**Are There Any Other Penalty Fees Associated With This Card That Are Not Listed In The Box Above?** No. There are no additional Penalty Fees associated with this card.

**How Do You Calculate My Minimum Payment?** Your minimum payment will be equal to your new balance. We will also add any past due amount, including any late fees, to your minimum payment.

**Can I Use This Card For Transfers?** Transfers and access checks are not allowed on this account.

**What Does No Preset Spend Limit Mean?** Your card has no preset spending limit. While there is no predetermined spending limit, this does not mean you have unlimited purchasing power on your card. Check Confirm Purchasing Power on your online account or over the phone to verify how much you can spend.

**How Do I Get A Year-End Summary?** Your Capital One Business Card account must be open and in good standing and must have had at least one transaction in the last calendar year to receive a Year-End Summary.

### THINGS YOU SHOULD KNOW ABOUT THIS REWARDS PROGRAM

**How do I earn rewards?** You will earn 5% cash back on hotels and rental cars booked through Capital One Travel using this Rewards card account, and 2% cash back on all other purchases. Earnings will apply to net purchases (purchases minus any credits or returns) only. Cash advances, balance transfers, and checks used to access your account are not considered purchases and will not earn rewards. All purchases made outside of Capital One Travel such as hotel incidentals, upgrades or other expenses, will not earn the enhanced earn rate, but will receive the standard 2% cash back earn rate.

**How does my spend bonus work?** You will earn a \$2,000 bonus if you spend at least \$30,000 within 3 months of your rewards membership enrollment date, which will be applied to your rewards balance within two billing cycles. You will earn an additional \$2,000 bonus for every \$500,000 you spend within 12 months of your enrollment. Following the first 12 months after your enrollment, if you qualify for these additional bonuses we will apply the total amount of the additional bonuses to your rewards balance within two billing cycles. These spend bonuses may be earned independently, meaning you may earn one or both. Existing or previous account holders may not be eligible for these bonuses.

**How does my annual bonus work?** You will receive a statement credit of \$150 each year when you spend at least \$150,000 in net purchases by your membership anniversary date. You will see the statement credit within two billing cycles following your rewards membership anniversary date. Please note that statement credits lower your balance but do not count as payments. You must continue to make any required payments.

**Will my rewards ever expire?** Your rewards are yours for the life of the account—they will not expire. But if your account is closed, you may lose any rewards you have not redeemed.

**Is there a limit to the amount of rewards I can earn?** There is no cap to the amount of rewards you can earn on payments.

**How do I redeem my rewards?** You can get your cash back upon request in the form of a statement credit or a check. You can also set up an automatic redemption preference; options include: (1) at a set time each calendar year or (2) when a specific threshold has been reached. Just go online to [capitalone.com](http://capitalone.com). You can also redeem for credits for previous purchases, gift cards, and more. Rates for these redemption options may vary and can change in the sole discretion of Capital One. Accounts that are not in good standing (e.g., suspended, restricted, delinquent, or otherwise in default) or closed may have different redemption options or may lose any unredeemed rewards.

**What happens if I do not set up an automatic redemption preference?** Until you set up an automatic redemption preference, you will receive your cash back upon your request.

**How often can I change my automatic redemption preference?** You may change your automatic redemption preference at any time, but you cannot request an annual redemption to be fulfilled in the same month you make a change. If you have an automatic redemption preference, you may also make upon-request redemptions without interfering with your pre-established automatic redemption preference.

**How do I redeem my rewards for new travel reservations?** Go online to [travel.capitalone.com](http://travel.capitalone.com) to book your flight, car rental or hotel and use your cash back rewards to pay for your travel. If your travel transaction includes taxes, surcharges, and fees, these expenses will be included in the overall calculation to determine how much cash back rewards are required for redemption. Separately itemized travel transactions on your statement cannot be combined for a single redemption. Please note that Capital One has no control over how merchants itemize and charge related transactions.

**Is my account eligible to transfer rewards?** Your account may be eligible to transfer rewards. Please be aware that transfers are only permitted between certain Capital One rewards accounts. Not all rewards products are eligible for transfer.

**Full terms and details of the rewards program will be available in your Welcome Package upon approval.**

#### **IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT:**

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. **What this means for you:** When you open an account, we will ask for your name, address, date of birth and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

#### **STATE-SPECIFIC INFORMATION**

**Ohio Residents:** Ohio anti-discrimination laws require creditors to make credit equally available to all creditworthy customers and that credit reporting agencies maintain separate credit histories on individuals upon request. The Ohio Civil Rights Commission administers these laws.

**New York and Vermont Residents:** Capital One may obtain your credit reports, for any legitimate purpose associated with the account or the application or request for an account, including but not limited to reviewing, modifying, renewing and collecting on your account. On your request, you will be informed if such a report was ordered. If so, you will be given the name and address of the consumer reporting agency furnishing the report. New York residents may contact the New York State Department of Financial Services by telephone or visit its website for free information on comparative credit card rates, fees and grace periods. New York State Department of Financial Services: 1-877-226-5697 or <http://www.dfs.ny.gov>.

**Wisconsin Residents:** No provision of any marital property agreement, unilateral statement, or court order applying to marital property will adversely affect a creditor's interests unless, prior to the time credit is granted, the creditor is furnished with a copy of the agreement, statement or court order, or has actual knowledge of the provision. If the credit card for which you are applying is granted, you will notify the Bank if you have a spouse who needs to receive notification that credit has been extended to you.
