(incorporated under the laws of the Netherlands)

A\$10,000,000,000 Debt Issuance Programme

Under the Debt Issuance Programme described in this Information Memorandum ("**Programme**"), Toyota Finance Australia Limited ("**TFA**"), Toyota Motor Credit Corporation ("**TMCC**") and Toyota Motor Finance (Netherlands) B.V. ("**TMF**") and together with TFA, TMCC and any other subsidiary of Toyota Motor Corporation ("**Parent**") which accedes to the Programme as an additional issuer, the "**Issuers**" and each an "**Issuer**") may from time to time issue medium term debt obligations ("**MTNs**") and other debt instruments. The aggregate principal amount of outstanding MTNs issued under the Programme may not exceed A\$10,000,000,000 at any one time.

The MTNs will be constituted by, and owing under, the Second MTN Deed Poll dated 15 November 2012 and will be issued with the benefit of certain Credit Support Agreements governed by Japanese law between the Parent and Toyota Financial Services Corporation ("**TFS**") (the Parent and TFS are each a Japanese Corporation and together are referred to as the "**Credit Support Parties**"). TFS has, in turn, entered into Credit Support Agreements with each of the Issuers in respect of the issue of certain debt obligations (including the MTNs) by each of them. These Credit Support Agreements are more fully described at pages 49 and 50 of this Information Memorandum.

No prospectus or other disclosure document in relation to the Programme or the MTNs has been, or will be, lodged with the Australian Securities and Investments Commission ("**ASIC**").

The MTNs have not been and will not be registered under the U.S. Securities Act of 1933, as amended ("**Securities Act**") or the securities laws of any state in the United States. MTNs issued by TMCC are subject to the United States tax law requirements. MTNs may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meaning given to them by Regulation S under the Securities Act.

This Information Memorandum does not constitute a "prospectus" for the purposes of European Union Directive 2003/71/EC (as amended) ("**Prospectus Directive**"). Accordingly, this Information Memorandum is not to be used in connection with any issue of MTNs constituting an "offer of securities to the public" (as defined in Article 2 of the Prospectus Directive) within the European Economic Area, unless the obligation to publish a "prospectus" does not apply to such offer by virtue of Article 3.2 of the Prospectus Directive. No application has been made for MTNs issued under the Programme to be admitted to trading or listed on a regulated market for the purposes of Directive 2004/39/EC.

For a description of certain other restrictions on offers and sales of MTNs and on distribution of this Information Memorandum, see the section entitled "Selling Restrictions" in this Information Memorandum.

Introduction

This Information Memorandum relates to the Programme for the issue from time to time by the Issuers of MTNs and other debt instruments (as more particularly described below and which term, unless the context otherwise requires, includes any interests or rights in respect of any MTNs or other debt instrument).

The Programme replaces the A\$1,000,000,000 MTN Programme originally established by TFA in 2001 and this Information Memorandum replaces in its entirety the Information Memorandum dated 17 June 2008. An Issuer and its related entities may also issue notes, bonds or other debt instruments otherwise than under the Programme.

Subject to applicable laws and directives, an Issuer may issue (i) MTNs and other debt instruments under the Programme in Australia, and (ii) MTNs and other debt instruments under the Programme in countries in Europe and Asia (but not the United States of America unless those MTNs are registered under the Securities Act or an exemption from the registration requirements is available). No action has been taken in any jurisdiction to permit a public offering of MTNs under the Programme.

Each issue of MTNs will be made under documents agreed between the relevant Issuer and relevant Dealers (as defined in the “Summary of the Programme”). This Information Memorandum describes MTNs initially issued in registered form in Australia, Asia and Europe. An Issuer may publish a supplement to this Information Memorandum (or additional Information Memoranda) which describe the issue of debt instruments (or particular classes of debt instruments) not described in this Information Memorandum.

MTNs will be issued in one or more tranches (each a “**Tranche**”) within one or more series (each a “**Series**”). Tranches within a particular Series may have various issue dates, issue prices and (if applicable) interest commencement dates and, in respect of the first interest payment (if any), different interest payment amounts, but will otherwise be issued on identical conditions. In particular, a pricing supplement (“**Pricing Supplement**”) will be issued for each Tranche and will contain details of the aggregate principal amount, the interest (if any) payable, the issue price, issue date and maturity date of the Tranche, together with any other conditions not contained in this Information Memorandum which apply to that Tranche.

Each Issuer may apply to Austraclear Ltd (ABN 94 002 060 773) (“**Austraclear**”) for approval for MTNs to be traded on the clearing and settlement system operated by Austraclear (“**Austraclear System**”). Such approval by Austraclear is not a recommendation or endorsement by Austraclear of such MTNs. The rights of a holder of interests in MTNs held through the Austraclear System are subject to the rules and regulations of the Austraclear System.

On admission to the Austraclear System, interests in the MTNs may be held through Euroclear Bank SA/NA, (“**Euroclear**”), Clearstream Banking, société anonyme (“**Clearstream, Luxembourg**”) or any other clearing system described in the relevant Pricing Supplement (each of the Austraclear System, Euroclear, Clearstream, Luxembourg, and any other clearing system specified in the applicable Pricing Supplement, a “**Clearing System**”).

Each Series will initially take the form of an entry in a register. No certificate or other evidence of title will be issued in respect of the MTNs unless the relevant Issuer determines that certificates should be available or it is required to do so pursuant to applicable law or regulation (including, without limitation, the regulations governing the operation of one or more of the Clearing Systems).

Currency of information

The information contained in this Information Memorandum has been prepared as of its Preparation Date.

In this Information Memorandum, "**Preparation Date**" means:

- in relation to this Information Memorandum, the date indicated on its face or, if the Information Memorandum has been amended or supplemented, the date indicated on the face of that amendment or supplement;
- in relation to any Annual Report or Financial Statements incorporated by reference in this Information Memorandum, the date up to, or as at, the date on which the Annual Report or Financial Statements relate; and

In particular, each Issuer is under no obligation to update this Information Memorandum at any time after an issue of MTNs.

Investors should review, amongst other things, the documents incorporated by reference in this Information Memorandum when deciding whether or not to purchase any MTNs.

Also, each Issuer makes filings with regulatory authorities from time to time which may include information material to investors. Copies of such filings in respect of an Issuer are available from that Issuer on request.

Any internet site addresses provided in this Information Memorandum are for reference only and the content of such internet sites is not incorporated by reference into, and does not form part of, this Information Memorandum, except as expressly stated in this Information Memorandum.

No independent verification or authorisation

The only role of the Arranger, Dealers and Agents (each as defined in the "Summary of the Programme") in the preparation of this Information Memorandum has been to confirm to the Issuers that their respective descriptions under "Summary of the Programme" and "Directory" are accurate as at the Preparation Date.

Apart from the foregoing, the Arranger, Dealers or Agents have not independently verified this Information Memorandum or any document incorporated by reference in it. Accordingly, they make no representation, warranty or undertaking, express or implied, as to, and accept no responsibility for, the accuracy or completeness of this Information Memorandum. In particular, none of the Arranger, Dealers or Agents has undertaken to review the financial condition or affairs of any Issuer during the term of the Programme.

No person has been authorised by any of the Issuers to give any information or make any representation not contained in, not incorporated by reference in, or not consistent with, this Information Memorandum in connection with the Issuers, the Programme or the issue or sale of the MTNs and, if given or made, that information or representation must not be relied on as having been authorised by an Issuer, the Arranger, the Dealers or the Agents.

Distribution arrangements

The distribution of this Information Memorandum and the subscription, offer, sale or transfer of MTNs may be restricted by law in certain jurisdictions. None of the Issuers, Arranger, Dealers or Agents represents that this Information Memorandum may be lawfully distributed, or that any MTNs may be lawfully subscribed for, offered, sold or transferred in compliance with any applicable law in any such jurisdiction, or under an exemption available in that jurisdiction, or assumes any responsibility for facilitating any such distribution or offering. No action has been taken, or will be taken, by the Issuers, Arranger, Dealers or Agents in any jurisdiction which would permit a public offering of any MTNs or distribution of this Information Memorandum, or other offering material in relation to MTNs in any jurisdiction where action for that purpose is required.

In particular, the MTNs have not been and will not be registered under the Securities Act or the securities laws of any state in the United States of America. The MTNs may not be offered, sold, delivered or transferred within the United States of America or to, or for the account or benefit of, U.S. Persons (as defined in Regulation S under the Securities Act), unless those MTNs are registered under the Securities Act or an exemption from the registration requirements of the Securities Act is available.

MTNs issued by TMCC also will be subject to the United States tax law requirements including provisions of the United States Internal Revenue Code of 1986, as amended ("**U.S. Internal Revenue Code**"), and the regulations thereunder.

No disclosure required

Each offer to purchase or invitation to buy MTNs to be issued by each Issuer must be made in a manner which does not require disclosure to investors under Part 6D.2 of the Corporations Act 2001 of Australia ("**Corporations Act**").

Intending purchasers to make independent investment decision and obtain tax advice

This Information Memorandum contains only summary information concerning the Issuers and MTNs. It is not intended to provide the basis of any credit or other evaluation in respect of the Issuers or the MTNs and should not be considered as a recommendation by the Issuers, Arranger, the Dealers or any Agent that any recipient of this Information Memorandum or any other financial statements should otherwise deal in any MTNs. It is not, and is not intended to be an offer or invitation to subscribe for, purchase or otherwise deal in any MTNs, or a recommendation or a statement of opinion (or a report of either of those things) that any person do so.

Each investor contemplating subscribing for, purchasing or otherwise dealing in any MTNs or any rights in respect of any MTNs should:

- make and rely upon (and shall be taken to have made and relied upon) its own independent investigation of the financial condition and affairs of, and its own appraisal of the creditworthiness of, the relevant Issuer;
- determine for themselves the relevance of the information contained in this Information Memorandum, and must base their investment decision solely upon their independent assessment and such investigations as they consider necessary; and
- consult their own tax advisers concerning the application of any tax laws applicable to their particular situation.

No advice is given in respect of the legal or taxation treatment of investors or purchasers in connection with an investment in any MTNs or rights in respect of them and each investor is advised to consult its own professional adviser.

Fees

Each Issuer may pay any Dealer or Agent a fee for undertaking its role or reimburse it for certain expenses in respect of the MTNs subscribed by such Dealer, or for such Agent's role, as the case may be. Each Issuer may also indemnify the Dealers against certain liabilities in connection with the offer and sale of MTNs.

The Arranger, Dealers and Agents and their respective subsidiaries, related bodies corporate, officers and employees may have pecuniary or other interests in the MTNs and may also have interests pursuant to other arrangements and may receive fees, brokerage and commissions and may act as a principal in dealing in any MTNs.

No ownership of MTNs issued by TMCC by United States Persons

MTNs issued by TMCC may not be legally or beneficially owned by, or for the account or benefit of, United States persons (as defined below) at any time. In addition to the United States securities restrictions discussed above under "Important Notice – Distribution Arrangements" and below under "Subscription and Sale", in respect of MTNs issued by TMCC each MTN Holder, and each beneficial owner of, an MTN issued by TMCC shall be deemed to represent, as a condition to purchasing or owning MTNs issued by TMCC or a beneficial interest therein, that neither it nor any person for whose account or benefit MTNs issued by TMCC are being purchased is located in the United States, is a United States person or was solicited to purchase MTNs issued by TMCC while present in the United States. In addition, in respect of MTNs issued by TMCC, each MTN Holder and each beneficial owner of an MTN issued by TMCC hereby agrees not to offer, sell or deliver MTNs issued by TMCC, at any time, directly or indirectly in the United States or to, or for the account or benefit of, any United States person.

For purposes of these restrictions, "United States person" means:

- (a) a citizen or resident of the United States or any of its territories or possessions; or
- (b) a corporation, partnership or other entity treated as a corporation or partnership for United States tax purposes created or organised under the laws of the United States; or
- (c) an estate the income of which is subject to United States federal income taxation regardless of its source; or
- (d) a trust if it:
 - (i) is subject to the primary supervision of a court within the United States and one or more United States persons have the authority to control all substantial decisions of the trust; or
 - (ii) has a valid election in effect to be treated as a United States person; or
- (e) a United States person (as defined in Regulation S).

Credit Ratings

There may be references to one or more credit ratings in a Pricing Supplement, another supplement to this Information Memorandum or a document which is incorporated by reference in this Information Memorandum.

A credit rating is not a recommendation to buy, sell or hold MTNs and may be subject to revision, suspension or withdrawal at any time by the relevant credit rating agency. Each rating should be evaluated independently of any other rating.

Credit ratings are for distribution only to a person (a) who is not a “retail client” within the meaning of section 761G of the Corporations Act and is also a sophisticated investor, professional investor or other investor in respect of whom disclosure is not required under Parts 6D.2 or 7.9 of the Corporations Act, and (b) who is otherwise permitted to receive credit ratings in accordance with applicable law in any jurisdiction in which the person may be located. Anyone who is not such a person is not entitled to receive the relevant document and anyone who receives the relevant document must not distribute it to any person who is not entitled to receive it.

Currencies

In this Information Memorandum, references to “**A\$**” or “**Australian dollars**” are to the lawful currency of the Commonwealth of Australia, references to “**Japanese Yen**” or “**¥**” are to the lawful currency of Japan, references to “**US dollars**” or “**USD**” are to the lawful currency of the United States of America, references to “**EUR**”, “**Euro**” or “**€**” are to the single currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty of the Functioning of the European Union (as amended) and being the lawful currency of the Netherlands.

Withholding under the U.S. Foreign Account Tax Compliance Act

Under provisions of the Foreign Account Tax Compliance Act codified as sections 1471 through 1474 of the U.S. Internal Revenue Code (commonly known as “**FATCA**”, which term includes any regulations or official interpretations issued with respect to those provisions and any intergovernmental agreements entered into in relation to those provisions), proceeds from the sale, retirement or other disposition of, and payments of premium (if any) and interest (including original issue discount, if any) on MTNs issued after 31 December 2012 may be subject to a 30 per cent. gross basis withholding tax if any such payments are made to a “foreign financial institution” or a “foreign non-financial entity” within the meaning of the FATCA rules, unless certain procedural requirements are satisfied and certain information is provided to the United States Internal Revenue Service (the “**IRS**”).

Payments with respect to MTNs issued by TMCC after 31 December 2012 will be subject to FATCA for payments made after 31 December 2013, in the case of interest, and after 31 December 2016 in the case of all other amounts payable on, or gross proceeds from the sale or other disposition of, such MTN. Payments with respect to MTNs issued by TMF or TFA more than six months after the date the U.S. Treasury Department publishes final regulations defining the term “passthru payments” for purposes of FATCA may be subject to FATCA for payments made after 31 December 2016 if the relevant Issuer becomes subject to a compliance and reporting agreement with the IRS or pursuant to an intergovernmental agreement implementing FATCA, and payments under such MTNs (or a portion of such payments) are considered to be attributable to the United States for the purposes of FATCA (such payments, “passthru payments”).

Comprehensive final rules regarding the form and content of the procedural requirements required for foreign financial institutions and foreign non-financial entities to secure exemptions from withholding under FATCA have not yet been published. No additional amounts will be paid by the relevant Issuer in respect of any United States tax withheld or deducted under FATCA. Under certain circumstances, a Non-US Holder (as defined below) of the MTNs might be eligible for refunds or credits of such taxes. Prospective investors are encouraged to consult with their own tax advisers regarding the possible implications of this legislation on their investment in the MTNs.

MTNs held in the Austraclear System will be registered in the name of Austraclear. Title to MTNs held in a Clearing System will be determined in accordance with the rules and regulations of that Clearing System.

No certificates or other evidence of title will be issued to holders of MTNs unless the relevant Issuer determines that certificates should be available or are required by any applicable law.

The MTNs will have the benefit of certain Credit Support Agreements governed by Japanese law between the Parent and TFS and between TFS and each of the Issuers in respect of the issue of certain debt obligations (including the MTNs) by each of them. - (b) at all times, the transfer complies with all applicable laws or directives of the jurisdiction where the transfer takes place.

An overview of the Australian taxation treatment of payments of interest on the MTNs issued and certain other matters is set out under “Australian Taxation”.

An overview of the US taxation treatment of payments of interest on the MTNs issued by TMCC and certain other matters is set out under “United States Taxation”.

An overview of the Netherlands taxation treatment of payments of interest on MTNs issued by TMF and certain other matters is set out under “Netherlands Taxation”.

Withholding tax:

Unless otherwise specified in the relevant Pricing Supplement:

- MTNs will be issued in a manner which enables the relevant Issuer to pay interest to holders free of Australian interest withholding tax;
- all payments by each Issuer in respect of MTNs will be made free and clear of and without withholding or deduction for or of any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of (in the case of MTNs issued by TFA) only Australia or any political sub-division of Australia, (in the case of MTNs issued by TMCC) only the United States or any political sub-division of the United States and (in the case of MTNs issued by TMF) only the Netherlands or any political sub-division of the Netherlands, unless such withholding or deduction is required by law;
- all payments in respect of the MTNs will be made subject to any deduction or withholding required by the provisions of FATCA and no additional amounts will be paid to cover the amounts so withheld or deducted; and
- payments in respect of MTNs issued by TMCC may be subject to, withholding or deduction for or of United States federal tax to the extent a non-US Holder (as defined below) fails to provide certain information to the Registrar or I&P Agent (Offshore) or to a financial institution through which it holds such MTNs (generally, United States Internal Revenue Service Form W-8 (as applicable)).

ERISA representations and warranty:

Each purchaser, each subsequent transferee and each person directing such purchaser or subsequent transferee to acquire MTNs issued by TMCC, by its purchase or other acquisition of MTNs issued by TMCC, is deemed to represent and warrant (which representation and warranty will be deemed to be repeated on each date on which MTNs issued by TMCC are held by such purchaser or subsequent transferee, as the case may be) that either (a) no portion of the assets used by it to acquire and hold the MTNs issued by TMCC constitutes assets of (i) any employee benefit plan that is subject to Title I of the U.S. Employee Retirement Income Security Act of 1974, as amended ("**ERISA**"), (ii) any individual retirement account, Keogh plan or other arrangement that is subject to Section 4975 of the U.S. Internal Revenue Code, (iii) any entity whose underlying assets are considered to include "plan assets" within the meaning of ERISA of any such plan, account or arrangement, or (iv) any governmental, church or non-U.S. plan that is not subject to Section 406 of ERISA or Section 4975 of the U.S. Internal Revenue Code but may be subject to other laws that are substantially similar to those provisions (each, a "**Similar Law**"), or (b) its purchase, holding and subsequent disposition of the MTNs issued by TMCC will not constitute a non-exempt prohibited transaction under Section 406 of ERISA, Section 4975 of the U.S. Internal Revenue Code or any provision of Similar Law.

TFNs and ABNs:

Each Issuer will deduct amounts from payments of interest at the prescribed rate if an Australian resident investor, or a non-Australian resident investor that acquires and holds their MTNs in the course of carrying a business at or through a permanent establishment in Australia, has not supplied an appropriate Australian Tax File Number ("**TFN**"), (in certain circumstances) an ABN or proof of some other appropriate exemption as may be necessary to enable the payment to be made without deduction.

Selling restrictions:

The offer, sale, transfer and delivery of MTNs and the distribution of this Information Memorandum and other material in relation to the MTNs are subject to restrictions in any jurisdiction in which the MTNs may be offered, sold or transferred applying in any such jurisdictions in connection with the offering and sale of a particular Tranche. In particular, restrictions on the offer or sale of the MTNs in Australia, the United Kingdom, the United States of America, the European Economic Area, the Netherlands, Japan, Hong Kong, Singapore and New Zealand are set out under "Selling Restrictions".

Restrictions on the offer, sale and/or distribution of MTNs may also be set out in the applicable Pricing Supplement

MTN Conditions

The following are the conditions which, as supplemented, amended or replaced by the relevant Pricing Supplement, apply to each MTN constituted by the Second MTN Deed Poll dated 15 November 2012. References to the "Pricing Supplement" in these conditions do not limit the provisions which may be supplemented, amended or replaced by the Pricing Supplement in relation to a particular Series.

References to the "Issuer" are to the Issuer of the particular Series. References to "MTNs" are to the MTNs of one specific Series only, not to all MTNs that may be issued under the Programme.

Definitions and interpretation provisions are set out in Condition 23 ("Interpretation"). All capitalised terms not defined in these Conditions will have the meanings given to them in the relevant Pricing Supplement.

Part 1 Introduction

1 Introduction

1.1 Programme

MTNs are issued under a debt issuance programme established by, among others, the Issuer.

1.2 Pricing Supplement

MTNs are issued in Series.

A Series may comprise one or more Tranches. The MTNs of each Tranche of a Series are issued on the same Conditions, except that the Issue Price, the Issue Date, the Interest Commencement Date and, in respect of the first payment of interest (if any), the interest payment amount (as specified in the relevant Pricing Supplement) may be different in respect of a different Tranche of a Series.

Each Tranche is the subject of a Pricing Supplement which supplements, amends or replaces these Conditions. If there is any inconsistency between these Conditions and the Pricing Supplement, the Pricing Supplement prevails.

Copies of the Pricing Supplement are available for inspection or on request by an MTN Holder or prospective MTN Holder during normal business hours at the Specified Office of the Issuer or the Registrar.

1.3 Types of MTNs

An MTN is either:

- (a) a Fixed Rate MTN;
- (b) a Floating Rate MTN;
- (c) a Zero Coupon MTN; or
- (d) a Structured MTN (being either an Index Linked MTN or an Instalment MTN),

or a combination of the above (or any other type of debt obligation including a certificate of deposit), as specified in the relevant Pricing Supplement.

1.4 Denomination

MTNs are issued in a single Denomination as specified in the Pricing Supplement.

1.5 Currency

MTNs are denominated in the currency specified in the Pricing Supplement.

1.6 Clearing Systems

MTNs may be held in a Clearing System, in which case the rights of a person holding an interest in the MTNs lodged in the Clearing System are subject to the rules and regulations of the Clearing System.

Part 2 The MTNs

2 Form

2.1 Constitution under MTN Deed Poll

MTNs are debt obligations of the Issuer, constituted by, and owing under, the MTN Deed Poll.

2.2 Form

MTNs are initially issued in registered form by entry in the Register.

All MTNs issued by TMCC will be issued in a manner sufficient to cause the MTNs to be regarded as issued in registered form for United States federal tax purposes.

Interest or other payments in respect of MTNs issued by TMCC will only be made in respect of MTNs in permanent form.

2.3 No certificates

No certificates will be issued to MTN Holders unless the Issuer determines that certificates should be available or are required by any applicable law.

3 Status

3.1 Status

MTNs constitute direct, unconditional, unsubordinated and (subject to Condition 4 (“Negative pledge”)) unsecured obligations of the Issuer.

3.2 Ranking

MTNs rank equally among themselves and at least equally with all other unsubordinated and unsecured obligations of the Issuer, except for liabilities mandatorily preferred by law.

3.3 Credit support

The MTNs have the benefit of the Credit Support Agreements.

The Credit Support Agreements do not constitute a direct or indirect guarantee by the Parent or TFS of the obligations of the Issuers under the MTNs.

4 Negative pledge

The MTNs will be subject to this Condition only if this Condition is specified to be applicable in the Pricing Supplement.

So long as any of the MTNs remains Outstanding the Issuer will not create or permit to be outstanding any Security Interest (other than a Permitted Security Interest) for the benefit of the holders of any Relevant Indebtedness on the whole or any part of its property or assets, present or future, to secure any Relevant Indebtedness issued or expressly guaranteed by the Issuer or in respect of which the Issuer has given any indemnity without in any such case at the same time according to the MTNs the same security as is granted or is outstanding in respect of such Relevant Indebtedness or such guarantee or indemnity or such other security as shall be approved by Ordinary Resolution (as defined in the Meetings Provisions) of the holders of the affected MTNs then outstanding provided, however, that such covenant will not apply to Security Interests securing outstanding Relevant Indebtedness which does not in the aggregate at any one time exceed 20 per cent. of Consolidated Net Tangible Assets of the Issuer and its consolidated subsidiaries (if any).

5 Title and transfer of MTNs

5.1 Title

Title to MTNs passes when details of the transfer are entered in the Register.

5.2 Effect of entries in Register

Each entry in the Register in respect of a Registered MTN constitutes:

- (a) an unconditional and irrevocable undertaking by the Issuer to the MTN Holder to pay principal and (if applicable) interest and any other amount in accordance with these Conditions; and
- (b) an entitlement to the other benefits given to MTN Holders under these Conditions in respect of the Registered MTN.

5.3 Register conclusive as to ownership

Entries in the Register in relation to a Registered MTN constitute conclusive evidence that the person so entered is the absolute owner of the MTN subject to correction for fraud or error.

5.4 Non-recognition of interests

Except as required by law, the Issuer and the Registrar must treat the person whose name is entered in the Register as the holder of a Registered MTN as the absolute owner of that Registered MTN. This Condition applies whether or not a Registered MTN is overdue and despite any notice of ownership, trust or interest in the Registered MTN.

5.5 Joint holders

Where two or more persons are entered in the Register as the joint holders of a Registered MTN then they are taken to hold the Registered MTN as joint tenants with rights of survivorship, but the Registrar is not bound to register more than four persons as joint holders of a Registered MTN.

5.6 Transfers in whole

MTNs may be transferred in whole but not in part.

5.7 Compliance with laws

MTNs may only be transferred if:

- (a) the offer or invitation giving rise to the transfer does not constitute an offer or invitation for which disclosure is required to be made to investors under Part 6D.2 of the Corporations Act; and
- (b) the transfer complies with any applicable law or directive of the jurisdiction where the transfer takes place.

5.8 Transfer procedures

Interests in MTNs held in a Clearing System are transferable only in accordance with the rules and regulations of that Clearing System.

Application for the transfer of MTNs not held in a Clearing System must be made by the lodgment of a transfer form with the Registrar at its Specified Office. Transfer forms must be in the form available from the Registrar. Each transfer form must be:

- (a) duly completed;
- (b) accompanied by any evidence the Registrar may require to establish that the transfer form has been duly executed; and
- (c) signed by, or on behalf of, both the transferor and the transferee.

Transfers are registered without charge provided all applicable Taxes have been paid.

5.9 Effect of transfer

Upon registration and entry of the transferee in the Register the transferor ceases to be entitled to future benefits under these Conditions in respect of the transferred MTNs and the transferee becomes so entitled in accordance with Condition 5.2 ("Effect of entries in Register").

5.10 CHES

MTNs listed on the Australian securities exchange operated by ASX Limited (ABN 98 008 624 691) are not transferred through, or registered on, the Clearing House Electronic Sub-Register System operated by ASX Limited and are not "Approved Financial Products" (as defined for the purposes of that system).

5.11 Austraclear as MTN Holder

If Austraclear is recorded in the Register as the MTN Holder, each person in whose Security Record (as defined in the Austraclear Regulations) a Registered MTN is recorded is taken to acknowledge in favour of the Issuer, the Registrar and Austraclear that:

- (a) the Registrar's decision to act as the Registrar of that Registered MTN is not a recommendation or endorsement by the Registrar or Austraclear in relation to that Registered MTN, but only indicates that the Registrar considers that the holding of the Registered MTN is compatible with the performance by it of its obligations as Registrar under an Agency Agreement; and
- (b) the MTN Holder does not rely on any fact, matter or circumstance contrary to paragraph (a).

5.12 Compulsory transfer

This Condition 5.12 only applies to MTNs issued by TMCC.

In the event of a direct or indirect transfer of a Registered MTN to or for the account or benefit of a U.S. Person, the Issuer shall have the right to compel such MTN Holder to promptly sell such Registered MTN to a person that is not a U.S. Person.

If the Issuer gives notice to, or otherwise requires in writing, an MTN Holder to sell a Registered MTN to a person that is not a U.S. Person pursuant to this Condition 5.12 (“Compulsory transfer”), then the Issuer may withhold any payments of interest in respect of such Registered MTN (without being under any obligation to pay any amount by way of compensation for doing so) until such time as such Registered MTN has been sold and the Issuer is satisfied in its sole discretion that such Registered MTN is no longer held for the account or benefit of a U.S. Person.

For the purposes of this Condition 5.12 (“Compulsory transfer”), “**U.S. Person**” means:

- (a) a citizen or resident of the United States or any of its territories or possessions;
- (b) a corporation, partnership or other entity treated as a corporation for United States tax purposes created or organised under the laws of the United States;
- (c) an estate the income of which is subject to United States federal income taxation regardless of its source;
- (d) a trust if it:
 - (i) is subject to the primary supervision of a court within the United States and one or more United States persons have the authority to control all substantial decisions of the trust; or
 - (ii) has a valid election in effect to be treated as a United States person; or
- (e) a U.S. Person (as defined under Sections 230.901 to 230.904 (inclusive) of Title 17 of the United States Code of Federal Regulations (“**Regulation S**”)).

Part 3 Interest

6 Fixed Rate MTNs

This Condition 6 (“Fixed Rate MTNs”) applies to the MTNs only if the Pricing Supplement states that it applies.

6.1 Interest on Fixed Rate MTNs

Each Fixed Rate MTN bears interest on its outstanding principal amount from (and including) its Interest Commencement Date to (but excluding) its Maturity Date at the Interest Rate. Interest is payable in arrear on each Interest Payment Date.

6.2 Fixed Coupon Amount

Unless otherwise specified in the Pricing Supplement, the amount of interest payable on each Interest Payment Date in respect of the preceding Interest Period is the Fixed Coupon Amount specified in the Pricing Supplement.

6.3 Calculation of interest payable

The amount of interest payable in respect of a Fixed Rate MTN for any period for which a Fixed Coupon Amount is not specified in the Pricing Supplement is calculated by multiplying the Interest Rate for that period, the outstanding principal amount of the Fixed Rate MTN and the applicable Day Count Fraction.

7 Floating Rate MTNs

This Condition 7 ("Floating Rate MTNs") applies to the MTNs only if the Pricing Supplement states that it applies.

7.1 Interest on Floating Rate MTNs

Each Floating Rate MTN bears interest on its outstanding principal amount from (and including) its Interest Commencement Date to (but excluding) its Maturity Date at the Interest Rate.

Interest is payable in arrear on:

- (a) each Interest Payment Date; or
- (b) if no Interest Payment Date is specified in the Pricing Supplement, each date which falls the number of months or other period specified as the Specified Period in the Pricing Supplement after the Interest Commencement Date or a preceding date determined under this paragraph (b).

7.2 Interest Rate determination

The Interest Rate payable in respect of a Floating Rate MTN must be determined by the Calculation Agent in accordance with these Conditions.

7.3 Fallback Interest Rate

Unless otherwise specified in the Pricing Supplement, if, in respect of an Interest Period, the Calculation Agent is unable to determine a rate in accordance with Condition 7.2 ("Interest Rate determination"), the Interest Rate for the Interest Period is the Interest Rate applicable to the Floating Rate MTNs during the immediately preceding Interest Period.

7.4 ISDA Determination

If ISDA Determination is specified in the Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate applicable to the Floating Rate MTNs for each Interest Period is the ISDA Rate plus or minus the Margin (if any).

In this Condition:

- (a) **"ISDA Rate plus or minus the Margin (if any)"** means for an Interest Period, a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction if the Calculation Agent for the Floating Rate MTNs were acting as Calculation Agent for that Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:
 - (i) the Floating Rate Option, the Designated Maturity and the Reset Date are as specified in the Pricing Supplement; and
 - (ii) the Period End Dates are each Interest Payment Date, the Margin is the Spread and the Floating Rate Day Count Fraction is the Day Count Fraction; and

- (b) “**Swap Transaction**”, “**Floating Rate**”, “**Calculation Agent**” (except references to “**Calculation Agent for the Floating Rate MTNs**”), “**Floating Rate Option**”, “**Designated Maturity**”, “**Reset Date**”, “**Period End Date**”, “**Spread**” and “**Floating Rate Day Count Fraction**” have the meanings given to those terms in the ISDA Definitions.

7.5 Screen Rate Determination

If Screen Rate Determination is specified in the Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate applicable to the Floating Rate MTNs for each Interest Period is the sum of the Margin and the Screen Rate.

In this Condition, “**Screen Rate**” means, for an Interest Period, the quotation offered for the Reference Rate appearing on the Relevant Screen Page at the Relevant Time on the Interest Determination Date. However:

- (a) if there is more than one offered quotation displayed on the Relevant Screen Page at the Relevant Time on the Interest Determination Date, the “**Screen Rate**” means the rate calculated by the Calculation Agent as the average of the offered quotations. If there are more than five offered quotations, the Calculation Agent must exclude the highest and lowest quotations (or in the case of equality, one of the highest and one of the lowest quotations) from its calculation;
- (b) if an offered quotation is not displayed by the Relevant Time on the Interest Determination Date or if it is displayed but the Calculation Agent determines that there is an obvious error in that rate, the “**Screen Rate**” means:
- (i) the rate the Calculation Agent calculates as the arithmetic mean of the Reference Rates that each Reference Bank quoted to the leading banks in the Relevant Financial Centre specified in the Pricing Supplement at the Relevant Time on the Interest Determination Date; or
- (ii) where the Calculation Agent is unable to calculate a rate under paragraph (i) because it is unable to obtain at least two quotes, the rate the Calculation Agent calculates as the average of the rates (being the nearest equivalent to the Reference Rate) quoted by two or more banks chosen by the Calculation Agent in the Relevant Financial Centre at approximately the Relevant Time on the Interest Determination Date for a period equivalent to the Interest Period to leading banks carrying on business in the Relevant Financial Centre in good faith; or
- (c) if the Pricing Supplement specifies an alternative method for the determination of the Screen Rate Determination, then that alternative method applies.

7.6 Bank Bill Rate Determination

If Bank Bill Rate Determination is specified in the Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate applicable to the Floating Rate MTNs for each Interest Period is the sum of the Margin and the Bank Bill Rate.

In this Condition:

- (a) “**Bank Bill Rate**” means, for an Interest Period, the average mid rate for Bills having a tenor closest to the Interest Period as displayed on the “**BBSW**” page of the Reuters Monitor System on the first day of that Interest Period.

However, if the average mid rate is not displayed by 10:30 am on that day, or if it is displayed but the Calculation Agent determines that there is an obvious error in that rate, “**Bank Bill Rate**” means the rate determined by the Calculation Agent in good faith at approximately 10:30 am on that day, having regard, to the extent possible, to

the mid rate of the rates otherwise bid and offered for bank accepted Bills of that tenor at or around that time; and

- (b) “**Bill**” has the meaning it has in the Bills of Exchange Act 1909 of Australia and a reference to the acceptance of a Bill is to be interpreted in accordance with that Act.

7.7 Interpolation

If the Pricing Supplement states that "Linear Interpolation" applies to an Interest Period, the Interest Rate for that Interest Period is determined through the use of straight line interpolation by reference to two ISDA Rates, Screen Rates, Bank Bill Rates or other floating rates specified in the Pricing Supplement.

The first rate must be determined as if the Interest Period were the period of time for which rates are available next shorter than the length of the Interest Period (or any alternative Interest Period specified in the Pricing Supplement).

The second rate must be determined as if the Interest Period were the period of time for which rates are available next longer than the length of the Interest Period (or any alternative Interest Period specified in the Pricing Supplement).

8 Structured MTNs

This Condition 8 (“Structured MTNs”) applies to the MTNs only if the Pricing Supplement states that it applies.

8.1 Interest on Structured MTNs

Each interest bearing Structured MTN bears interest on its outstanding principal amount from (and including) its Interest Commencement Date to (but excluding) its Maturity Date at the Interest Rate.

Interest is payable in arrear on:

- (a) each Interest Payment Date; or
- (b) if no Interest Payment Date is specified in the Pricing Supplement, each date which falls the number of months or other period specified as the Specified Period in the Pricing Supplement after the Interest Commencement Date or a preceding date determined under this paragraph (b).

8.2 Interest Rate

The Interest Rate payable in respect of an interest bearing Structured MTN must be determined in the manner specified in the Pricing Supplement.

9 General provisions applicable to interest

9.1 Maximum or Minimum Interest Rate

If the Pricing Supplement specifies a Maximum Interest Rate or Minimum Interest Rate for any Interest Period, then the Interest Rate for the Interest Period must not be greater than the maximum, or be less than the minimum, so specified, as the case may be.

9.2 Calculation of Interest Rate and interest payable

The Calculation Agent must, as soon as practicable after determining the Interest Rate in relation to each Interest Period for each Floating Rate MTN and interest bearing Structured MTN, calculate the amount of interest payable for the Interest Period in respect of the outstanding principal amount of that MTN.

Unless otherwise specified in the Pricing Supplement, the amount of interest payable is calculated by multiplying the product of the Interest Rate for the Interest Period and the outstanding principal amount of the MTN by the applicable Day Count Fraction.

The rate determined by the Calculation Agent must be expressed as a percentage rate per annum.

9.3 Calculation of other amounts

If the Pricing Supplement specifies that any other amount is to be calculated by the Calculation Agent, the Calculation Agent must, as soon as practicable after the time at which that amount is to be determined, calculate the amount in the manner specified in the Pricing Supplement.

9.4 Notification of Interest Rate, interest payable and other items

The Calculation Agent must notify the Issuer, the Registrar, the MTN Holders (in accordance with Condition 20.1 ("Notices to MTN Holders")), each other Agent and any stock exchange or other relevant authority on which the MTNs are listed of:

- (a) each Interest Rate, the amount of interest payable and each other amount, item or date calculated or determined by it together with the Interest Payment Date; and
- (b) any amendment to any amount, item or date referred to in paragraph (a) arising from any extension or reduction in any Interest Period or calculation period.

The Calculation Agent must give notice under this Condition as soon as practicable after it makes its determination. However, it must give notice of each Interest Rate, the amount of interest payable and each Interest Payment Date by the fourth business day of the Interest Period.

The Calculation Agent may amend its determination of any amount, item or date (or make appropriate alternative arrangements by way of adjustment) as a result of the extension or reduction of the Interest Period or calculation period without prior notice but must notify the Issuer, the Registrar, the MTN Holders, each other Agent and each stock exchange or other relevant authority on which the MTNs are listed after doing so.

9.5 Determination final

The determination by the Calculation Agent of all amounts, rates and dates falling to be determined by it under these Conditions is, in the absence of manifest error, final and binding on the Issuer, the Registrar, each MTN Holder and each other Agent.

9.6 Rounding

For the purposes of any calculations required under these Conditions (unless otherwise specified in the Pricing Supplement):

- (a) all percentages resulting from the calculations must be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005 per cent. being rounded up to 0.00001 per cent.);
- (b) all figures must be rounded to five decimal places (with halves being rounded up); and

- (c) all amounts that are due and payable must be rounded (with halves being rounded up) to:
 - (i) in the case of Australian dollars, United States dollars or euro, the nearest cent; and
 - (ii) in the case of any other currency, the lowest amount of that currency available as legal tender in the country of that currency.

Part 4 Redemption and purchase

10 Redemption

10.1 Scheduled redemption

Each MTN is redeemable by the Issuer on the Maturity Date at its Redemption Amount unless:

- (a) the MTN has been previously redeemed;
- (b) the MTN has been purchased and cancelled;
- (c) the Pricing Supplement states that the MTN has no fixed maturity date; or
- (d) its maturity is varied pursuant to the Issuer's or MTN Holder's option in accordance with Conditions 10.5 ("Early redemption at the option of MTN Holders (MTN Holder put)") or 10.6 ("Early redemption at the option of the Issuer (Issuer call)").

10.2 Partly paid MTNs

Each Partly Paid MTN is redeemable on the Maturity Date in accordance with the Pricing Supplement.

10.3 Instalment MTNs

Each Instalment MTN is partially redeemable in the Instalment Amounts and on the Instalment Dates specified in the Pricing Supplement. The principal amount of each Instalment MTN is reduced by the Instalment Amount with effect from the Instalment Date.

10.4 Early redemption for taxation reasons

The Issuer may redeem all (but not some) of the MTNs of a Series in whole before their Maturity Date at the Redemption Amount and any interest accrued but unpaid on it to (but excluding) the redemption date if the Issuer determines that it is required under Condition 13.2 ("Withholding tax") to increase the amount of a payment in respect of an MTN.

However, the Issuer may only do so if:

- (a) the Issuer has given at least 15 days' (and no more than 60 days') (or any other period specified in the Pricing Supplement) notice to the Registrar, the MTN Holders, each other Agent and any stock exchange or other relevant authority on which the MTNs are listed;
- (b) before the Issuer gives the notice under paragraph (a), the Registrar has received a certificate signed by two directors of the Issuer that the Issuer would be required under Condition 13.2 ("Withholding tax") to pay an additional amount on the next payment in respect of the MTNs;

- (c) in the case of Fixed Rate MTNs, no notice of redemption is given earlier than 60 days before the earliest date on which the Issuer would be obliged to pay Additional Amounts; and
- (d) in the case of Floating Rate MTNs and Structured MTNs bearing a floating rate of interest:
 - (i) the proposed redemption date is an Interest Payment Date; and
 - (ii) no notice of redemption is given earlier than 60 days before the Interest Payment Date occurring immediately before the earliest date on which the Issuer would be obliged to pay Additional Amounts.

10.5 Early redemption at the option of MTN Holders (MTN Holder put)

If the Pricing Supplement states that an MTN Holder may require the Issuer to redeem all or some of the MTNs of a Series held by that MTN Holder before their Maturity Date, the Issuer must redeem the MTNs specified by the MTN Holder at the Redemption Amount and any interest accrued but unpaid on it to (but excluding) the redemption date if the following conditions are satisfied:

- (a) the amount of MTNs to be redeemed is a multiple of their Denomination;
- (b) the MTN Holder has given at least 30 days' (and no more than 60 days') (or any other period specified in the Pricing Supplement) notice, to the Issuer and the Registrar by delivering to the Specified Office of the Registrar during normal business hours a completed and signed redemption notice in the form obtainable from the Specified Office of the Registrar together with any evidence the Registrar may require to establish title of the MTN Holder to the MTN;
- (c) the notice referred to in paragraph (b) specifies an account in the country of the currency in which the MTN is denominated to which the payment should be made or an address to where a cheque for payment should be sent;
- (d) the redemption date is an Early Redemption Date (Put) specified in the Pricing Supplement; and
- (e) any other condition specified in the Pricing Supplement is satisfied.

An MTN Holder may not require the Issuer to redeem any MTN under this Condition 10.5 ("Early Redemption at the option of MTN Holders (MTN Holder put)") if the Issuer gives or has given notice that it will redeem that MTN under Condition 10.4 ("Early redemption for taxation reasons") or Condition 10.6 ("Early redemption at the option of the Issuer (Issuer call)").

10.6 Early redemption at the option of the Issuer (Issuer call)

If the Pricing Supplement states that the Issuer may redeem all or some of the MTNs of a Series before their Maturity Date under this Condition, the Issuer may redeem so many of the MTNs specified in the Pricing Supplement at the Redemption Amount and any interest accrued but unpaid on it to (but excluding) the redemption date.

However, the Issuer may only do so if:

- (a) the amount of MTNs to be redeemed is, or is a multiple of, their Denomination;
- (b) the Issuer has given at least 30 days' (and no more than 60 days') (or any other period specified in the Pricing Supplement) notice to the Registrar, the MTN Holders, each other Agent and any stock exchange or other relevant authority on which the MTNs are listed;

- (c) the proposed redemption date is an Early Redemption Date (Call) specified in the Pricing Supplement; and
- (d) any other condition specified in the Pricing Supplement is satisfied.

10.7 Partial redemptions

If only some of the MTNs are to be redeemed under Condition 10.6 (“Early redemption at the option of the Issuer (Issuer call)”), the MTNs to be redeemed must be specified in the notice and selected:

- (a) in a fair and reasonable manner; and
- (b) in compliance with any applicable law, directive or requirement of any stock exchange or other relevant authority on which the MTNs are listed.

10.8 Effect of notice of redemption

Any notice of redemption given under this Condition 10 (“Redemption”) is irrevocable.

10.9 Late payment

If an amount is not paid under this Condition 10 (“Redemption”) when due, then:

- (a) for an MTN (other than a Zero Coupon MTN or a Structured MTN), interest continues to accrue on the unpaid amount (both before and after any demand or judgment) at the default rate specified in the Pricing Supplement (or, if no default rate is specified, the last applicable Interest Rate) until the date on which payment is made to the MTN Holder;
- (b) for a Zero Coupon MTN, the obligation to pay the amount is replaced by an obligation to pay the Amortised Face Amount recalculated as at the date on which payment is made to the MTN Holder; and
- (c) for a Structured MTN as specified in the Pricing Supplement:
 - (i) interest continues to accrue at the default rate specified in the Pricing Supplement (or, if no default rate is specified, the last applicable Interest Rate) until the date on which payment is made to the MTN Holder; or
 - (ii) the obligation to pay the amount is replaced by an obligation to pay an amount determined in the manner specified in the Pricing Supplement.

10.10 Purchase

The Issuer and any of its Related Entities may at any time purchase MTNs in the open market or otherwise and at any price. If purchases are made by tender, tenders must be available to all MTN Holders alike. MTNs purchased under this Condition 10.10 (“Purchase”) may be held or resold at the discretion of the purchaser or (if the purchaser is the Issuer) cancelled at the discretion of the Issuer, subject to compliance with any applicable law or requirement of any stock exchange or other relevant authority on which the MTNs are listed.

Part 5 Payments

11 General provisions

11.1 Summary of payment provisions

Payments in respect of MTNs must be made in accordance with Condition 12 (“Payments”).

11.2 Payments subject to law

All payments are subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment and the administrative practices and procedures of fiscal and other authorities in relation to tax, anti-money laundering and other requirements which may apply to payments of amounts due (whether principal, redemption amount, interest or otherwise) in respect of MTNs, but without prejudice to the provisions of Condition 13 (“Taxation”). However, if any withholding is required under FATCA, the Issuer will not be required to pay any additional amount under Condition 13 (“Taxation”) on account of such withholding.

11.3 Payments on business days

If a payment is due on a day which is not a Business Day then the due date for payment is adjusted in accordance with the applicable Business Day Convention.

The MTN Holder is not entitled to any additional payment in respect of that delay.

11.4 Currency indemnity

The Issuer waives any right it has in any jurisdiction to pay an amount other than in the currency in which it is due (except where that currency is no longer available). However, if an MTN Holder receives an amount in a currency other than that in which it is due:

- (a) it may convert the amount received into the due currency (even though it may be necessary to convert through a third currency to do so) on the day and at such rates (including spot rate, same day value rate or value tomorrow rate) as it reasonably considers appropriate. It may deduct its usual costs in connection with the conversion; and
- (b) the Issuer satisfies its obligation to pay in the due currency only to the extent of the amount of the due currency obtained from the conversion after deducting the costs of the conversion.

12 Payments

12.1 Payment of principal

Payments of principal and any final Instalment Amount in respect of a Registered MTN will be made to each person registered on the Record Date as the holder of a Registered MTN.

12.2 Payment of interest

Payments of interest and Instalment Amounts (other than the final Instalment Amount) in respect of a Registered MTN will be made to each person registered on the Record Date as the holder of that Registered MTN.

12.3 Payments to accounts

Payments in respect of MTNs will be made in Australia unless prohibited by law, and:

- (a) if the MTNs are held in the Austraclear System, by crediting on the payment date, the amount due to:
 - (i) the account of Austraclear (as the MTN Holder) in the country of the currency in which the Registered MTN is denominated previously notified to the Issuer and the Registrar; or
 - (ii) if requested by Austraclear, the accounts of the persons in whose Security Record (as defined in the Austraclear Regulations) a Registered MTN is recorded as previously notified by Austraclear to the Issuer and the Registrar in accordance with Austraclear Regulations; and
- (b) if the MTNs are not held in the Austraclear System, by crediting on the payment date, the amount then due under each Registered MTN to an account previously notified by the MTN Holder to the Issuer and the Registrar.

If a payment in respect of MTNs is prohibited by law from being made in Australia, such payment will be made in an international financial centre for the account of the relevant payee, and on the basis that the relevant amounts are paid in immediately available funds, freely transferable at the order of the payee.

12.4 Payments by cheque

If the MTN Holder has not notified the Registrar of an account to which payments to it must be made by the Record Date, payments in respect of the Registered MTN will be made by cheque sent by prepaid post on or before the payment date, at the risk of the registered MTN Holder, to the MTN Holder (or to the first named joint holder of the MTN) at its address appearing in the Register at the close of business on the Record Date. Cheques sent to the nominated address of an MTN Holder are taken to have been received by the MTN Holder on the payment date and, no further amount is payable by the Issuer in respect of the MTNs as a result of the MTN Holder not receiving payment on the due date.

12.5 No payment in the United States

No payment of principal (or premium, if any) or interest in respect of any MTN, will be mailed to an address in the United States or transferred to an account maintained by any MTN Holder in the United States.

13 Taxation

13.1 No set-off, counterclaim or deductions

All payments in respect of the MTNs must be made in full without set-off or counterclaim, and without any withholding or deduction in respect of Taxes, unless prohibited by law.

13.2 Withholding tax

Subject to this Condition 13.2 and Conditions 13.3 (“Withholding tax exemptions (MTNs issued by TFA)”), 13.4 (“Withholding tax exemptions (MTNs issued by TMCC)”) and 13.5 (“Withholding tax exemptions (MTNs issued by TMF)”), if a law requires the Issuer to withhold or deduct an amount in respect of Taxes from a payment in respect of the MTNs such that the MTN Holder would not actually receive on the due date the full amount provided for under the MTNs, then:

- (a) the Issuer agrees to deduct the amount for the Taxes (and any further withholding or deduction applicable to any further payment due under paragraph (b) below); and
- (b) if the amount deducted or withheld is in respect of Taxes imposed by a Relevant Tax Jurisdiction, the Issuer agrees to pay an additional amount so that, after making the deduction and further deductions applicable to additional amounts payable under this Condition, each MTN Holder is entitled to receive (at the time the payment is due) the amount it would have received if no deductions or withholdings had been required to be made.

Notwithstanding the foregoing, no Issuer shall be required to pay an Additional Amount under this Condition 13 in respect of any tax imposed pursuant to FATCA.

13.3 Withholding tax exemptions (MTNs issued by TFA)

In the case of MTNs issued by TFA, TFA is not required to pay an Additional Amount under Condition 13.2(b) ("Withholding tax") if the obligation to do so arises as a result of any one or more of the following:

- (a) the deduction is required in respect of Taxes by reason of the MTN Holder having some connection with a Relevant Tax Jurisdiction other than the mere holding of the MTN or receipt of payment in respect of the MTN;
- (b) the deduction is required as a result of Taxes which would not be required to be deducted if the MTN Holder (or the person receiving payment on its behalf):
 - (i) provided TFA, its agent or any tax authority with their name, address, registration number or similar details or any relevant tax exemption or similar details; or
 - (ii) ensured that any third party complied with any other statutory requirements (such as making a declaration of non-residence or similar claim) for any relevant tax exemption;
- (c) the deduction is required as a result of an MTN Holder being an Offshore Associate of TFA and the MTN Holder is acting other than in the capacity of a clearing house, paying agent, custodian, funds manager or responsible entity of a registered scheme within the meaning of the Corporations Act;
- (d) the deduction is required in respect of a payment to, or to a third party on behalf of, an Australian resident MTN Holder or a non-resident MTN Holder carrying on business in Australia at or through a permanent establishment of the non-resident in Australia, if that MTN Holder has not supplied an appropriate tax file number, an Australian business number or other exemption details; or
- (e) in any other circumstances specified in the Pricing Supplement.

13.4 Withholding tax exemptions (MTNs issued by TMCC)

In the case of MTNs issued by TMCC, TMCC is not required to pay an Additional Amount under Condition 13.2(b) ("Withholding tax") if the obligation to do so arises as a result of any one or more of the following:

- (a) the deduction would not have been required but for:
 - (i) the existence of any present or former connection between the relevant MTN Holder or beneficial owner of the MTN (or between a fiduciary, settlor, beneficiary, member or shareholder of, or possessor of a power over, such MTN Holder or beneficial owner, if such MTN Holder or beneficial owner is an estate, a trust, a partnership or a corporation) and the United States,

including, without limitation, being or having been present therein, being or having been a citizen or resident thereof, being or having been engaged in a trade or business therein or having or having had a permanent establishment therein;

- (ii) the failure of such MTN Holder to comply with any certification, identification, documentation or information reporting requirements under the income tax laws and regulations of the United States, without regard to any tax treaty, or any political subdivision or taxing authority thereof or therein to establish entitlement to an exemption from withholding as a United States Alien; or
 - (iii) the claim for payment in relation to an MTN being made on a date more than 10 days after the date on which such payment is due or is duly provided for, whichever occurs later;
- (b) the deduction is required as a result of Taxes which would not be required to be deducted if the MTN Holder (or the person receiving payment on its behalf) could have avoided such withholding or deduction by satisfying any statutory or procedural requirements including, without limitation, the provision of information;
 - (c) the relevant Tax is an estate, inheritance, gift, sales, transfer, personal property, or any similar tax, assessment or governmental charge;
 - (d) the relevant Tax is payable other than by withholding from payments of principal of or interest on a MTN;
 - (e) the relevant Tax is imposed by reason of such holder's past or present status as a personal holding company, private foundation or other tax exempt organisation, passive foreign investment company, foreign personal holding company bank or controlled foreign corporation with respect to the United States or as a corporation that accumulates earnings to avoid United States federal income tax;
 - (f) the relevant Tax is imposed by reason of such holder's past or present status as the actual or constructive owner of 10% or more of the total combined voting power of all classes of stock of the Issuer entitled to vote or as a bank extending credit pursuant to a loan agreement entered into the ordinary course of its trade or business;
 - (g) the relevant Tax is imposed solely because the MTN Holder, beneficial owner or any other person fails to comply with any certification, identification or other reporting requirement concerning the nationality, residence, identity or connection with the United States of the MTN Holder or the beneficial owner of a MTN if such compliance is required by statute or regulation of the United States, or by an applicable income tax treaty to which the United States is a party, as a precondition to relief or exemption from such tax, assessment or other governmental charge; or
 - (h) in any other circumstances specified in the Pricing Supplement,

nor shall Additional Amounts be paid with respect to a payment of principal of or interest on an MTN to a holder that is not the beneficial owner of such MTN to the extent that the beneficial owner thereof would not have been entitled to the payment of such Additional Amounts had such beneficial owner been the holder of such MTN.

13.5 Withholding tax exemptions (MTNs issued by TMF)

In the case of MTNs issued by TMF, TMF is not required to pay an Additional Amount under Condition 13.2(b) ("Withholding tax") if the obligation to do so arises as a result of any one or more of the following:

- (a) the deduction is required as a result of Taxes which would not be required to be deducted if the MTN Holder (or the person receiving payment on its behalf) could

have avoided such withholding or deduction by satisfying any statutory or procedural requirements including, without limitation, the provision of information;

- (b) the relevant Tax imposed solely because the MTN Holder, beneficial owner or any other person fails to comply with any certification, identification or other reporting requirement concerning the nationality, residence, identity or connection with the Netherlands of the MTN Holder or the beneficial owner of a MTN if such compliance is required by statute or regulation of the Netherlands, or by an applicable income tax treaty to which the Netherlands is a party, as a precondition to relief or exemption from such tax, assessment or other governmental charge; or
- (c) in any other circumstances specified in the Pricing Supplement.

14 Time limit for claims

A claim against the Issuer for a payment under an MTN is void unless made within 5 years from the date on which payment first became due.

Part 6 Events of Default

15 Events of Default

15.1 Event of Default

An Event of Default occurs in relation to a Series if:

- (a) default is made by the Issuer in the payment when due of any principal or interest in respect of any MTN and the default continues for a period of 14 days after the date when due;
- (b) default is made by the Issuer in the performance or observance of any covenant, condition or provision contained in the Conditions applicable to any of the MTNs or of any covenant, condition or provision for the benefit of MTN Holders contained in these Conditions or the MTN Deed Poll and on its part to be performed or observed (other than the covenant to pay the principal and interest in respect of the MTNs) and at the expiration of any applicable grace period therefor such covenant, condition or provision is not performed or observed in the period of 60 consecutive days after the date on which written notice of such default, requiring the Issuer to perform or observe such covenant, condition or provision, first shall have been given to the Issuer and the Registrar by the holders of not less than 25 per cent. in aggregate nominal amount of MTNs then outstanding;
- (c) the entry by a court having competent jurisdiction of:
 - (i) a decree or order granting relief in respect of the Issuer in an involuntary proceeding under any applicable bankruptcy, insolvency or other similar law and such decree or order shall remain unstayed and in effect for a period of 60 consecutive days;
 - (ii) a decree or order adjudging the Issuer to be insolvent, or approving a petition seeking reorganisation, arrangement, adjustment or composition of the Issuer and such decree or order shall remain unstayed and in effect for a period of 60 consecutive days; or
 - (iii) a final and non-appealable order appointing a custodian, receiver, liquidator, assignee, trustee or other similar official of the Issuer or of any substantial

part of the property of the Issuer, or ordering up the winding up or liquidation of the Issuer,

in each case of (i), (ii) or (iii) otherwise than for the purposes of or pursuant to and followed by a consolidation, amalgamation, merger, reconstruction or reorganisation in which a continuing corporation effectively assumes all obligations of the Issuer under the MTNs or the terms of which have previously been approved by the written consent of holders of a majority in aggregate nominal amount of the MTNs then outstanding affected thereby, or by resolution adopted by the holders of a majority in aggregate nominal amount of such MTNs then outstanding present or represented at a meeting of the holders of the MTNs affected thereby at which a quorum is present, as provided in the Meetings Provisions; or

- (d) the commencement by the Issuer of a voluntary proceeding under any applicable bankruptcy, insolvency or other similar law or the consent of the Issuer to the entry of a decree or order for relief in an involuntary proceeding under any applicable bankruptcy, insolvency or other similar law, or the consent by the Issuer to the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee or similar official of the Issuer or for any substantial part of the property of the Issuer or the making by the Issuer of a general assignment for the benefit of creditors, or the Issuer failing generally to pay its debts as they become due, or the taking of corporate action by the Issuer in furtherance of any such action (in each case otherwise than for the purposes of such a consolidation, amalgamation, merger, reconstruction or reorganisation as is referred to in paragraph (c)).

Any Events of Default by the Issuer, other than the events described in Condition 15.1(a) ("Event of Default") above or in respect of where a default is made by the Issuer in the performance or observance of any covenant, condition or provision described in Condition 15.1(b) ("Event of Default") above which cannot be modified and amended without the written consent of the holders of all outstanding MTNs, may be waived by an Ordinary Resolution (as defined in the Meetings Provisions) of the holders of the affected MTNs then outstanding.

15.2 Consequences of an Event of Default

If an Event of Default occurs then an MTN Holder may declare by notice to the Issuer (with a copy to the Registrar) that each MTN held by it is to be redeemed at its Redemption Amount (together with any accrued interest but unpaid), and unless all such defaults shall have been remedied by the Issuer (or by the Parent or TFS pursuant to the relevant Credit Support Agreement) prior to receipt of such written notice, those amounts become due and payable on the next Business Day after service of the notice.

At any time after such declaration of acceleration with respect to the MTNs has been made and before a judgment or decree for payment of the money due with respect to any MTNs has been obtained by any MTN Holder, such declaration and its consequences may be rescinded and annulled, by an Ordinary Resolution (as defined in the Meeting Provisions) of the holders of the affected MTNs then outstanding, if:

- (a) the Issuer has paid to, or deposited with, the Registrar a sum sufficient to pay:
 - (A) all overdue payments of interest on the MTNs; and
 - (B) the principal of the MTNs which has become due otherwise than by such declaration of acceleration; and
- (b) all Events of Default with respect to the MTNs, other than the non-payment of the principal of such MTNs which has become due solely by such declaration of acceleration, have been either (i) remedied or (ii) waived as provided in Condition 15.1 ("Event of Default").

No such rescission shall affect any subsequent default or impair any right consequent thereon.

15.3 Notification

If an Event of Default occurs, the Issuer must promptly after becoming aware of it notify the Registrar of the occurrence of the Event of Default (specifying details of it) and use its reasonable endeavours to ensure that the Registrar promptly notifies MTN Holders, each other Agent and any stock exchange or other relevant authority on which the MTNs are listed of the occurrence of the Event of Default.

Part 7 General

16 Agents

16.1 Role of Agents

In acting under an Agency Agreement, each Agent acts solely as agent of the Issuer and does not assume any obligations towards or relationship of agency or trust for or with any MTN Holder.

16.2 Appointment and replacement of Agents

Each initial Agent for a Series is specified in the Pricing Supplement. Subject to Condition 16.4 ("Required Agents"), the Issuer reserves the right at any time to vary or terminate the appointment of any Agent and to appoint a successor.

Notice of any change of an Agent or its Specified Offices must promptly be given to the MTN Holders by the Issuer or the Agent on its behalf.

16.4 Required Agents

The Issuer must:

- (a) at all times maintain a Registrar; and

18 Variation

18.1 Variation with consent

Unless Condition 18.2 ("Variation without consent") applies, any Condition may be varied by the Issuer with the consent of the MTN Holders by Extraordinary Resolution in accordance with the Meetings Provisions.

18.2 Variation without consent

Any Condition may be amended by the Issuer without the consent of the MTN Holders if the amendment:

- (a) is of a formal, minor or technical nature;
- (b) is made to correct a manifest error;
- (c) is made to cure any ambiguity or correct or supplement any defective or inconsistent provision and, in the reasonable opinion of the Issuer, is not materially prejudicial to the interests of the MTN Holders; or
- (d) only applies to MTNs issued by it after the date of amendment.

19 Further issues

The Issuer may from time to time, without the consent of the MTN Holders, issue further MTNs having the same Conditions as the MTNs of any Series in all respects (or in all respects except for the Issue Date, Issue Price, Interest Commencement Date and, in respect of the first payment of interest (if any), the interest payment amount) so as to form a single series with the MTNs of that Series.

20.4 Deemed receipt - publication in newspaper

If published in a newspaper, they are taken to be received on the first date that publication has been made in all the required newspapers.

20.5 Deemed receipt - postal

If sent by post, they are taken to be received five days after posting.

21 Substitution of the Issuer

21.1 Substitution of Issuer

Subject to Condition 21.2 (“Conditions to substitution”) the Issuer (“**Retiring Issuer**”) may without the consent of the relevant MTN Holders substitute for itself, the Parent or any Subsidiary of the Parent as the debtor (“**Substitute Issuer**”) in respect of any Series (“**Relevant MTNs**”).

21.2 Conditions to substitution

The Retiring Issuer may make a substitution under these Conditions only if:

- (a) (**rating**) any rating of the Relevant MTNs will not be downgraded as a result of the substitution;
- (b) (**documents**) the Retiring Issuer and the Substitute Issuer have entered into the documents (“**Documents**”) necessary to effect the substitution and in which the Substituted Issuer has undertaken in favour of each MTN Holder of the Relevant MTNs to be bound by these Conditions, the Agency Agreement and the MTN Deed Poll, as the debtor in respect of those Relevant MTNs in place of the Retiring Issuer;
- (c) (**legal opinion**) the Substitute Issuer has obtained a legal opinion confirming that the Substitute Issuer’s obligations under the Documents are valid, binding and (subject to the terms of the Documents) enforceable subject only to the qualifications of the same or similar nature as apply to the Retiring Issuer’s obligations under these Conditions, the Agency Agreement and the MTN Deed Poll;
- (d) (**tax residence**) the Substitute Issuer is resident for tax purposes in a territory (“**New Residence**”) other than that in which the Retiring Issuer was resident for tax purposes (“**Former Residence**”), the Documents contain provisions necessary to ensure that each holder of the Relevant MTNs has the benefit of an undertaking in terms corresponding to the provisions of Condition 13 (“Taxation”), with, where applicable, the substitution of references to the Former Residence with references to the New Residence;
- (e) (**authorisations**) the Substitute Issuer and the Retiring Issuer have obtained all the authorisations necessary for the substitution and for the Substitute Issuer to comply with its obligations under these Conditions, the Agency Agreement and the MTN Deed Poll;
- (f) (**listing**) each stock exchange, or other relevant authority on which the Relevant MTNs are listed has confirmed (or provide similar advice) that the Relevant MTNs will continue to be listed after the proposed substitution; and
- (g) (**process agent**) if applicable, the Substitute Issuer has appointed a process agent in New South Wales as its agent to receive service of process on its behalf in relation to any action in connection with the Relevant MTNs.

21.3 Substituted Issuer’s rights

With effect on and from the time the substitution takes effect:

- (a) the Retiring Issuer has no further obligations to any MTN Holder, or other party to the Agency Agreement, in relation to the Relevant MTNs;
- (b) the Substitute Issuer has rights which are identical to the rights which the Retiring Issuer had in respect of the Relevant MTNs;

- (c) the Substitute Issuer assumes obligations towards the MTN Holders, and each of the parties to the Agency Agreement, which are identical to the obligations which the Retiring Issuer had in respect of the Relevant MTNs;
- (d) the Substitute Issuer is taken to be a party to the Agency Agreement and the MTN Deed Poll and is bound by their terms; and
- (f) a reference in the Agency Agreement and the MTN Deed Poll to “Issuer” includes a reference to the Substitute Issuer.

In paragraphs (b) and (c) a reference to “identical” rights or obligations is a reference to rights or obligations substantially identical in character to those rights or obligations rather than identical as to the person entitled to them or obliged to perform them.

21.4 Other rights and obligations not affected

Despite anything contained in these Conditions, the MTN Holders, each Agent, the Retiring Issuer and all other parties to the Agency Agreement remain entitled to their rights and bound by their obligations in respect of Relevant MTNs which have accrued up to and including when the substitution takes effect.

22 Governing law

22.1 Governing law

MTNs are governed by the law in force in New South Wales, Australia.

22.2 Jurisdiction

The Issuer submits, and each MTN Holder is taken to have submitted, to the non-exclusive jurisdiction of the courts of New South Wales and courts of appeal from them. The Issuer waives any right it has to object to an action being brought in those courts including by claiming that the action has been brought in an inconvenient forum or that those courts do not have jurisdiction.

22.3 Serving documents

Without preventing any other method of service, any document in any action may be served on the Issuer or an MTN Holder by being delivered or left at their registered office or principal place of business.

Relationship of Issuers and TFS with Parent

Each of TMF and TFA has entered into a Credit Support Agreement in English with TFS dated as of 7 August 2000 and TMCC has entered into a Credit Support Agreement in English with TFS dated as of 1 October 2000 (each a “**Credit Support Agreement**” and together the “**Credit Support Agreements**”, as may be amended, modified or supplemented from time to time). TFS has entered into a Basic Credit Support Agreement dated 14 July 2000, a Supplemental Credit Support Agreement dated 14 July 2000 and a Supplemental Credit Support Agreement No. 2 dated 2 October 2000 in each case in Japanese with the Parent (collectively, the “**Basic Agreement**”, as may be amended, modified or supplemented from time to time).

The following is a summary of certain of the terms of the Credit Support Agreements and the Basic Agreement, copies or, in the case of the Basic Agreement, an English translation of which are available from each Issuer at its office specified in the Directory on page 76.

TFS has agreed with each of the Issuers in the Credit Support Agreements:

- (i) to own, directly or indirectly, all of the outstanding shares of the capital stock of the relevant Issuer and not to pledge, directly or indirectly, or in any way encumber or otherwise dispose of any such shares of stock so long as the relevant Issuer has any outstanding bonds, debentures, notes and other investment securities and commercial papers (hereinafter called the “**Securities**”), unless required to dispose of any or all such shares of stock pursuant to a court decree or order of any governmental authority which, in the opinion of counsel to TFS, may not be successfully challenged;
- (ii) to cause the relevant Issuer and its subsidiaries, if any, to have a consolidated tangible net worth, as determined in accordance with generally accepted accounting principles in the jurisdiction of incorporation of the relevant Issuer and as shown on the relevant Issuer’s most recent audited annual consolidated balance sheet, of at least EUR100,000 in the case of TMF, A\$150,000 in the case of TFA and USD100,000 in the case of TMCC so long as Securities of each such relevant Issuer are outstanding. Tangible net worth means the aggregate amount of issued capital, capital surplus and retained earnings less any intangible assets; and
- (iii) if the relevant Issuer at any time determines that it will run short of cash or other liquid assets to meet its payment obligations on any Securities then or subsequently to mature and that it shall have no unused commitments available under its credit facilities with lenders other than TFS, then the relevant Issuer will promptly notify TFS of the shortfall and TFS will make available to the relevant Issuer, before the due date of such Securities, funds sufficient to enable it to pay such payment obligations in full as they fall due. The relevant Issuer will use such funds made available to it by TFS solely for the payment of such payment obligations when they fall due.

The Parent has agreed with TFS in the Basic Agreement:

- (i) to own, directly or indirectly, all of the outstanding shares of the capital stock of TFS and not to pledge, directly or indirectly, or in any way encumber or otherwise dispose of any such shares of stock so long as TFS has any outstanding bonds, debentures, notes and other investment securities and commercial paper (hereinafter called “**TFS Securities**”, which shall include, except for the purpose of paragraph (iii) below, any Securities issued by subsidiaries or affiliates of TFS in respect of which TFS has guarantee or credit support obligations), unless required to dispose of any or all such shares of stock pursuant to a court decree or order of any governmental authority which, in the opinion of counsel to the Parent, may not be successfully challenged;
- (ii) to cause TFS and TFS’s subsidiaries, if any, to have a consolidated tangible net worth, as determined in accordance with generally accepted accounting principles in Japan and as shown on TFS’s most recent audited annual consolidated balance sheet, of at least JPY10,000,000 so long as TFS Securities are outstanding. Tangible net worth means the

aggregate amount of issued capital, capital surplus and retained earnings less any intangible assets; and

- (iii) if TFS at any time determines that it will run short of cash or other liquid assets to meet its payment obligations in respect of any TFS Securities or obligations under any guarantee and credit support agreements then or subsequently to mature and that it shall have no unused commitments available under its credit facilities with lenders other than the Parent, then TFS will promptly notify the Parent of the shortfall and the Parent will make available to TFS, before the due date in respect of such obligations, funds sufficient to enable it to pay such payment obligations in full as they fall due. TFS will use such funds made available to it by the Parent solely for the payment of such payment obligations when they fall due.

The Credit Support Agreements and the Basic Agreement are not, and nothing contained therein and nothing done by TFS and the Parent respectively should be deemed to constitute a guarantee, direct or indirect, by TFS or the Parent respectively of any Securities or TFS Securities, respectively, including the MTNs. The Parent's obligations under the Basic Agreement and the obligations of TFS under the Credit Support Agreements, rank *pari passu* with its direct, unconditional, unsubordinated and unsecured debt obligations.

The Credit Support Agreements and the Basic Agreement provide that the holders of Securities and/or TFS Securities, as the case may be, including the MTNs, have the right to claim directly against TFS and/or the Parent, as the case may be, to perform any of its obligations under the Credit Support Agreements and/or the Basic Agreement, as the case may be. Such claim must be made in writing with a declaration to the effect that such a holder will have recourse to the rights given under the relevant Credit Support Agreement or the Basic Agreement, as the case may be. If TFS and/or the Parent receives such a claim from any of the holders of Securities and/or TFS Securities, as the case may be, TFS and/or the Parent must indemnify, without any further action or formality, such a holder against any loss or damage arising out of or as a result of the failure to perform any of its obligations under the Credit Support Agreements and/or the Basic Agreement, as the case may be. The holder of Securities and/or TFS Securities who made the claim may enforce such indemnity directly against TFS and/or the Parent, as the case may be.

The Credit Support Agreements and Basic Agreement each provide that either TFS or the relevant Issuer, in the case of the Credit Support Agreements, or that either the Parent or TFS, in the case of the Basic Agreement, may terminate such Agreement upon 30 days written notice to the other, with a copy to each statistical rating agency that, upon the request of the relevant Issuer or TFS, has issued a rating in respect of the relevant Issuer or any Securities, in the case of the Credit Support Agreements or, upon the request of TFS or the Parent, has issued a rating in respect of TFS or any TFS Securities, in the case of the Basic Agreement (in each case, a "**Rating Agency**"), subject to the limitation that termination will not take effect until or unless (i) all Securities, in the case of the Credit Support Agreements, or all TFS Securities, in the case of the Basic Agreement, issued on or prior to the date of such termination notice have been repaid or (ii) each Rating Agency has confirmed to the relevant Issuer, in the case of the Credit Support Agreements, or TFS, in the case of the Basic Agreement, that the debt ratings of all such Securities, in the case of the Credit Support Agreements, or all TFS Securities, in the case of the Basic Agreement, will be unaffected by such termination.

The Credit Support Agreements and the Basic Agreement are governed by, and construed in accordance with, the laws of Japan.

Each of the Issuers and TFS have entered into a credit support fee agreement which requires each of the Issuers to pay a fee to TFS based on a percentage of the weighted average outstanding amount of the relevant Issuer's bonds and other liabilities or securities entitled to credit support under the relevant Credit Support Agreement and Basic Agreement described above.

Selling Restrictions

*Under the Dealer Agreement dated 17 June 2008 as amended by a side letter dated 15 November 2012 between the Issuers, the Arranger and the Dealers (as amended and supplemented from time to time, the “**Dealer Agreement**”), the MTNs will be offered by the Issuers through one or more Dealers. The Issuers have the sole right to accept any offer to purchase MTNs and may reject that offer in whole or (subject to the terms of the offer) in part. Each Dealer has the right to reject any offer to purchase MTNs made to it in whole or (subject to the terms of such offer) in part. The Issuers are entitled under the Dealer Agreement to appoint one or more additional financial institutions as a Dealer for a particular Tranche or the Programme generally. Such financial institutions will be required to agree to the following selling restrictions.*

Each Dealer must comply with (a) all applicable laws and directives in any jurisdiction in which it may purchase, offer, sell, deliver or transfer MTNs or have in their possession or distribute this Information Memorandum or any relevant supplement, advertisement or other offering material in relation to the MTNs, and (b) the following selling restrictions. Additional selling restrictions and changes to the following selling restrictions may be set out in a relevant supplement issued in respect of the relevant MTNs or in a supplement to this Information Memorandum.

Neither the Issuers nor any Dealer represents that any MTNs may at any time lawfully be sold in compliance with any applicable registration or other requirements in any jurisdiction, or in accordance with any available exemption, or assumes any responsibility for facilitating that sale.

*In addition and unless the relevant supplement otherwise provides each Dealer must, in connection with the primary distribution of the MTNs issued by TFA, not sell those MTNs to any person in circumstances where employees or officers of the Dealer directly involved in, the sale know or have reasonable grounds to suspect that, as a result of such sale, any of those MTNs (or an interest in or right in respect of them) were being, or would later be, acquired either directly or indirectly by an associate of TFA within the meaning of section 128F(9) of the Income Tax Assessment Act 1936 of Australia and associated regulations (and, where applicable, any replacement legislation including, but not limited to, the Income Tax Assessment Act 1997 of Australia) (“**Australian Tax Act**”), except as permitted by section 128F(5) of the Australian Tax Act.*

1 General

No action has been taken in any jurisdiction that would permit a public offering of the MTNs or possession or distribution of this Information Memorandum or any relevant supplement, advertisement or other offering material in any jurisdiction where action for that purpose is required.

Persons into whose hands this Information Memorandum comes are required by the Issuers and Dealers to comply with all applicable laws and directives in each jurisdiction in which they purchase, offer, sell, deliver or transfer MTNs or have in their possession or distribute or publish this Information Memorandum or any relevant supplement, advertisement or other offering material and to obtain any authorisation required by them for the purchase, offer, sale, delivery or transfer by them of any MTNs under the laws or directives in force in any jurisdiction to which they are subject or in which they make such purchases, offers, sales, deliveries or transfers, in all cases at their own expense, and neither the Issuers nor any Dealer has responsibility for such matters. In accordance with the above, any MTNs purchased by any person may not be offered or sold by such person in any jurisdiction in circumstances which would result in any Issuer being obliged to register any prospectus or similar document relating to the MTNs in that jurisdiction.

The following selling restrictions may be changed by the Issuers after consultation with the Dealers following a change in any law or directive or in its interpretation or administration by an authority or the introduction of a new law or directive. Any change will be set out in the

relevant supplement issued in respect of the MTNs to which it relates (or in another supplement to this Information Memorandum).

2 Australia

No prospectus or other disclosure document (as defined in the Corporations Act) in relation to the Programme or any MTNs has been, or will be, lodged with ASIC. Each Dealer has represented and agreed and each further Dealer appointed under the Programme will be required to represent and agree that it:

- (a) has not (directly or indirectly) offered or invited applications, and will not offer or invite applications for the issue, sale or purchase of the MTNs in Australia (including an offer or invitation which is received by a person in Australia); and
- (b) has not distributed or published, and will not distribute or publish, this Information Memorandum or any supplement, advertisement or other offering material relating to the MTNs in Australia,

unless:

- (i) the aggregate consideration payable by each offeree is at least A\$500,000 (or its equivalent in any other currencies, but disregarding moneys lent by the offeror or its associates) or the offer or invitation otherwise does not require disclosure to investors under either Part 6D.2 or Chapter 7 of the Corporations Act;
- (ii) the offer or invitation does not constitute an offer to a “retail client” as defined for the purposes of section 761G of the Corporations Act;
- (iii) such action complies with all applicable laws, regulations and directives (including, without limitation, the financial services licensing requirements of Chapter 7 of the Corporations Act); and
- (iv) such action does not require any document to be lodged with ASIC.

3 The United States of America

- (1) The MTNs have not been and will not be registered under the Securities Act, and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in accordance with Regulation S under the Securities Act or pursuant to an exemption from the registration requirements of the Securities Act. Each Dealer has represented and agreed, and each further Dealer to be appointed under the Dealer Agreement will be required to represent and agree, that it has offered, sold and delivered any MTNs, and will offer, sell and deliver any MTNs (i) as part of their distribution at any time and (ii) otherwise until 40 days after the completion of the distribution of all MTNs of the Tranche of which such MTNs are a part, as determined and certified as provided below, only in accordance with Rule 903 of Regulation S under the Securities Act. Each Dealer who has purchased MTNs of a Tranche hereunder (or in the case of a sale of a Tranche of MTNs issued to or through more than one Dealer, each of such Dealers as to the MTNs of such Tranche purchased by or through it or, in the case of a syndicated issue, the relevant lead manager) shall determine and certify to the Issuer, the other Dealers (if any) and (if applicable) the lead manager the completion of the distribution of the MTNs of such Tranche and as such, the end of the distribution compliance period with respect to such Tranche. Each Dealer has also agreed and each further Dealer to be appointed under the Dealer Agreement will be required to agree that, at or prior to confirmation of sale of MTNs, it will have sent to each distributor, dealer or person receiving a selling concession, fee or other remuneration that purchases MTNs from it during the distribution compliance period a confirmation or notice to substantially the following effect:

“The Securities covered hereby have not been registered under the U.S. Securities Act of 1933, as amended (the “Securities Act”), and may not be offered, delivered or sold within the United States or to, or for the account or benefit of, U.S. persons (i) as part of their distribution at any time or (ii) otherwise until 40 days after the completion of the distribution of the Securities as determined and certified by the relevant Dealer, in the case of a non-syndicated issue, or the lead manager, in the case of a syndicated issue, and except in either case in accordance with Regulation S under the Securities Act. Terms used above have the meanings given to them by Regulation S.”

Each Dealer has represented and agreed, and each further Dealer to be appointed under the Dealer Agreement will be required to represent and agree, that it, its affiliates or any persons acting on its or their behalf have not engaged and will not engage in any directed selling efforts with respect to any MTN, and it and they have complied and will comply with the offering restrictions requirement of Regulation S.

Until the expiration of the 40-day distribution compliance period referred to above for a Tranche of MTNs, an offer or sale of any MTNs forming part of the Tranche within the United States by a dealer (whether or not participating in the offering of the MTNs) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an exemption from registration under the Securities Act.

Terms used in this subparagraph (1) have the meaning given to them by Regulation S under the Securities Act.

- (2) In addition, with respect to MTNs issued by TMCC that, as specified in the applicable Pricing Supplement, are intended to be issued under the procedures set forth in Section 1.871-14(e) of the U.S. Treasury Regulations (“**FTRO Rules**” and such MTN, an “**FTRO MTN**”), each Dealer has represented and agreed, and each further Dealer to be appointed under the Dealer Agreement will be required to represent and agree, as follows:
- (A) except to the extent permitted under Section 1.163-5(c)(2)(i)(D) of the U.S. Treasury Regulations (“**D Rules**”), (i) each Dealer has not offered or sold, and during the restricted period shall not offer or sell, MTNs to a person who is within the United States or its possessions or to a United States person, and (ii) each Dealer has not delivered and will not deliver within the United States or its possessions definitive MTNs that are sold during the restricted period;
 - (B) that it has and throughout the restricted period will have in effect procedures reasonably designed to ensure that its employees or agents who are directly engaged in selling MTNs are aware that such MTNs may not be offered or sold during the restricted period to a person who is within the United States or its possessions or to a United States person, except as permitted by the D Rules;
 - (C) each Dealer that is a United States person represents that it is acquiring the MTNs for the purposes of resale in connection with their original issuance and if it retains the MTNs for its own account, it will only do so in accordance with the requirements of Section 1.163-5(c)(2)(i)(D)(6) of the U.S. Treasury Regulations; and
 - (D) with respect to each affiliate that acquires MTNs from a Dealer for the purpose of offering or selling such MTNs during the restricted period, such Dealer has repeated and confirmed the representations and agreements contained in Clauses (A), (B) and (C) on such affiliate’s behalf.

The Dealers further agree to sell FTRO MTNs only to financial institutions (as defined in section 871(h)(5)(B) of the U.S. Internal Revenue Code or members of a clearing organization, and only to such financial institutions or clearing organization members that agree to provide periodic certificates regarding ownership of the FTRO MTNs in the form and at the times required by Section 1.871-41(e)(3)(i) of the U.S. Treasury Regulations.

Terms used in this subparagraph (2) have the meanings given to them by the U.S. Internal Revenue Code and regulations thereunder, including the D Rules.

- (3) Each issuance of Index Linked MTNs and Dual Currency MTNs will be subject to such additional United States selling restrictions, if any, as the relevant Issuer and the relevant Dealers shall agree as a term of the issuance and purchase of such MTNs, which additional selling restrictions shall be set out in the applicable Pricing Supplement. The Dealers agree that they will offer, sell or deliver such MTNs only in compliance with such additional United States selling restrictions.

4 European Economic Area

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “**Relevant Member State**”), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the “**Relevant Implementation Date**”) it has not made and will not make an offer of MTNs which are the subject of the offering contemplated by this Information Memorandum as completed by the applicable Pricing Supplement in relation thereto to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such MTNs to the public in that Relevant Member State:

- (a) if the applicable Pricing Supplement in relation to the MTNs specify that an offer of those MTNs may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State (a “**Non-exempt Offer**”), following the date of publication of a prospectus in relation to such MTNs which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, provided that any such prospectus has subsequently been completed by the applicable Pricing Supplement contemplating such Non-exempt Offer, in accordance with the Prospectus Directive, in the period beginning and ending on the dates specified in such prospectus or Pricing Supplement, as applicable and the relevant Issuer has consented in writing to its use for the purpose of that Non-exempt Offer;
- (b) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- (c) at any time to fewer than 100, or, if the Relevant Member State has implemented the relevant provision of the 2010 PD Amending Directive, 150 natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the relevant Issuer for any such offer; or
- (e) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of MTNs referred to in (b) to (d) above shall require the relevant Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an “**offer of MTNs to the public**” in relation to any MTNs in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the MTNs to be offered so as to enable an investor to decide to purchase or subscribe the MTNs, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression “**Prospectus Directive**” means Directive 2003/71/EC (and amendments thereto, including 2010 PD Amending Directive, to the extent implemented in the

Relevant Member State), and includes any relevant implementing measure in the Relevant Member State and the expression “**2010 PD Amending Directive**” means Directive 2010/73/EU.

5 United Kingdom

Each Dealer has represented and agreed and each further Dealer appointed under the Programme will be required to represent and agree that:

- (a) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any MTNs in, from or otherwise involving the United Kingdom;
- (b) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by it in connection with the issue or sale of any MTNs in circumstances in which Section 21(1) of the FSMA does not apply to the relevant Issuer; and
- (c) in relation to any MTNs which have a maturity of less than one year, (a) it is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business and (b) it has not offered or sold and will not offer or sell any MTNs other than to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or as agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses where the issue of the MTNs would otherwise constitute a contravention of Section 19 of the FSMA by the relevant Issuer.

6 The Netherlands

For selling restrictions in respect of the Netherlands, see “European Economic Area” above and in addition:

- (a) *Specific Dutch selling restriction for exempt offers:* Each Dealer has represented and has agreed and each further Dealer appointed under the Programme will be required to represent and agree that it will not make an offer of the MTNs to the public in the Netherlands in reliance on Article 3(2) of the Prospectus Directive unless:
 - (i) such offer is made exclusively to legal entities which are qualified investors (as defined in the Prospectus Directive and which includes authorised discretionary asset managers acting for the account of retail investors under a discretionary investment management contract) in the Netherlands;
 - (ii) standard exemption logo and wording are disclosed as required by article 5:20(5) of the Dutch Financial Markets Supervision Act (*Wet op het financieel toezicht*, the “**NLFMSA**”); or
 - (iii) such offer is otherwise made in circumstances in which article 5:20(5) of the NLFMSA is not applicable,

provided that no such offer of MTNs shall require any Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an “offer of MTNs to the public” in relation to any MTNs in the Netherlands means the communication in any form and by

any means of sufficient information on the terms of the offer and the MTNs to be offered so as to enable an investor to decide to purchase or subscribe the MTNs, as the same may be varied in the Netherlands by any measure implementing the Prospectus Directive in the Netherlands.

- (b) Zero Coupon MTNs in definitive form issued by any of the Issuers may only be transferred and accepted, directly or indirectly, within, from or into the Netherlands through the mediation of either the relevant Issuer or a member firm of Euronext Amsterdam N.V., with due observance of the Dutch Savings Certificates Act (*Wet inzake Spaarbewijzen*) of 21st May, 1985 (as amended) and its implementing regulations. No such mediation is required in respect of: (a) the transfer and acceptance of rights representing an interest in a Zero Coupon MTN in global form; (b) the initial issue of Zero Coupon MTNs in definitive form by the first holders thereof; (c) in respect of the transfer and acceptances of Zero Coupon MTNs in definitive form between individuals not acting in the conduct of a business or profession; or (d) the transfer and acceptance of such MTNs within, from or into the Netherlands if all Zero Coupon MTNs (either in definitive form or as rights representing an interest in a Zero Coupon MTN in global form) of any particular Series are issued outside the Netherlands and are not distributed within the Netherlands in the course of initial distribution or immediately thereafter. In the event that the Savings Certificates Act applies, certain identification requirements in relation to the issue and transfer of and payments on Zero Coupon MTNs have to be complied with and, in addition thereto, if such Zero Coupon MTNs in definitive form do not qualify as commercial paper traded between professional borrowers and lenders within the meaning of the agreement of 2nd February, 1987 attached to the Royal Decree of 11th March, 1987 (*Staatscourant 129*) (as amended), each transfer and acceptance should be recorded in a transaction note, including the name and address of each party to the transaction and the details and serial numbers of such MTNs.

As used herein “**Zero Coupon MTNs**” are that constitute a claim for a fixed sum against the relevant Issuer and on which interest does not become due during their term to maturity or on which no interest is due whatsoever.

7 Japan

The MTNs have not been and will not be registered under Financial Instruments and Exchange Law of Japan (Law No.25 of 1948, as amended) (the “**Financial Instruments and Exchange Law**”). Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree that it has not offered, sold, delivered or transferred and will not offer, sell, deliver or transfer any MTNs, directly or indirectly, in Japan or to, or for the benefit of, any resident of Japan (which term as used herein means any person resident in Japan, including any corporation or other entity organised under the laws of Japan) or to others for re-offering, resale, delivery or transfer, directly or indirectly, in Japan or to a resident of Japan, except pursuant to an exemption from the registration requirements of, and otherwise in compliance with the Financial Instruments and Exchange Law and any other applicable laws, regulations and ministerial guidelines of Japan.

8 Hong Kong

Each Dealer has represented and agreed and each further Dealer appointed under the Programme will be required to represent and agree, that:

- (a) it has not offered or sold and will not offer or sell in Hong Kong, by means of any document, any MTNs (except for MTNs which are a “structured product” as defined in the Securities and Futures Ordinance (Cap. 571) of Hong Kong) other than:
- (i) to persons whose ordinary business is to buy or sell shares or debentures (whether as principal or agent);

- (ii) to "professional investors" as defined in the Securities and Futures Ordinance (Cap. 571) of Hong Kong and any rules made under that Ordinance; or

Australian Taxation

1 Overview

The following is a summary of the Australian withholding tax treatment under the Australian Tax Act, the Taxation Administration Act 1953 of Australia and any relevant rulings, judicial decisions or administrative practice, at the date of this Information Memorandum, of payments of interest (as defined in the Australian Tax Act) on the MTNs to be issued by the Issuers under the Programme and certain other Australian tax matters.

This summary applies to holders of MTNs that are:

- *residents of Australia for tax purposes that do not acquire and hold their MTNs in the course of carrying on a business at or through a permanent establishment outside of Australia, and non-residents of Australia for tax purposes that acquire and hold their MTNs in the course of carrying on a business at or through a permanent establishment in Australia (“**Australian Holders**”); and*
- *non-residents of Australia for tax purposes that do not acquire and hold their MTNs in the course of carrying on a business at or through a permanent establishment in Australia, and Australian tax residents that acquire and hold their MTNs in the course of carrying on a business at or through a permanent establishment outside of Australia (“**Non-Australian Holders**”).*

The summary is not exhaustive and, in particular, does not deal with the position of certain classes of holders of the MTNs (including, without limitation, dealers in securities, custodians or other third parties who hold MTNs on behalf of any person). In addition, unless expressly stated, the summary does not consider the Australian tax consequences for persons who hold interests in the MTNs through Euroclear, Clearstream, Luxembourg, or another clearing system.

Holders of the MTNs should also be aware that particular terms of issue of any Series of MTNs may affect the tax treatment of that Series of MTNs. Information regarding taxes in respect of MTNs may also be set out in the applicable Pricing Supplement.

This summary is not intended to be, nor should it be construed as, legal or tax advice to any particular holder of the MTN. Each holder should seek professional tax advice in relation to their particular circumstances.

2 Australian Interest Withholding Tax

Part A - MTNs issued by TFA

The Australian Tax Act characterises securities as either “debt interests” (for all entities) or “equity interests” (for companies) including for the purposes of Australian interest withholding tax (“**IWT**”) and dividend withholding tax.

For Australian IWT purposes, “interest” is defined to include amounts in the nature of, or in substitution for, interest and certain other amounts.

Australian Holders

Payments of interest in respect of the MTNs to Australian Holders will not be subject to Australian IWT.

Non-Australian Holders

IWT is payable at a rate of 10 per cent. of the gross amount of interest paid by TFA to a Non-Australian Holder, unless an exemption is available.

(a) Section 128F exemption from IWT

An exemption from IWT is available in respect of interest paid on the MTNs if the requirements of section 128F of the Australian Tax Act are satisfied and the MTNs are not “equity interests” for the purposes of the Australian Tax Act.

Unless otherwise specified in any applicable Pricing Supplement (or another relevant supplement to this Information Memorandum), TFA intends to issue the MTNs in a manner which will satisfy the requirements of section 128F of the Australian Tax Act.

In broad terms, the requirements are as follows:

- (i) TFA is a resident of Australia and a company (as defined in section 128F(9) of the Australian Tax Act) when it issues the MTNs and when interest is paid;
- (ii) the MTNs are issued in a manner which satisfies the “public offer” test in section 128F of the Australian Tax Act.

In relation to the MTNs, there are five principal methods of satisfying the public offer test, the purpose of which is to ensure that lenders in capital markets are aware that TFA is offering the MTNs for issue. In summary, the five methods are:

- offers to 10 or more unrelated financiers, securities dealers or entities that carry on the business of investing or dealing in securities;
 - offers to 100 or more investors of a certain type;
 - offers of listed MTNs;
 - offers via publicly available information sources; or
 - offers to a dealer, manager or underwriter who offers to sell the MTNs within 30 days by one of the preceding methods;
- (iii) TFA does not know, or have reasonable grounds to suspect, at the time of issue, that the MTNs (or interests in the MTNs) were being, or would later be, acquired, directly or indirectly, by an “associate” of TFA, except as permitted by section 128F(5) of the Australian Tax Act (see below); and
 - (iv) at the time of the payment of interest, TFA does not know, or have reasonable grounds to suspect, that the payee is an “associate” of TFA, except as permitted by section 128F(6) of the Australian Tax Act (see below).

An “associate” of TFA for the purposes of section 128F of the Australian Tax Act includes:

- a person or entity which holds more than 50 per cent. of the voting shares of, or otherwise controls, TFA;
- an entity in which more than 50 per cent. of the voting shares are held by, or which is otherwise controlled by, TFA;
- a trustee of a trust where TFA is capable of benefiting (whether directly or indirectly) under that trust; and
- a person or entity who is an “associate” of another person or company which is an “associate” of TFA under any of the foregoing.

However, for the purposes of sections 128F(5) and (6) of the Australian Tax Act (see paragraphs (iii) and (iv) above), an “associate” of TFA does not include a Non-Australian Holder that is acting in the capacity of:

- (A) in the case of section 128F(5), a dealer, manager or underwriter in relation to the placement of the relevant MTNs, or a clearing house, custodian, funds manager or responsible entity of a registered managed investment scheme (for the purposes of the Corporations Act); or
- (B) in the case of section 128F(6), a clearing house, paying agent, custodian, funds manager or responsible entity of a registered managed investment scheme (for the purposes of the Corporations Act).

(b) Exemptions under certain double tax conventions

The Australian government has signed new or amended double tax conventions (“**New Treaties**”) with a number of countries which contain an exemption from IWT (each a “**Specified Country**”). The New Treaties apply to interest derived by a resident of a Specified Country.

Broadly, the New Treaties effectively prevent IWT applying to interest derived by:

- governments of the Specified Countries and certain governmental authorities and agencies in a Specified Country; and
- a “financial institution” resident in a Specified Country which is unrelated to and dealing wholly independently with TFA. The term “financial institution” refers to either a bank or any other enterprise which substantially derives its profits by carrying on a business of raising and providing finance. However, interest paid under a back to back loan or an economically equivalent arrangement will not qualify for this exemption.

The Australian Federal Treasury maintains a listing of Australia’s double tax conventions which provides details of country, status, withholding tax rate limits and Australian domestic implementation. This listing is available to the public on the Federal Treasury’s Department website at:
<http://www.treasury.gov.au/PublicationsAndMedia/Publications/2012/Aus-Tax-Treaties>.

(c) Payment of additional amounts

As set out in more detail in Condition 13.2 under “MTN Conditions”, and unless otherwise specified in a supplement to this Information Memorandum, if TFA is at any time required by law to deduct or withhold an amount in respect of any present or future taxes imposed or levied by or on behalf of the Commonwealth of Australia or a political subdivision thereof or therein having the power to tax in respect of the MTNs, TFA must, subject to certain exceptions, pay such additional amounts as shall be necessary in order to ensure that the net amounts receivable by the holders of the MTNs after such deduction or withholding are equal to the respective amounts of principal and interest which would have been received had no such deduction or withholding been required. If TFA is required to pay an additional amount in respect of the MTNs, TFA will have the option to redeem those MTNs in accordance with Condition 10.4 under “MTN Conditions”.

Part B - MTNs issued by TMCC and TMF

So long as TMCC and TMF continue to be non-residents of Australia for tax purposes and the MTNs issued by TMCC or TMF, as the case may be, are not attributable to a permanent

establishment of TMCC or TMF in Australia, payments of principal and interest made under MTNs issued by TMCC or TMF should not be subject to Australian IWT.

3. Australian income tax – interest payments

Australian Holders will be required to include any interest in respect of their MTNs in their Australian assessable income.

Whether the interest should be recognised as assessable income on a cash receipts or accruals basis (see also the “taxation of financial arrangements” summary below) will depend on the individual circumstances of the Australian Holder.

In respect of MTNs issued by TFA, on the basis that TFA satisfies the requirements of section 128F of the Australian Tax Act in respect of interest paid on the MTNs, then Non-Australian Holders should not be subject to Australian income tax in respect of interest payments received on their MTNs.

4. Other tax matters

Under Australian laws as presently in effect:

- (a) *taxation of financial arrangements* - the Australian Tax Act contains tax-timing rules for certain taxpayers to bring to account gains and losses from “financial arrangements”. The rules do not alter the rules relating to the imposition of IWT nor do they override the IWT exemption available under section 128F of the Australian Tax Act.

In addition, the rules do not apply to certain taxpayers or in respect of certain short term “financial arrangements”. They should not, for example, generally apply to holders of the MTNs which are individuals and certain other entities (for example, certain superannuation entities and managed investment schemes) which do not meet various turnover or asset thresholds, unless they make an election that the rules apply to their “financial arrangements”. Potential holders of the MTNs should seek their own tax advice regarding their own personal circumstances as to whether such an election should be made;

- (b) *death duties* – no MTNs will be subject to death, estate or succession duties imposed by Australia, or by any political subdivision or authority therein having power to tax, if held at the time of death;
- (c) *stamp duty and other taxes* - no ad valorem stamp, issue, registration or similar taxes are payable in Australia on the issue or transfer of any MTNs;
- (d) *TFN/ABN withholding – MTNs issued by TFA* - withholding tax is imposed at the rate of 46.5% on the payment of interest on certain registered securities unless the relevant payee has quoted an appropriate Australian TFN, (in certain circumstances) an ABN or proof of some other appropriate exemption.

Assuming the requirements of section 128F of the Australian Tax Act are satisfied with respect to the MTNs issued by TFA, then withholding will not apply to payments to a Non-Australian Holder. Payments to Australian Holders in respect of MTNs issued by TFA in registered form may be subject to a withholding where the Australian Holder does not quote an appropriate TFN, (in certain circumstances) ABN or provide proof of an appropriate exemption;

- (e) *additional withholdings from certain payments to non-residents* - the Governor-General may make regulations requiring withholding from certain payments to non-residents of Australia (other than payments of interest and other amounts which are already subject to the current IWT rules or specifically exempt from those rules). Regulations may only be made if the responsible Minister is satisfied the specified

payments are of a kind that could reasonably relate to assessable income of foreign residents. The possible application of any future regulations to the proceeds of any sale of the MTNs will need to be monitored;

- (f) *garnishee directions by the Commissioner of Taxation* – the Commissioner may give a direction requiring TFA to deduct from any payment to a holder of the MTNs any amount in respect of Australian tax payable by the holder. If TFA is served with such a direction, then TFA will comply with that direction and make any deduction required by that direction;
- (g) *supply withholding tax* - payments in respect of the MTNs can be made free and clear of any “supply withholding tax”; and
- (h) *goods and services tax (GST)* - neither the issue nor receipt of the MTNs will give rise to a liability for GST in Australia on the basis that the supply of MTNs will comprise either an input taxed financial supply or (in the case of an offshore subscriber) a GST-free supply. Furthermore, neither the payment of principal or interest by the Issuers, nor the disposal of the MTNs, would give rise to any GST liability in Australia.

United States Taxation

Certain material United States Federal Income and Estate Tax Considerations for Non-US Holders of MTNs issued by TMCC.

The following is a general summary of certain general material United States federal income and estate tax consequences under present law of the purchase, ownership and disposition of MTNs issued by TMCC by a Non-US Holder (as defined below) as of the date of this Information Memorandum. Except where noted, this summary deals only with MTNs issued by TMCC that are held as capital assets by a Non-US Holder who acquires the MTNs upon original issuance at their initial offering price. This summary does not address all aspects of United States federal income and estate taxes and does not deal with non-US, state, local or other tax considerations that may be relevant to Non-US Holders in light of their particular circumstances. It also does not provide a detailed description of the United States federal income and estate tax consequences applicable to investors subject to special treatment under the United States federal income tax laws, including Non-US Holders that are financial institutions, a United States expatriate, a person treated as a resident of more than one country, a “controlled foreign corporation”, a “passive foreign investment company” or a corporation that accumulates earnings to avoid United States federal income tax or a Non-US Holder otherwise subject to United States federal income tax on a net income basis.

THE STATEMENTS ABOUT US FEDERAL INCOME TAX CONSIDERATIONS ARE MADE TO SUPPORT MARKETING OF THE MTNS, NO TAXPAYER CAN RELY ON THEM TO AVOID US TAX PENALTIES. EACH PROSPECTIVE PURCHASER SHOULD SEEK ADVICE FROM AN INDEPENDENT TAX ADVISER ABOUT THE TAX CONSEQUENCES UNDER ITS OWN PARTICULAR CIRCUMSTANCES OF THE ACQUISITION, OWNERSHIP AND DISPOSITION OF THE MTNS UNDER THE LAWS OF THE NETHERLANDS, AUSTRALIA, THE UNITED STATES AND ITS CONSTITUENT JURISDICTIONS AND ANY OTHER JURISDICTION WHERE THE PROSPECTIVE PURCHASER MAY BE SUBJECT TO TAXATION.

A “**Non-US Holder**” means a beneficial owner of MTNs that is not for United States federal income tax purposes (1) an individual citizen or resident of the United States, (2) a corporation (or other entity treated as a corporation for United States federal income tax purposes) created or organized in or under the laws of the United States or any political subdivision thereof, (3) an estate the income of which is subject to United States federal income taxation regardless of its source or (4) a trust that is subject to the primary supervision of a US court and to the control of all substantial decisions by one or more US persons.

If a partnership (including an entity treated as a partnership for United States federal income tax purposes) holds MTNs, the tax treatment of a partner will generally depend upon the status of the partner and the activities of the partnership. Partners of a partnership holding MTNs should consult their own tax advisers.

Under present United States federal income and estate tax law, and subject to the discussions of FATCA withholding and information reporting and backup withholding below:

- payments of principal and interest (including original issue discount) on MTNs issued by TMCC to a Non-US Holder will not be subject to United States federal income or withholding tax, if, in the case of interest or original issue discount:
 - (1) the Non-US Holder does not actually or constructively own 10% or more of the total combined voting power of all classes of TMCC’s stock entitled to vote;
 - (2) the Non-US Holder is not (a) a controlled foreign corporation (as defined in section 957 of the U.S. Internal Revenue Code related to TMCC through stock ownership, (b) a bank receiving interest pursuant to a loan agreement entered into in the ordinary course of its trade or business, or (c) a foreign tax-exempt organization or a foreign private foundation for United States federal income tax purposes,

- (3) the interest is not effectively connected with the conduct of a trade or business of the Non-US Holder within the United States;
 - (4) the interest is not contingent on TMCC's or an affiliates' receipts, sales, income or profits or on changes in the value of TMCC's property or otherwise described in Section 871(h)(4) of the U.S. Internal Revenue Code ("**Contingent Interest**"); and
 - (5) on or before the first payment on the MTN, the Non-US Holder (or a financial institution through which it holds the MTN) has provided the Paying Agents with a valid and properly executed U.S. Internal Revenue Service Form W-8 (or successor or substitute therefor) or other appropriate form of certification of non-U.S. status sufficient to establish a basis for exemption under sections 871(h)(2)B) and 881(c)(2)(B) of the U.S. Internal Revenue Code.
- generally, a Non-US Holder will not be subject to United States federal income tax on gain realized upon the sale, exchange, retirement or other disposition of MTNs issued by TMCC unless:
 - (1) the gain is effectively connected with the conduct of a trade or business of the Non-US Holder within the United States; or
 - (2) the Non-US Holder is an individual present in the United States for 183 days or more in the taxable year of the sale, exchange, retirement or other disposition and certain other conditions are met;
 - MTNs issued by TMCC beneficially owned by an individual who at the time of death was not a citizen or resident of the United States (as defined for the United States federal estate tax purposes) will not be included in the decedent's gross estate for United States federal estate tax purposes as a result of such individual's death, unless:
 - (1) the individual held the MTNs issued by TMCC in connection with the conduct of a trade or business within the United States;
 - (2) the individual actually or constructively owned 10% or more of the total combined voting power of all classes of TMCC's stock entitled to vote, or
 - (3) the MTNs provided for the payment of Contingent Interest.

FATCA Withholding

Under FATCA, interest (including OID, if any) paid after December 31, 2013 and proceeds of the sale, retirement or other disposition of and payments of premium, if any, paid after December 31, 2016 on MTNs issued after December 31, 2012 may be subject to a 30 per cent. gross basis withholding tax to the extent paid to a "foreign financial institution" or a "foreign non-financial entity" within the meaning of sections 1471 and 1472 of the U.S. Internal Revenue Code (or an intergovernmental agreement implementing such provisions) unless certain procedural requirements are satisfied and certain information is provided to the IRS. Comprehensive final rules regarding the form and content of such procedural requirements have not yet been published. Under certain circumstances, a Non-US Holder of the MTNs might be eligible for refunds or credits of such taxes. Prospective investors are encouraged to consult with their own tax advisers regarding the possible implications of this legislation on their investment in the MTNs.

Information Reporting and Backup Withholding

Payments of interest on and principal of MTNs, and the proceeds from the sale of MTNs, generally will not be subject to United States federal information reporting except to the extent a sale or other disposition of a MTN is effected through a U.S. office of a broker or through the foreign office of a broker with certain connections to the United States. Payments will not be subject to information reporting to the extent they are paid to a Non-US Holder that is a corporation or otherwise establishes its exemption from information reporting. Payments subject to information reporting generally will be subject to backup withholding tax unless the payment is made outside the United States to a non-U.S. person not controlled by a U.S. person. Any amount withheld may be credited against a Non-US

Holder's United States federal income tax liability or refunded to the extent it exceeds such holder's liability by timely filing appropriate information with the IRS. Non-US Holders should consult their own tax advisers regarding the application of the United States information reporting and backup withholding requirements or rules to their particular situations.

THE DISCUSSION ABOVE IS A GENERAL SUMMARY. IT DOES NOT COVER ALL TAX MATTERS THAT MAY BE IMPORTANT TO A PARTICULAR INVESTOR. EACH PROSPECTIVE INVESTOR SHOULD CONSULT ITS OWN TAX ADVISER ABOUT THE TAX CONSEQUENCES OF AN INVESTMENT IN THE MTNS UNDER THE INVESTOR'S OWN CIRCUMSTANCES.

Netherlands Taxation

This is a general summary and the tax consequences as described here may not apply to a holder of MTNs. Any potential investor should consult his own tax adviser for more information about the tax consequences of acquiring, owning and disposing of MTNs in his particular circumstances.

This taxation summary solely addresses the principal Dutch tax consequences of the acquisition, the ownership and disposition of MTNs issued by TMF after the date hereof held by a holder of MTNs who is not a resident of the Netherlands. It does not consider every aspect of taxation that may be relevant to a particular holder of MTNs under special circumstances or who is subject to special treatment under applicable law. Where in this summary English terms and expressions are used to refer to Dutch concepts, the meaning to be attributed to such terms and expressions shall be the meaning to be attributed to the equivalent Dutch concepts under Dutch tax law.

This summary is based on the tax laws of the Netherlands as they are in force and in effect on the date of this Information Memorandum. The Netherlands means the part of the Kingdom of the Netherlands located in Europe. The laws upon which this summary is based are subject to change, potentially with retroactive effect. A change to such laws may invalidate the contents of this summary, which will not be updated to reflect any such change. This summary assumes that each transaction with respect to MTNs is at arm's length.

1. Withholding Tax

All payments under the MTNs may be made free of withholding or deduction of any taxes of whatever nature imposed, levied, withheld or assessed by the Netherlands or any political subdivision or taxing authority thereof or therein.

2. Taxes on Income and Capital Gains

A holder of MTNs will not be subject to any Netherlands taxes on income or capital gains in respect of MTNs, including such tax on any payment under MTNs or in respect of any gain realised on the disposal, deemed disposal or exchange of MTNs, provided that:

- (i) such holder is neither a resident nor deemed to be a resident of the Netherlands, nor, if he is an individual, has elected to be taxed as a resident of the Netherlands;
- (ii) such holder does not have an enterprise or an interest in an enterprise that is, in whole or in part, carried on through a permanent establishment or a permanent representative in the Netherlands and to which enterprise or part of an enterprise, as the case may be, MTNs are attributable;
- (iii) if such holder is an individual, neither such holder nor any of his spouse, his partner, a person deemed to be his partner, or other persons sharing such person's house or household, or certain other of such persons' relatives (including foster children), whether directly and/or indirectly as (deemed) settlor, grantor or similar originator (the "Settlor"), or upon the death of the Settlor, his/her beneficiaries (the "Beneficiaries") in proportion to their entitlement to the estate of the Settlor of a trust, foundation or similar arrangement (the "Separated Private Assets"), (a) indirectly has control of the proceeds of MTNs in the Netherlands, nor (b) has a substantial interest in TMF and/or any other entity that legally or de facto, directly or indirectly, has control of the proceeds of MTNs in the Netherlands. For purposes of this clause (iii), a substantial interest is generally not present if a holder does not hold, alone or together with his spouse, his partner, a person deemed to be his partner, or other persons sharing such person's house or household, or certain other of such person's relatives (including foster children), whether directly or indirectly, (a) the ownership of, certain other rights, such as usufruct, over, or rights to acquire (whether or not already issued), shares representing 5 per cent. or more of the total issued and outstanding capital (or the issued and outstanding capital of any class of shares) of a company; (b) the ownership of, or certain other rights, such as usufruct, over profit participating certificates

(“*winstbewijzen*”), or membership rights in a co-operative association, that relate to 5 per cent. or more of the annual profit of a company or co-operative association or to 5 per cent or more of the liquidation proceeds of a company or co-operative association; or (c) membership rights representing 5 per cent. or more of the voting rights in a co-operative association’s general meeting;

- (iv) if such holder is a company, such holder (a) has no substantial interest in TMF, or (b) has a substantial interest in TMF that is not held with the avoidance of Netherlands income tax or dividend withholding tax as (one of) the main purpose(s), or (c) has a substantial interest in TMF that can be allocated to its business assets. For purpose of this clause (iv), a substantial interest is generally not present if a holder does not hold, whether directly or indirectly, (a) the ownership of, certain other rights, such as usufruct, over, or rights to acquire (whether or not already issued) shares representing 5 per cent. or more of the total issued and outstanding capital (or of the issued and outstanding capital of any class of shares) of a company; or (b) the ownership of, or certain other rights, such as usufruct, over profit participating certificates (“*winstbewijzen*”) that relate to 5 per cent. or more of the annual profit of a company or to 5 per cent. or more of the liquidation proceeds of a company; and
- (v) if such holder is an individual, such income or capital gain does not form a “benefit from miscellaneous activities” in the Netherlands (“*resultaat uit overige werkzaamheden*”) which, for instance, would be the case if the activities in the Netherlands with respect to the MTNs exceed “normal active asset management” (“*normaal, actief vermogensbeheer*”).

A holder of MTNs will not be subject to taxation in the Netherlands by reason only of the execution, delivery and/or enforcement of the documents relating to an issue of MTNs or the performance by TMF of its obligations thereunder or under the MTNs.

3 Gift, Estate and Inheritance Taxes

No gift, estate or inheritance taxes will arise in the Netherlands with respect to an acquisition of MTNs by way of a gift by, or on the death of, a holder of MTNs who is neither resident nor deemed to be resident in the Netherlands for Netherlands gift, estate or inheritance tax purposes, unless in the case of a gift of MTNs by an individual who at the date of the gift was neither resident nor deemed to be resident in the Netherlands, such individual dies within 180 days after the date of the gift, while being resident or deemed to be resident in the Netherlands.

For gift, estate and inheritance tax purposes, (i) a gift by a third party such as a trustee, foundation or similar entity or arrangement, will be construed as a gift by the Settlor, and (ii) upon the death of the Settlor, as a rule, his/her Beneficiaries, will be deemed to have inherited directly from the Settlor. Subsequently, the Beneficiaries will be deemed the Settlor of the Separated Private Assets for purposes of the Netherlands gift, estate and inheritance tax in case of subsequent gifts or inheritances.

4 Turnover Tax

No Netherlands turnover tax will arise in respect of any payment in consideration for the issue of MTNs with respect to any cash settlements of MTNs or with respect to the delivery of the MTNs.

5 Other Taxes And Duties

No Netherlands registration tax, capital tax, custom duty, transfer tax, stamp duty or any other similar documentary tax or duty, other than court fees, will be payable in the Netherlands in respect of or in connection with the execution, delivery and/or enforcement by legal proceedings (including the enforcement of any foreign judgment in the Courts of the Netherlands) of the documents relating to the issue of MTNs or the performance by TMF of its obligations thereunder or under the MTNs.

6 Savings Directive

Under European Council Directive 2003/48/EC on the taxation of savings income, Member States are required to provide to the tax authorities of another Member State details of payments of interest or similar income (similar income for this purpose includes, but is not limited to, payments on redemption of the MTNs representing any discount on the issue of the MTNs or any premium payable on redemption) paid by a person within its jurisdiction to, or for the benefit of, an individual resident in that other Member State or certain limited types of entities established in that other Member State. However, for a transitional period, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments, (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries), deducting tax at rates rising over time to 35 per cent.

A number of non-EU countries including Switzerland, and certain dependent or associated territories of certain Member States, have adopted similar measures (either provision of information or transitional withholding) in relation to payments made by a person within its jurisdiction to, or collected by such a person for, an individual resident or certain limited types of entity established in a Member State (a withholding system in the case of Switzerland at a rate of 35 per cent. with the option of the individual to have the paying agent in Switzerland provide to the tax authorities of the Member State the details of the interest payments in lieu of the withholding). In addition, the Member States have entered into provision of information or transitional withholding arrangements with certain of those dependent or associated territories in relation to payments made by a person in a Member State to, or collected by such a person for, an individual resident or certain limited types of entity established in one of those territories.

The European Commission has proposed certain amendments to the Directive, which may, if implemented, amend or broaden the scope of the requirements described above.
