# WORLD JUDO CHAMPIONSHIPS SENIORS 2018 Individual and Mixed Teams - Baku, Azerbaijan

 @MariusVizer

Dear ladies and gentlemen, it is a pleasure to welcome the judo family to Azerbaijan for the World Judo Championships 2018.

The World Championships is an eight-day long festival of judo as the blue ribbon event of the IJF World Judo Tour.

I thank the Azerbaijan Judo Federation and its President Rovnag ABDULLAYEV for his support of the IJF's most important competition.

It is a pleasure for the IJF to stage the Worlds in Azerbaijan for the first time. The host city of Baku has staged an IJF World Judo Tour event annually since 2011 and attracts many leading sports and multi-national organisations to the land of fire.

We are confident of a fantastic competition and I wish good luck to the organisers, judoka, coaches, media, volunteers and everyone present at #JudoWorlds2018

**Marius L. VIZER**  
President  
International Judo Federation

Dear Guests! Dear friends!

On behalf of the Azerbaijan Judo Federation, I would like to welcome each of you at the World Judo Championship 2018 held in Baku - the capital of our country and wish you all success at the competitions.

Azerbaijan is a unique country, blending the fascinating nature with a symbiosis of different ancient cultures. I believe that this visit will give you an opportunity to get acquainted with our country, to learn rich traditions of our nation, as well as to witness the social economic growth of Azerbaijan.

The state support for physical culture and sports in Azerbaijan is growing steadily; great and big projects as the construction of new sports complexes, including the development of sports infrastructure are implemented. Thanks to directed state policy in this area, Azerbaijan has become one of the most popular sports countries in Europe and in the world, gained the confidence of international organizations and hosted the series of prestigious events at a high level. The First European Games in 2015, IV Islamic Solidarity Games in 2017, as well as European and World championships in several sports disciplines hold in our country and thanks to the high-level organization, these events have gained the deep sympathy of the global sport community.

Today, for the first time, we are hosting the World Judo Championship. I express my deep gratitude to the International Judo Federation for trust. I am confident that, this grand event will further foster the promotion of judo in our country. Currently, judo is one of the popular sports disciplines in Azerbaijan and promoted across all regions of our country. Our goal is to increase the results our athletes in judo.

Of course, also the fact that the world championship held the in Baku overlaps with a start of the Olympic qualifications and provides the high license points for the XXXII Summer Olympic Games to be held in Tokyo in 2020, in turn, increase the importance and interest to this prestigious event.

I am confident that, World Judo Championship will become a sports feast for fans. Azerbaijani fans will have the chance to watch a live performance of the world's strongest judokas on the tatami. I do not have any doubt that, all the participants of the Baku World Judo Championships regardless of the results they will achieve in this great sporting event, will leave Azerbaijan with positive impressions and unforgettable memories about our country and people.

In the end, I wish all of your memorable moments, strong competition and success.

**Rovnag Abdullayev**

During the contests, the non-competing athletes must stay within a marked area on the field of play

# WORLD JUDO CHAMPIONSHIPS SENIORS 2018

## Individual and Mixed Teams - Baku, Azerbaijan

behind the coaches' chair. Reserve athletes must not enter the field of play.

Before each match the team leader must select the athletes for each contest. They have the right to replace one or several athletes by other athletes of the corresponding weight category or of the next lower category.

If the team has no athlete in a category they should select the "no competitor" option. If the team has the possibility to put an athlete in a category they must do so. An athlete cannot be rested for one match and return for the next unless they are replaced by a reserve athlete.

For the first round the lists must be returned at least 30 minutes before the start of the competition. For other rounds it must be returned 5 minutes after receiving the list from competition management. Once it is returned to competition management it cannot be changed.

Duration of each contest: women four (4) minutes and men four (4) minutes (real time).

After the team bow the byes are displayed on the scoreboard and wins are given.

Example: If blue team has one category empty: 1:0

Example: if both teams have a different category empty: 1:1

Example: if both teams have the same category empty: 0:0 (this is the only case when we stop a match when a team has reached 3 wins).

These byes are skipped later, no player needs to return to the tatami to bow again if there is no contest to be fought.

The first team reaching the majority of wins is declared the winner (this is 4 wins). The remaining contests will not be fought.

It is compulsory that all athletes listed for the match compete until the team reaches the winning result. If an athlete refuses to compete the team will be disqualified.

If one team does not arrive for a match, the other team will be declared the winner.

In case of equal wins in the end (this is 3:3) a draw is done from all categories, regardless if the team has a player or not (if both teams don't have a player in the same category, this category will be not included in the draw).

The draw is done by computer and displayed on the athlete and public (big screen) scoreboards.
