Details

Dealer Purchasing Service (PAA-DPS) is an in-house resource for dealership supplies. Orders for products may be placed online at www.paadps.com or by calling DPS customer service at 1-800-692-7295. Products are available for most areas of a dealership including New and Used Vehicle Sales, Office Management and Service Department. By leveraging the purchasing power of all Association Members, many manufacturers and vendors provide PAA-DPS with large-scale distributor pricing, keeping PAA Member pricing lower than other distributors. PAA Members in good-standing have an open account with net 30 day terms.
