Task Force Meeting Agreements

- **Introduce yourself before you speak**, including your name and who you represent on the Task Force.
- **Refer to others by their name**, not their title. Encourage others who refer to you by a title that, in this space, you can be referred to by your name.
- **Listen with curiosity**. Seek to understand others' points of view when listening to their ideas, feedback or thoughts. Ask for clarity if you are unclear what they mean.
- **Engage in a courageous space**. Practice vulnerability, perspective taking, leaning into discomfort, asking questions and being open to respectful questioning.
- **Assume good intent and own your impact**. Assume that others are speaking and acting with good intentions to improve jail conditions. Recognize that good intentions do not always result in a positive impact and own your impact on others regardless of your intentions.
