

MACQUARIE

Financial Management Group

Financial Management Group (FMG) provides strategic advice that enables our businesses to make the best investment and financial management decisions.

Our teams

Finance provides financial management and control, regulatory reporting and business advisory services. Finance also has dedicated teams supporting Macquarie's operating groups.

Central supports all FMG functions globally and has responsibility for FMG's data hub and data management, FMG communications and learning and development, internal FMG financial reporting and budgeting, and facilitates FMG's projects and change.

Corporate Affairs actively engages with stakeholders to protect Macquarie's reputation and promote our brand globally. The team articulates what Macquarie does, who we are and why this matters to internal and external audiences.

Group Treasury is responsible for capital and funding, liquidity and interest rate risk management of Macquarie's balance sheet. The team also manages Macquarie's liquid asset portfolio and is responsible for managing debt investor, rating agency and banking relationships.

Tax provides tax support to all areas of Macquarie, managing relationships with revenue authorities worldwide and ensuring compliance with tax legislation.

Non-Financial Risk team supports the CFO by developing and implementing Macquarie's operational risk management framework.

What role will you play?
