### About the programme

The purpose of this award is to enable the learner to acquire the knowledge, skill and competence required to work independently or in a supervisory role in a range of health services contexts and or to progress to higher education and training.. The course offers an exciting curriculum that focuses on developing leadership abilities, communication skills, and an understanding of the operational aspects of healthcare services.

This Level 6 will cater to current Health Care Assistants or Support Workers who currently work in a Health Care Service in Ireland. Learners may be seeking new career opportunities, upskilling in their current role, or looking to progress to higher education.

### Entry Requirements

QQI Level 5 Major Award in a relevant field such as Healthcare Support, Healthcare Service Skills, Nursing Studies, Community Health Services, Applied Social Studies, Community Care, or Community Development.

### Student Support

- Comprehensive support from our full time in-house tutors through email, scheduled phone calls, webinars and a discussion forum
- Additional supports available to learners include:
- 1-to-1 monitoring of learner engagement & progress
- Peer-to-peer support through the online discussion forum
- Pastoral care & CV guidance
- Specific support for learners (via reasonable accommodations)
