The Honorable Kay Granger

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the City of Dunedin Douglas Avenue and Scotland Street Public Parking Garage in fiscal year 2023. The entity to receive funding for the project is the City of Dunedin, located at 542 Main Street, Dunedin, FL 34698.

The funding would be used to construct a parking garage in downtown Dunedin. Parking in the City of Dunedin remains one of the largest issues and primary concerns of residents, visitors, and business owners. The benefits will be seen across all sectors, including businesses, tourism, and residential. The garage will also enable users of the Pinellas trail to have a place to store their bikes while they access shops and travel downtown by foot. The economic development by providing easy access and parking to downtown visitors is immeasurable.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Member of Congress
