

ANTALYA DIPLOMACY FORUM

RECODING DIPLOMACY

11-13 March 2022

Antalya/Türkiye

Who are we?

Antalya Diplomacy Forum is a high-level gathering of professionals who deal with diplomacy such as political leaders, diplomats, opinion makers or academics. It presents an excellent platform for regional and global actors from the spheres of diplomacy, policy, and business to exchange ideas and address international challenges.

Diplomacy remains the core method of communication among leaders and states. There is a whole set of other structural and systemic changes in the international environment that the diplomacy profession should respond to.

“Recoding Diplomacy”

The second edition of the Antalya Diplomacy Forum to be held under the auspices of H.E. Recep Tayyip Erdoğan, President of the Republic of Türkiye, on 11-13 March 2022, under the overarching theme of “Recoding Diplomacy”.

Diplomacy is indeed transforming. Its language and methods are changing. New fluctuations in global affairs coupled by the Covid-19 pandemic have exacerbated the need for transformation.

Humanity needs robust diplomacy to resolve conflicts and tensions, facilitate adaptation and promote cooperation. In order to stay innovative, efficient, and effective, diplomacy needs a recoding. To find effective ways to communicate national interests, diplomacy needs a renewed language, insight and impact, using innovative digital capabilities.

Keeping diplomacy fit for purpose also requires it to be attentive and adaptive to the demands of the day. The Antalya Diplomacy Forum will serve as a platform for an interactive discussion on key aspects of recoding diplomacy.

Venue

NEST CONGRESS AND EXHIBITION CENTRE

NEST Congress and Exhibition Centre is opened in the centre of Belek.

Located just 32 km from the airport and 45 km from the Antalya city centre, NEST has a total of 15,000 square metres of indoor area, spanning two levels, and 5,000 square metres of outdoor space. On the first floor, the 6,000-square metre main hall, which can be converted into five segments, has a ceiling height of 10 meters and a 1,500 square metre foyer.
