

FAMILY ACTIVITIES

From the fun and interactive displays at the kid-friendly educational center at Mount Vernon to seeing the fastest jet in the world at the Air and Space Museum to Wolf Trap's outdoor theatre built JUST for kids, the kids won't be the only ones saying "Best Trip Ever!" Fairfax County offers many, many family-friendly and memorable things to do.

JUST A FEW FAMILY-FRIENDLY HIGHLIGHTS:

- The Hands-on-History room at George Washington's Mount Vernon where young ones can dress up in period clothes and play typical 18th century games.
- For the young and young-at-heart, take on the adventure of rope-climbing and zip-lining at Go Ape! Zip Line & Treetop Adventure or Adventure Links rope-climbing course.
- Each spring, meet other "young families" of goats, pigs, and chicks at Frying Pan Farm Park or Roer's Zoofari.
- Sports enthusiasts will love the many bowling alleys, mini-golf, and waterparks in the area.
- Future aviators, and everyone else for that matter, can "take off" in the flight simulators at the National Air and Space Museum Steven F. Udvar-Hazy Center.
