

HI CE Priority List

1. The Rules/Ethics requirement will first be satisfied by any Rules/Ethics credits.
 - a. If there is an excess of Rules/Ethics credits (meaning the Rules/Ethics requirement has been satisfied), the excess will first go to the Life/Health requirement.
 - b. If the Life/Health requirement has been satisfied, then any leftover Rules/Ethics credits will go to the Property/Casualty requirement.
 - c. If the producer has not taken any or enough Rules/Ethics courses, the remaining credit requirements may be fulfilled by Ethics/Life-Health first, then Ethics/Property-Casualty.
 - i. If the producer has satisfied the Rules/Ethics requirement using Ethics/Life-Health or Ethics/Property-Casualty, the excess Ethics/Property-Casualty will go to Property/Casualty only and the excess Ethics/Life-Health will go to Life/Health only.
2. The Life/Health requirement will first be satisfied by any Life/Health credits, then Rules/Ethics, and last Ethics/Life-Health.
 - a. Ethics/Life-Health credits will not count towards to the Property/Casualty requirement.
3. The Property/Casualty requirement will first be satisfied by Property/Casualty credits, then Rules/Ethics, and last Ethics/Property-Casualty.
 - a. Ethics/Property-Casualty credits will not count towards the Life/Health requirement.

Courses are re-distributed according to priority each time a new course is added to the producer's education transcript.
