BEST OF NEVADA COUNTY 2023

DORA SCOTT
Special Sections Manager

WELCOME TO THE BEST OF NEVADA COUNTY!

Twenty-five years ago, *The Union* started this contest to highlight our community's favorite people, places, and businesses. At the time, we had no idea how popular the contest would become and that it would last for 25 years and only gain in popularity! A testament to that is how many of you took the time to vote. Though this year marked several changes to the Best of voting process, just under 9,500 people turned out to vote—almost a thousand more than the previous year! We thank you for your participation because that is what makes this a highly sought-after honor by local businesses and a true accounting of our community's favorites.

Every year we are humbled by the passion that our readers have for their choices of businesses, people, places, and events, and undertake the responsibility of sharing YOUR "best of" picks with great pride. We go to great lengths to ensure that your votes are counted fairly; taking days to eliminate fraudulent votes. Voting integrity is very important to us, on whatever level voting occurs. There were some upsets this year; with some new favorites emerging. Congratulations to all of the new winners!

This year, we have added a few new subcategories to the ballot: your favorite place to take out-of-town guests and the best place to watch the game. So be sure to refer to the winners and runner ups of these new categories when in search of your next local adventure or when you want

to cheer on your favorite team.

Alongside this publication, the Best of online directory is on *The Union's* website and will remain up throughout the year. So next time you are curious about the best local businesses but don't have a print magazine on hand, go to "Best of 2023" on theunion.com.

We would like to thank our readers, winners, runner ups, other contenders, and advertisers for making the Best of Nevada County possible for the past twenty-five years. This is our most popular publication and it would not be possible without all of you helping to make it happen.

On the cover and throughout the publication, you may notice some familiar characters by *The Union's* cartoonist, R.L. Crabb. Crabb has worked with our newspaper since 1994, and recently celebrated his own career anniversary, "40 Years of Ink." Thank you Crabb for your years of dedication to local news, providing it in an engaging and hilarious medium that our readership loves.

We hope you enjoy this year's Best of Nevada County, and that you continue to enjoy the true gold that Nevada County has to offer.

You voted, and now it's time to see who won!

And the winners are...

Thank you, Nevada County!

CITIZEN OF THE YEAR WINNER

JERRY WEIDLER

Jerry Weidler is the living embodiment of the Nevada County Sheriff's Search and Rescue (NCSSAR) Team motto, "24/7/365... so that others may live."

In 2023 alone, Jerry committed more than 1,848 hours of volunteer time to NCSSAR and responded to 94 search and rescue incidents. During the past 5 years, Jerry has committed more than 7,800 volunteer hours and responded to 368 search and rescue incidents.

Jerry Weidler's service to Nevada County began at the age of 12 when, as an Explorer Scout, he began volunteering for the Sheriff's Office. Three years later, at 15, Jerry joined NCSSAR, and he has been an active member of the team ever since. Jerry currently serves as unit leader of NCSSAR, and under his leadership, the team has come to be widely regarded as one of the premier search and rescue teams in California.

Nevada County Sheriff's Search & Rescue, Inc. is a 501(c)(3) non-profit organization comprising more than 100 volunteer members who support the Sheriff's Office by providing aid to individuals who are lost and/or require rescue in Nevada County. When circumstances demand, NCSSAR members also deploy to provide "mutual aid" to other counties throughout California.

"Callouts" often occur at the most inconvenient times—in the middle of the night, during snowstorms and fires, and even on Christmas Day. This past Christmas, Jerry, along with five volunteers and a Sheriff's deputy, facilitated a rescue by snowcat in eastern Nevada County. While most searches are resolved quickly and successfully, some require volunteer team members to be away from their families and jobs for multiple days.

All members of NCSSAR are first and foremost "ground pounders" who navigate through heavy brush, over rugged hills, and along rivers to find and rescue missing subjects.

However, sometimes, search conditions require specialized skills. To accommodate the diverse terrain (mountains and rivers) and conditions we experience in Nevada County, NCSSAR also has a variety of "specialty teams," including incident command, evacuations, K9, tracking, evidence, motorcycle, and e-bike, dive, technical ropes, Nordic (ski), and more. Throughout his service to the county, Jerry has qualified and worked across nearly every specialty team.

As NCSSAR's unit leader, Jerry is a constant and reassuring presence... and a source of inspiration. In his annual holiday letter to NCSSAR team members, Jerry—in describing his teammates—articulated the very qualities that make him so deserving of recognition as Nevada County Citizen of the Year.

Photo by Elias Funez

"As a search and rescue team, you are the beacon of hope for those who are lost, injured, or in distress. Your unwavering commitment to locating and rescuing individuals is a testament to your compassion and the value you place on every human life.

...But it is not just your physical abilities that make you exceptional. It is your unwavering spirit, your determination to never give up, and your ability to remain calm and focused in the most challenging situations. You are the calm in the storm, the guiding light in the darkness, and the hope that keeps individuals and their loved ones going.

...Your work is not without sacrifice. You spend countless hours training, honing your skills, and preparing for the unknown. You put your own lives at risk to save others, often leaving behind your families and loved ones to answer the call of duty. Your dedication and sacrifice do not go unnoticed!"

We need more "beacons of hope" like Jerry Weidler, and we hope that his 40 years of sacrifice and selfless service to the residents of Nevada County will not go unnoticed.

BEST OF NEVADA COUNTY WINNER PROFILE

Maria Byers-Ramos remembers gathering around an old, white enamel stove and oven as her mother gave Maria and her sister their first cooking lessons. At age 10, Maria learned how to make fresh salsa, bake delicacies, stuff a turkey, and sauté vegetables the traditional Mexican way. She marveled at her mother's quick, agile hands as she diced vegetables and carved meat. Maria admired the artistic flair with which her mother combined seemingly distant ingredients to create fantastical flavors. "My mom was a good cook who was dedicated to family," recalls Maria. Throughout her life, Maria has equated delicious, healthy, homemade food with love, comfort, and caring. Her impressive culinary abilities, coupled with her personal drive to always do the right thing, have made this dynamic woman the most successful restaurateur in downtown Grass Valley. Born and raised in Sacramento, Maria spent her youth picking tomatoes under the hot sun and culling green or rotten tomatoes from the harvester. The work was manual, but the lessons she learned were intellectual. As she envisioned a future career with cooking at its core, it was obvious to Maria that great food starts with great ingredients. Maria attributes much of her success to the loyalty of her employees, many of whom have worked with her for decades. "I'm so grateful to have such good people in my life," she said thankfully. Maria maintains an open-

door policy with her staff and provides firm, fair, consistent leadership. It's a fast-paced business in which every tiny detail is important. "My ultimate desire is to serve good quality food, offer great service, and leave people satisfied," said Maria. "Everything is made from scratch, the way my mom cooked." For Maria, making people happy, giving back to her community,

and serving great meals begins and ends in the kitchen. "I'll never stop cooking. At my age, you'd think I wouldn't want to keep cooking. But just the other day I went out to the garden, picked tomatillos, and made four batches of salsa. I never want to get my hands off the pot."

TRIPP'S AUTO BODY

Tripp's Auto Body –Three Generations of Quality Work and Customer Service! A family business, Tripp's has been offering full and complete collision repair for over 70 years. Originally, at their Stewart Street location in Downtown Grass Valley and now at their new larger location for the past 7 years at 600 Freeman Lane. The move has allowed them to expand and better serve their customers!

Tripp's specializes in collision repair, paint match and finish. Three generations of the Tripp family have had a hand in running the business.

Arlie Tripp opened the auto body shop on Stewart Street in 1954. Sons David and Darrol eventually joined him; David's son Todd followed in 1988.

David Tripp retired over 10 years ago, after nearly five decades at the business, leaving Darrol and Todd Tripp as the co-owners of the shop. Today, Tripp's Auto Body has about 27 employees and is officially recognized by Assured Performance, FCA, GM, Hyundai, Nissan, Ford Infinity and Subaru.

Tripp's is also recognized as a Gold Class shop, an elite designation that only 10 percent of collision repair shops have been awarded by I-Car, a nonprofit training organization founded by the collision repair industry.

To become certified and officially recognized by the various automakers, Tripp's Auto Body

Shop passed a rigorous certification process essential to help ensure a proper and safe repair of the new generation of advanced vehicles.

Less than 5 percent of body shops across the nation are able to meet the stringent requirements to become officially certified and recognized.

The Tripp family is also dedicated to their community, often donating time and sponsoring many local groups including Little League, Nevada Union High School, and Bear River High School.

They make it their mission to treat people the way everyone wants to be treated, pleasantly and honestly, and their main goal is to provide unbeatable customer service and repairs.

"We are your neighbors and friends, so it is important to provide our customers with the peace of mind that their vehicles are being repaired correctly by highly trained professionals that care about them," said Darrol Tripp.

GOLD COUNTRY KUK SOOL WON

Gold Country Kuk Sool Won is owned and operated by husband and wife team, Tony and Lila Reyna. Now in its 30th year of business in Nevada County, Gold Country Kuk Sool Won is truly a family martial arts school with current students ranging in age from 3-80. Gold Country Kuk Sool Won has 400 students with over 58 active Black Belts.

Kuk Sool won is a comprehensive Korean martial art. The motto at Gold Country Kuk Sool won is: etiquette, patience and practice. We believe if you have good etiquette, are patient, and work hard then there are few things you won't be able to accomplish in life. The success of Gold Country Kuk Sool won is from the positive family atmosphere and the mutual respect that has made an impact in our

lives and in the community as well.

In today's fast paced world many families are seeking a way to slow down and spend quality time together. There are few activities that families and couple can do together and receive the same physical and mental benefits as in Kuk Sool Won. The classes' high energy and positive atmosphere helps students reach their full

potential while allowing them to progress at their own pace.

Tony began his training in Kuk Sool won while serving in the US Air Force. In 1982 he tested for his 1st degree in black belt at Kunsan, Korea. He is currently testing for his 8th degree black belt. 2023 marks Tony's 42nd year in Kuk Sool.

Lila has trained in Kuk Sool Won for 28 years and is currently testing for 6th degree in black belt. She is an award-winning author and creator of Action Awareness Training, specializing in women's personal safety and empowerment.

This distinction by the nation’s leading safety reviewer is a reflection of our team’s commitment to deliver exceptional clinical care. And while awards like this are gratifying, they don’t tell the whole story: one that’s built on compassionate listening and a steadfast belief in the healing power of humankindness. BEST OF NEVADA COUNTY

A heartfelt congratulations to SmarterBroadband's Staff for achieving the well-deserved title of "Best of the Best" once again this year! Since its establishment in 2005, SmarterBroadband has been a pillar of reliability and innovation, bringing high-speed internet services to the rural and hard-to-reach areas of Nevada, Placer, and Yuba Counties.

What sets SmarterBroadband apart is not just its cutting-edge fiber-fed line of site technology but also the unwavering dedication of its local staff. In the face of challenging circumstances, such as catastrophic storms or power outages, SmarterBroadband stands strong, ensuring uninterrupted service for its valued customers.

The commitment to customers' satisfaction is truly commendable. SmarterBroadband not only maintains service during adverse

conditions but goes above and beyond by prioritizing customer needs. The decision to increase bandwidth without raising monthly fees is a testament to the company's customer-centric approach.

This success story wouldn't be complete without expressing gratitude to the community and loyal customers who have consistently supported SmarterBroadband. Your vote of confidence has fueled their passion to deliver exceptional

service. A sincere "THANKYOU" is extended to everyone who has chosen SmarterBroadband as their internet provider.

As SmarterBroadband looks towards the future, the team remains dedicated to exceeding expectations and servicing the community for many more years to come. Cheers to SmarterBroadband and its continued success in providing top-notch internet services to the community!
