Ship Reporting System for East Coast of Sabah, Sulu Archipelago and West Coast of Mindanao - Transit Corridors.

The three signatories of the Trilateral Cooperative Arrangement (TCA), Indonesia, Malaysia and The Philippines have agreed to the establishment of Transit Corridors within the Area of Maritime Interest (AMI), which covers the Common Maritime Areas. The Transit Corridors serve as safety areas which are patrolled by the three countries to allow safe passage of commercial traffic.

1. Reporting requirements 24 Hours prior to arrival

All vessels are required to send a report to the National Coast Watch Centre (NCWC), Littoral Monitoring Station (LMS) Bongao, Coast Guard Action Centre (CGAC), Naval Operation Centre (NOC), MCC Malaysia and MCC Indonesia at least 24 hours before arrival at the designated maritime areas of common concern with complete ship's routing information.
