Cutting Instructions

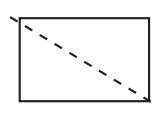

Storm at Sea is made up of three different blocks, but it is the fabric placement that creates the design. As you cut your fabrics, label them by fabric letter. As you assemble the blocks and the quilt top, double check the fabric placement for each block.

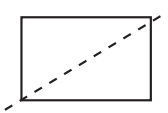

4" x 4" and 7" x 7" squares cut **once** on diagonal.

4" x 4" and 7" x 7" squares cut **twice** on diagonal.

3-1/2" x 7" rectangle cut once on diagonal. (half will be cut in the opposite direction).

Fabric A and I

- Fussycut six squares 5-1/2 x 5-1/2".

Fabric B and C

- Fussycut four squares 5-1/2 x 5-1/2".

Fabric D

- Cut one strip 10-1/2" x WOF, then subcut four rectangles 5-1/2" x 10-1/2".

Fabric E

- Cut three strips 10-1/2" x WOF, then subcut sixteen rectangles 5-1/2" x 10-1/2".

Fabric F

- Cut four strips 10-1/2" x WOF, then subcut twenty-five rectangles 5-1/2" x 10-1/2".

Fabric G

- Cut fifteen squares 3" x 3".

Fabric H

- Cut five squares 3" x 3".

Fabric J

- Cut two strips 5-1/2" x WOF.
- Cut four rectangles 5-1/2" x 10-1/2" from the lightest sections of the fabric.
- Cut ten squares 3" x 3" (five medium and five from the darkest area of the fabric.)

Fabric K and L

- Cut six squares 7" x 7".
Cut once on the diagonal.

Fabric M and N

- Cut three strips 7" x WOF, then subcut fourteen squares 7" x 7".

- eighty-two rectangles 3-1/2" x 7".
Cut forty-one on the diagonal and forty-one on the opposite diagonal.
- sixteen squares 7" x 7".
Cut twice on the diagonal.

Fabric T

- Cut ten squares 4" x 4".

Notes Before You Begin

- Please read through all of the instructions before beginning.
- All of the seam allowances are 1/4" unless otherwise noted.
- Width of fabric (WOF) is equal to at least 42" wide.
- Press all seam allowances open after each seam is sewn, unless otherwise noted.
- Remember to measure twice and cut once!

Printing the Templates:

- Print forty-nine copies of Template 1 on page 9 at 100%.

Assembly Instructions

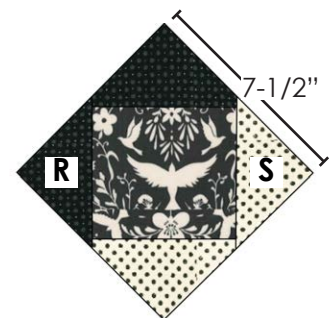

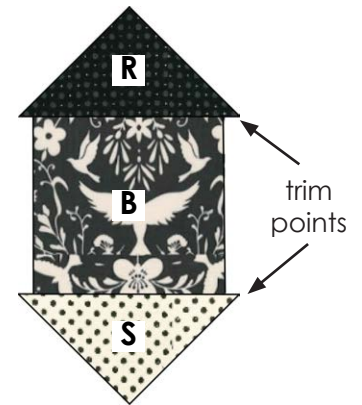

Step 1: Make the Large Economy Blocks

- Sew a Fabric R 7" triangle to the top of a Fabric B square.
- Sew a Fabric S 7" triangle to the bottom of the Fabric B Square.
- Trim points to true up the sides.

Tip: Fold the pieces in half to find their centers, then match them up before sewing. This will assure that the point of the triangles are centered in the block.

- Sew a Fabric R 7" triangle to the left side of the Fabric B square.
- Sew a Fabric S 7" triangle to the right side of the Fabric B square.
- Trim edges so you have 1/4" of seam allowance past each Fabric B corner. Block will measure 7-1/2" x 7-1/2".

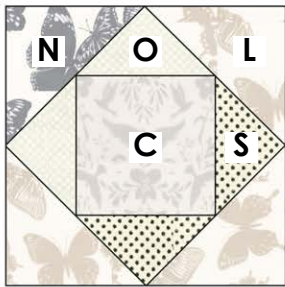

- Sew a Fabric K triangle to the upper right and lower left sides of the block. Trim points.

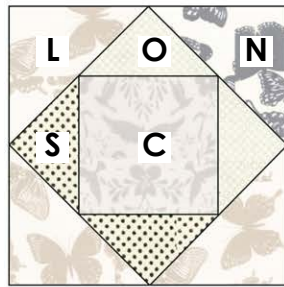

- Sew a Fabric K triangle to the lower right side of the block.
- Sew a Fabric M triangle to the upper left side of the block.
- Trim edges so you have 1/4" of seam allowance past each Fabric R and S point. Block will measure 10-1/2" x 10-1/2".

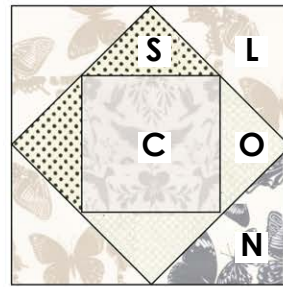

Follow the diagram below to make the number of blocks indicated.
 You will be using 5-1/2" squares for the center paired with the 7" triangles.
 Pay close attention to the fabric placement and label the blocks by number.

Step 3: Paper-piece the Diamond Blocks

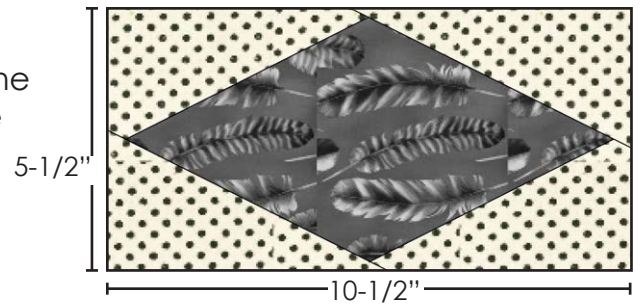

- Place a Fabric F rectangle right side up on the unprinted side of Template 1. Pin or use a dab of glue stick to affix the fabric to the paper.
- Place a Fabric S triangle right sides together on the Fabric F rectangle. The long edge of the triangle will be 1/4" over the line between section 1 and 2. Pin.
- Repeat with a Fabric S triangle pinned 1/4" over the line between section 1 and 3.
- Sew along the lines using a small stitch length.
- Trim the seam allowances to 1/4" and press flat.

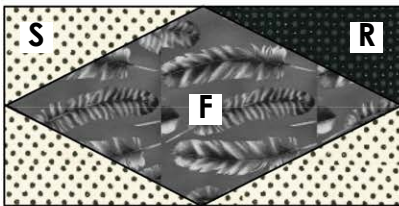

- Repeat to sew a Fabric S triangle to section 4 and 5. Trim seam allowances and press flat.

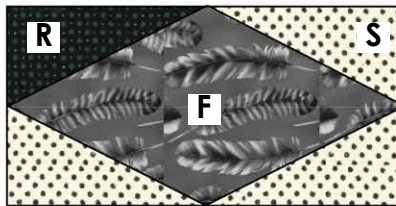

- Trim outer edge of block along seam allowance line and gently remove the papers. Block will measure 5-1/2" x 10-1/2"

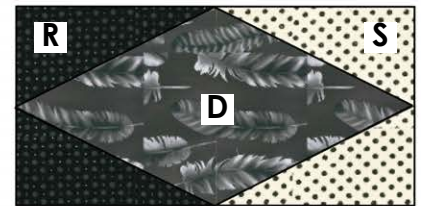

Follow the diagram below to make the number of Diamond Blocks indicated. Pay close attention to the fabric placement and label the blocks by number.
