Empowering Students to Take Charge of Their Future.

## SUPERINTENDENT'S MESSAGE

DCG Family,

Let's start with a little transparency. I'm writing this message to you on Tuesday, October 22. We are two weeks from Election Day. Some of you will read this before the votes are tallied and some of you will see it after we've received the final results. Either way, I want you to hear a message of unity from me.

As a former American Government teacher, Election Day also has a special place in my heart. I will continue to exercise my right to vote, an essential part of my duty as an American citizen.

As superintendent of this great district, I am committed to providing a learning environment free of political beliefs. I want Tuesday, November 5 and Wednesday, November 6 to feel like normal school days. There will be significant outside noise, but my focus will be on reading, recess, writing, geometry, school lunch, French, industrial technology, computer science and everything in between. That's what makes us special at DCG.

There's no way for us to predict what will happen in the days and weeks to come, but I have one request for our entire community - kindness. Be kind to your neighbor, to your classmate, to your colleague.

Kindness doesn't need an election. Kindness always wins. Kindness will carry us through. Thanks for your continued support of DCG.

*Dr. Scott Blum* - DCG CSD Superintendent

## DISTRICT UPDATES

**Donation Drive** - Thank you DCG community! Your support made the 2024 DCG Clothing and Apparel Drive a huge success! Our students donated 166 pounds of DCG apparel to the Grimes Storehouse and Food Pantry in early October!

They also dropped off 226 pounds of food and \$325! DCG apparel flies off the shelves in the store, so we are so excited to help spread our school spirit with others in our community! A special thank you to the DCG High School and Oak View Student Council for helping lead this project!

**Strategic Plan Update**  
The DCG Strategic Plan process continues in our district! The work in October was highlighted by a meeting with our DCG Strategic Planning Team. This team read through the feedback from our focus group meetings in September and began to

align our district vision. This feedback was provided by staff, students and parents as we find a new “true north” for DCG. There will be additional avenues for stakeholder feedback in the near future!

**New Fence at North Ridge Elementary** - There's a new addition to the North Ridge Elementary complex. Crews installed a fence that runs the perimeter of the school's recess area. Don't worry, there's still plenty of room for soccer and kickball! Thanks to the DCG Buildings and Grounds team for their support of this project!

**DCG School Board** - The next DCG School Board Meeting will be held on Monday, November 25 at 5:30 inside the Administration Office Board Room. The agenda and livestream link will be posted at [DCGschools.com](http://DCGschools.com).

# HIGH SCHOOL

**Local Artist Visits DCG High School** - What an awesome experience for our art students! Local artist Reiko Uchtyl stopped by a couple of art classes at Dallas Center-Grimes High School to share her experiences with our students. She worked on a sgraffito project while also answering questions from our artists!

**Random Acts of Kindness** - The Dallas Center-Grimes High School National Honor Society spent an October morning spreading joy! DCG NHS crafted messages of positivity (and a little candy) and shared them throughout the building! There's no better way to start the day!

**Turkey Food Drive** - The DCG High School Student Council's Turkey Drive is underway! Our goal for 2024 is to reach 10,000 points - all food and toiletry items are one point, each dollar is two points. All donations will stay in our community and serve the Grimes Storehouse and the Dallas Center Food Pantry! Between both food pantries, they are serving more than 100 people each month! Donations are accepted through November 26!

**Field Trip Learning** - Fourth grade students at North Ridge Elementary traveled to Living History Farms for a fall field trip. Students traveled through three different eras that showcased how farming and life has changed. They also traveled through a model 1900's town to learn more about the jobs of a blacksmith, printer and banker.

## FROM OUR BUILDINGS

**Oak View Visitors** - Seventh grade social studies classes hosted guest speakers, Samuel and Mariama Menyongar, from Liberia and Sierra Leone. The Menyongars spoke about their experiences surviving civil wars, living as refugees, and supporting others by establishing multiple children's homes and schools. This

connection to life outside of DCG proved to be a powerful experience for all of our students!

**DCG SIAC Begins** - DCG SIAC (School Improvement Advisory Committee) held its first meeting of the 2024-25 school year in October. This group is made up of district administrators, building leaders, staff and students. The group provides essential feedback as we align our goals. October's discussion featured professional development updates, DCG assessment data review and key district updates. This is the first of three meetings during the school year.

The pizza serving will include all five groups! Thanks to our culinary educator and the team at Chartwells for providing this experience for our students! It's always a fun experience to watch students try a new food for the first time!
