with Automatic Payments

An easy way to pay your premium.

With automatic payments, you don't have to worry about remembering to pay your HMSA premium. We'll work with your bank or other financial institution to transfer your payments to HMSA.

How do I sign up for automatic payments?

Complete the form on the back of this flyer and attach a voided check or savings account statement. Include the account holder's name and account number.

Mail the completed form to:

HMSA
Attn: Cashiers
P.O. Box 4720
Honolulu, HI 96812-4720

You can also sign up for automatic payments at My Account on hmsa.com. Click Member Login then Profile and select Pay My Bill.

Not registered for My Account? On hmsa.com, click Member Login. Click Register and follow the instructions.

After I submit my completed form, when will automatic payments start?

The automatic payment service will take about 30 days to process. We'll continue to bill you until we send you confirmation that your automatic payments have been set up.

What if my premium changes?

We'll let you know in advance if we need to change the amount deducted from your account.

How do I track my automatic payments?

Your bank statement will show the HMSA deductions that will be made on the bill's due date or the following business day if the due date is on a weekend or holiday.

Do I need separate authorization forms for my spouse and dependent if they're enrolled in separate individual plans?

Yes, you need to complete authorization forms for each HMSA subscriber.

How do I cancel automatic payments?

Send us a written request to cancel this service. Allow 30 days for the cancellation to take effect.

If I enroll in a rider such as HMSA's Dental Plus Plan, will I have to complete another authorization form to set up automatic payments for that plan?

Yes. Since that plan is billed separately from the medical plan, you'll have to complete a separate authorization form.

Who do I call if I have questions?

Call us at (808) 948-6140 or 1 (800) 782-4672. We'll be happy to help you.
