Empowering Students to Take Charge of Their Future.

MESSAGE FROM THE SUPERINTENDENT

DCG Family,

It's a popular conversation this time of year. What are you thankful for? Thanks for asking! Here's my list.

Family - I have such a supportive family. We love spending the holidays together and I can't wait to share these moments with them in 2024.

Friends - By now you know my family doesn't stop in the Blum household. I will be forever grateful to the support system that surrounds my life.

Dallas Center-Grimes CSD - Our incredible district means so much to me. Personally and professionally, I'm so glad my family has landed here.

DCG Staff - The best of the best. They are inspiring and motivating. Team DCG is nearing 700 members and we are united in our pursuit of excellence.

DCG Students - The reason we are here. Keep dreaming big and changing the world!

DCG School Board - I'm so grateful to have the support of these seven leaders.

The Iowa State Cyclones - You all agree with this one, right??

A Chance to Give Thanks - This is one of my favorite activities to do as an icebreaker in meetings. Take a moment and think of a few people who make your life better and let them know. A quick phone call or text message can make such an impact. I'm sending my three notes as soon as I finish writing this letter to you.

Thanks for allowing me the opportunity to share my thanks with you! I'm so thankful for the DCG Community. This is such a special place.

Dr. Scott Blum - DCG Superintendent

DISTRICT UPDATES

Melchert Named DCG Activities Director - Dallas Center-Grimes CSD is excited to announce that Madison Melchert has been named the next DCG Activities Director.

Melchert has an unmatched passion for DCG and we are excited to welcome her home. Melchert graduated from DCG High School in 2014. She also served our district as Assistant Activities Director from 2019-2022.

"I've dreamed about this moment for my entire professional life," Melchert says. "This isn't just a job for me. This is a career-defining moment in a school district that has given me so much. I'm proud to be a Mustang!"

She participated in multiple extracurricular activities during her time as a student with the Mustangs. Melchert (Waymire) was a state champion runner for the DCG Cross Country team, taking the crown in 2011.

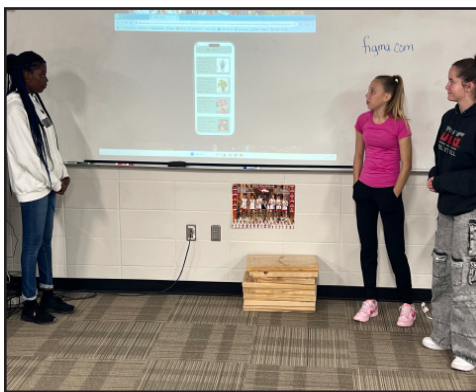

Melchert currently serves as an assistant director at the Iowa Girls High School Athletic Union. She coordinates three state-wide competitions and leads the Student Athlete Advisory Committee for the IGHSAU.

Wellness Policy Review Updates - As part of our triennial review process, DCG CSD is currently evaluating its wellness policy to ensure a safe and health-promoting learning environment. A dedicated committee—including teachers, administrators, students and community members—will guide this review to help enhance our district's wellness practices. Our leadership team includes Dr. Greg Carezza, Cary Justmann, April Heitland, Donna Sevenich and Adam Tjeerdsma. The committee will meet three times this school year, with a public update planned following our April meeting.

Our current wellness policy includes a commitment to wellness, physical activity integration, nutrition and physical education, healthy food standards, parental and community engagement, school environment and ongoing policy review.

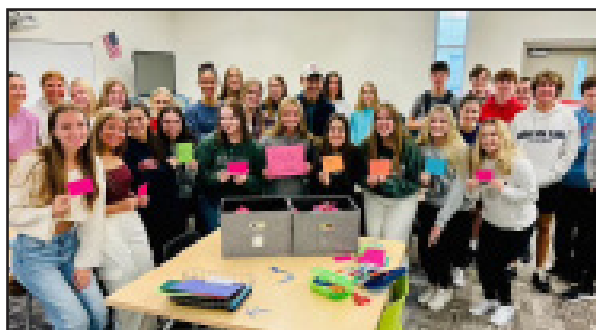

These initiatives reflect our commitment to fostering lifelong wellness for students, staff, and families across our district. If you're interested in joining the wellness review team, please contact Kristin Clayton at kristin.clayton@dcdgschools.com.

HIGH SCHOOL

App Design - Computer science students at DCG High School were tasked with designing an app to “solve a problem” while also providing a new idea. Students in the photo to the left focused their presentation on an app to remind users to water plants. This would allow guest users to align watering schedules while also coordinating backup plans!

NHS Blood Drive - The Dallas Center-Grimes National Honor Society held their annual blood drive this fall and had an incredible turnout! Here are a few of the official results!
57 - first-time donors
152 - registered donors
120 - people able to donate
134 - units of blood collected
402 - lives saved or sustained!
Thanks for making an impact on our community DCG HS students!! This is the second largest drive in school history, only four donors away from the record. Look for details about the spring blood drive coming soon! DCG NHS also held their Random Acts of Kindness project this fall, spreading joy throughout the building. As their random act of kindness for the month of November, this committee is putting together Thankfulness Baskets to give to the cafeteria staff, as a way of thanking them for all their hard work at DCG!

High School Field Trip - Several DCG High School students attended the Bricklayers Annual Masonry Day in Marshalltown (right). These students were able to experiment with different types of bricklaying and tuck pointing. This hands-on experience provided an exceptional future-ready learning opportunity.

Class of 2025 students and guardians- Please submit your senior, toddler, and baby photos to Mrs. Soener (ivy.soener@dcschools.com) by December 20. Be sure to email them in a digital format, and please, no screenshots of photos. Send the original!

RED Dinner Update - Members of the Dallas Center and Grimes communities attended the Dallas Center-Grimes Education Foundation’s (DCGEF) 7th annual RED Dinner and Auction held on November 2nd at Three Sisters Barn in Dallas Center. The RED event, which is an abbreviation for “Raising Education Dollars”, raised a total of \$79,000! Thank you to all who attended, donated, and bid on items. Money raised from this event will be awarded in scholarships in May of 2024! Consider a donation or gift as part of your year-end financial and tax planning.

Strategic Plan Update - The DCG Strategic Planning team is meeting in early December to continue our next steps in aligning our path forward. This meeting focused on the results of a survey that was sent to all DCG parents, DCG students in grades 7-12 and DCG staff members. These surveys focused on a daily desired experience for each stakeholder group.

FROM OUR BUILDINGS

Election Day at South Prairie -

It was a record turnout at the polls in the South Prairie Kindergarten Election of 2024! Some of our youngest learners went to the polls to select the school's new president. There were five candidates on the ballots (SPE's Encore Teachers). PE Teacher Chris Nash received

the most votes! What a fun way to learn about the election process and provide a hands-on learning project for our students! There's a video highlight of this story available at DCGschoools.com.

Veterans Day at DCG - Our district takes tremendous pride in honoring our Veterans each year. Several DCG buildings held assemblies and meals to honor our local Veterans on November 11. To our Veterans - your service has paved the way for the freedoms we cherish, and we are forever grateful. Students at South Prairie Elementary also connected with Veterans via letters. There's a video story posted at DCGschoools.com after we presented these letters at Hy-Vee's annual breakfast.

We are also proud to honor a dedicated group of Veterans working on Team DCG. We've listed their names on the left.

School Board Update - The next DCG School Board Meeting is scheduled for Monday, December 16 at 5:30. The agenda and livestream link will be available at DCGschoools.com.

Thanks DCG PTO! - Did you notice an extra "glow" coming from our elementary gymnasiums in November? A recent DCG PTO fundraiser sponsored a glow run for our youngest students! The PTO continues to make a positive impact and supports our students and staff every single day. We'd also like to thank our entire community for supporting this event! The smiles and laughs from our gymnasiums proved that the 2024 Glow Run was a huge success!

The Mustang Message

A new episode of the Mustang Message is now available! Dr. Greg Carena (DCG Associate Superintendent of School Improvement and Dr. Gail Callahan (DCG's Bullying and Harassment External Investigator) are the featured guests. This episode is designed to spark conversations, offer guidance, and create positive change throughout our school community in regards to bullying and harassment. Whether you're a student, parent, educator, or community member, we invite you to listen, learn, and be part of the solution.

Carena and Callahan also are having important conversations with our students. The photo (left) features an incredible dialogue with 7th grade students at Oak View.

Angel Account - There's a need in our DCG cafeterias. The DCG Angel Account helps students receive the meals they need every single day. The account helps support our students who don't qualify for free and reduced meals but could still use our help. If you are interested in donating, please visit the school store on Infinite Campus or online at DCG-Schools.com

Measuring Up - Who is taller - Harry Potter or DCG 5th and 6th graders? DCG Middle School students are comparing heights with popular book characters. What a fun way to engage with some of our favorite characters!

ELEMENTARY

Heritage Reward - Students at Heritage Elementary cashed in good behavior points for a day with Texas Roadhouse. Our students learned how to make dinner rolls and line dance like the servers at the restaurant. This was such a fun experience for our students and a great way to showcase the power of kindness!

Just Like Caitlin - All second grade students in the state of Iowa received a free copy of the book "Just Like Caitlin" from the Jensen family. This book outlines the career of Iowa native Caitlin Clark. The Jensens hope the book inspires kids to believe their future can be greater than they imagine. Our students loved this surprise!

Korner Kone Reward - Students in Amy Benjamin's 6th grade homeroom cashed in their reward for good behavior and enjoyed a trip to Korner Kone!
