver salvers, bowls, coffee/tea pots, and other pieces. Also includes silverware cleaning. Pieces may be sterling silver or plate.\*

### **Cabinet Cleaning**

Clean exterior of cabinets including fronts, side and tops. Remove items from interior, wipe out shelves and drawers, and replace items. Note: cabinets must be reachable with a 2-step stool.

### **Sanitize Bins**

Wipe out trash bins & sanitize interior. Note: our standard service includes trash removal.

### **Washer/Dryer Package**

Clean interior of washer drum and soap dispensers. Clean interior of dryer and vacuum out lint traps. Clean exterior finished surfaces.

## *Throughout the home*

### **Disinfect Touch Points**

Following cleaning, apply sanitizer to all door handles & light switches. Useful in the cold & flu season when kids are present.

### **Woodwork Treatment**

Hand polish furniture or wooden cabinetry. Please advise current wood finish when booking.\*

### **Upholstery Vacuuming**

Remove loose cushions and vacuum upholstery fabric or covers using a special attachment. Note: our standard service includes upholstery treatment in one room and pet owners may need additional areas.

### **Baseboard Detailing**

Clean baseboards by hand to remove dust & other build up. Please specify rooms to be detailed when booking.

### **Spot Clean Walls**

Remove scuffs and other surface marks from painted walls. Excludes smoke damage. Restoration results will vary and flat paint may show residual marks.

### **Fireplace Clean Out**

Remove ash, charcoal and small pieces from wood fireplaces and stoves using a specially designed vacuum. Ashes must be cool.

### **Carpet Cleaning**

Steam clean fitted carpet, including pre-spotting and moving of furniture. Rug cleaning also available. Service delivered by partner company.\*

### **Sparkle Light Fixtures**

Take down and clean glass globes around light fixtures. For chandeliers please see below.

### **Window & Chandelier Cleaning**

Clean window exteriors and/or interiors, screens, and storm windows. Chandelier, skylight, well and jalousie window cleaning also available. Service delivered by partner company.\*

### **Patio Furniture Cleaning**

Clean chairs, chaise and tables of patio furniture (weather permitting). Includes finished wood, plastic or metal but excludes unsealed wood.
