From each of the above fabrics: Cut 2 - 2 1/2" squares. Then, from the remaining pieces of the above fabrics, cut 10 - 2" circles, and 10 - 1" circles from random colors (see image below). You'll want to have fusible web on the back of the circles, so first trace the 2" and 1" circles on the paper side of fusible web and loosely cut them out. Then iron the glue side of the fusible web to the wrong side of the fabric and cut out the circles on the drawn line.

From each of the four greens shown above: Cut 2 - 2 1/2" squares and 5 leaves. You'll want to have fusible web on the back of the leaves, so apply the fusible web the in the same way you did for the circles.

From espresso check: (3/4 yard)

Cut 10 - 4 1/2" squares for applique blocks.

Cut 2 - 1" x 20 1/2" strips.

Cut 2 - 1" x 17 1/2" strips.

Cut 2 - 11 1/4" x 17 1/2" pieces of the espresso check for backing.

Assembly: (1/4" seams)

1. Arrange the circle 'flowers' and leaves on each of the 10 applique blocks and fuse in place.
2. Whip stitch the flowers and leaves in place using coordinating colors of thread.
3. Using black perle cotton and a running stitch, stitch down the center of each leaf. Using the black and a buttonhole stitch, stitch around each flower center.
4. Sew four patches from the different colored 2 1/2" blocks as shown to the right and then sew quilt together as shown.
5. Border the quilt with the 1" strips of espresso - sew the 20 1/2" strips to the sides of the quilt and then sew the 17 1/2" strips to the top and bottom of the quilt.
6. Using a 1/2" seam, sew the 2 backing pieces together making a 17 1/2" x 21 1/2" back with an opening in the center as shown to the right.
7. Cut a 17 1/2" x 21 1/2" piece of batting. Place quilt top and quilt back right sides together and place batting under quilt top.
8. Using a 1/4" seam, sew all the way around the quilt. Trim corners and turn right side out through the opening in the back. Press and sew opening closed. Stitch in the ditch where the border strips meet the body of the quilt making a faux binding.
9. Quilt as desired. I stitched in the ditch around the 4" squares and then using black perle cotton and a running stitch, stitched diagonally through the 4 patch blocks.
