

## CONTINGENCY AWARDS: RULES AND POLICIES

Per the NHRA Rulebook, all competitors have the opportunity to participate in NHRA's contingency programs. Programs administered from NHRA headquarters are advertised in National Dragster and on nhracer.com for all national, divisional and E.T. championship events.

To be eligible for sponsor awards and payouts, competitors must use the posted product and display the approved sponsor decals on both outer sides of the race vehicle.

Some sponsors have additional requirements which can be found at this link:

<http://www.nhra.com/competition/contingency?con=ReqContingency>

Competitors must adhere to the specific decal-display requirements as follows:

1. Decal must be exact size and design of company's contingency decal (36-square-inch maximum).
2. One decal required for each product posting, prominently positioned on outer surfaces, clearly visible on both sides of vehicle from a 90-degree angle, beginning with the first round of eliminations.
3. Decals placed on vehicles once eliminations have begun will not be granted verification.
4. Decal stacking is not permitted. A separate decal for each posting is required.
5. Decals placed on the inside of spoiler/wing spill plates are not eligible for contingency verification.
6. Decals placed on front or rear valance/bumpers are not eligible for contingency verification.
7. Exact facsimile of sponsor's contingency decal (size, color, design) required if painted-on version is used (contact sponsor).
8. For each category posting, only one decal is permitted. Decals from competing companies for the same product will void all claims for the product category.
9. Knowingly claiming a product(s) not in use or functioning in the intended manner on the vehicle for which the claim was made is a fraudulent claim and will be denied.

Claims that do not comply with all contingency program requirements are subject to disciplinary action in the sole and absolute discretion of NHRA. Penalties may include but are not limited to loss of claim, loss of all claims for an event and or being suspended from the contingency program

Decals are available from the product manufacturer. Some decals may be available from the Tech/Registration trailer at divisional events. Eliminator winners, runner ups, and class winners must submit to a product and decal verification in the manner required by NHRA's Technical staff in its sole and absolute discretion.
