YOUR FUTURE YOUR CHOICE

DISCOVER YOUR PATHWAY FROM HIGH SCHOOL TO UNI AND TAFE

Whether you are entering senior school or nearing graduation, our High School Students' Course Directory will help you plan for your future.

Explore careers and course options, check you are on track to meet entry requirements and learn more about alternate entry pathways into our courses. No matter what stage you are at in planning your future, we are here to help you discover your pathway.

Planning
Check prerequisites to guide your subject selection in Year 10. See page 4.

Graduating
Check admission ranks and entry requirements for your preferred course. Or find an entry pathway to get into your dream course. See page 41.

In-school Study Options
Start your TAFE or university study in high school. Explore our Start TAFE Now and Start Uni Now programs on page 39.

ACKNOWLEDGEMENT TO AUSTRALIA'S FIRST NATIONS PEOPLE
CQUniversity recognises and acknowledges the important role First Nations people make to our communities and values Indigenous knowledge systems as an integral part of our teachings.

OUTSTANDING GRADUATE OUTCOMES

We are ranked in the top three Australian universities for undergraduate full-time employment rates and median starting salaries.[1]

INDUSTRY RELEVANCE

Our courses are designed alongside industry to prepare you with up-to-date, real-world knowledge and skills.

FIVE-STAR UNI

We're rated five stars for social equity, first-generation student ratio, undergraduate teaching quality and overall student experience.[1]

MAKING A DIFFERENCE

We're proud to be recognised in the top 75 sustainable universities worldwide and as Australia's first and only Changemaker Campus.[2]

Visit **cqu.edu.au/exchange** to find out more.

HOW TO USE THIS GUIDE

COURSE
Use the course code and course name to search our website **cqu.edu.au** and find out more about the courses you're interested in. Some TAFE courses may be marked with a Ⓢ or Ⓟ. This means the course may be delivered via the Start TAFE Now Ⓢ program or via a partnership Ⓟ arrangement.

AVAILABILITY
CQU has 13+ locations around Australia, so to fit them in this guide we've used abbreviations, which you can find in the legend below. Some courses also offer online or mixed mode study options. Search '**study modes**' on our website to learn more.

PREREQUISITES
These are subjects you must have studied at school. In brackets you'll find the prerequisite units required and minimum grade you must achieve to meet the listed prerequisite. If you don't have the prerequisites needed, our alternate entry pathways (page 41) may help you gain entry into your chosen course.

CA10 - Bachelor of Arts	T1, T2	ROK, Online	3/6	60	English (Units 3 and 4, C)

INTAKE
Intake is the time of year you can start a course. We have three terms: Term 1 starts in March, Term 2 starts in July and Term 3 starts in November. TAFE courses may list the months they begin, or 'multiple', which means they may have many intakes so it's best to check our website.

DURATION
This is the minimum time, in years, required to complete a course full time or part time.

ATAR/SR
This is the minimum selection threshold. Check the ATAR FAQs and Important Notes on the inside back cover of this Course Directory for more information.

YOUR PATHWAY TO A CAREER IN MEDICINE

REGIONAL MEDICAL PATHWAY

CQUniversity's Bachelor of Medical Science (Pathway to Medicine) is more than study and placement opportunities. Enrolling in this course means joining the Regional Medical Pathway and being part of the next generation of doctors positively impacting the health of regional and rural communities.

Begin your studies with CQU in either Bundaberg or Rockhampton and, upon successful completion*, progress into The University of Queensland's Doctor of Medicine program at their Rural Clinical School sites in Rockhampton, Bundaberg or Hervey Bay.

» Benefit from exposure to a wide variety of clinical settings and hands-on experiences.
» Begin to build your professional network with fellow students, lecturers and other health practitioners.
» Gain a well-rounded understanding of biomedical science and health with career-focused skills and knowledge.

Learn more at
cqu.edu.au/study/medicine-pathway.

*A GPA of 5.0 is required for direct entry to UQ's Doctor of Medicine.

MORE STUDY OPTIONS

STILL IN SCHOOL AND WANT TO GET A HEAD START?

START UNI NOW (SUN)

SUN offers Year 10^, 11 and 12 students the opportunity to study CQUniversity units from universtiy-level courses while still in secondary school. Your studies may also contribute towards your Certificate of Education (eg. QCE, WACE, SACE, or VCE). In South Australia and Victoria, completion of eligible SUN units may also give you credit toward the calculation of your ATAR. You can enrol in a range of units, either on campus (face-to-face) or online, and combine them with your regular school work. After successful completion of a SUN unit, you may be eligible to apply for direct entry into your preferred course (excluding quota managed courses) and receive credit toward your degree. For more information, visit **cqu.edu.au/sun**.

START TAFE NOW (STN)

Start TAFE Now offers Year 10†, 11 and 12 Queensland students the opportunity to study VET courses as part of their Queensland Certificate of Education. You can choose between certificate I, II, III, IV and diploma-level courses in a wide variety of disciplines. Benefit from developing real trade skills and qualifications while completing secondary school. If you're in Year 11 you can include a Start TAFE Now certificate III qualification or higher to contribute to your ATAR. For more information visit **cqu.edu.au/stn**.

If you're a high school teacher interested in delivering VET qualifications at your school in your specialisation, contact us to discuss partnership opportunities. Email stn@cqu.edu.au.

APPRENTICESHIPS AND TRAINEESHIPS

The steps to becoming an apprentice or trainee are different to becoming a student at university or TAFE.

Generally, you will be required to find an employer who is willing to employ you as an apprentice or trainee. During your apprenticeship or traineeship, your employer (or Group Training Organisation/Job Services Australia provider) may arrange for you to undertake vocational education and training at CQUniversity.

Our apprenticeship and traineeship courses cover a wide range of areas, visit **cqu.edu.au/study/ apprenticeships-traineeships**.

LOW FEE COURSES

Thanks to the Queensland Government, you may be able to access a TAFE course in a high-priority area at a reduced cost. For more information on courses and eligibility, visit **cqu.edu.au/subsidy**.

Skills **Assure**

Proud to be a Queensland Government subsidised training provider

^ Year 10 students are eligible for Term 3 enrolment only.

† Students need to be at least 15 years of age at the commencement of classes. Applications by Year 10 students may be considered for admission.

OUR GRADUATE EXPERIENCE

GRADUATE GUARANTEE

At CQUniversity, we're proud to be recognised among the top universities in Australia for undergraduate full-time employment and median salary. Our practical approach to education means you will graduate job ready. We're also committed to continuing to improve our graduate outcomes so that you can land your dream job.

That's why we've introduced our Graduate Guarantee, a peace of mind warranty that now comes with every undergraduate-level CQUniversity degree. Graduate and secure a job in your area, or we will support your continued learning while your search continues with a Graduate Certificate in Leadership and Entrepreneurship at no cost. Find out more at **cqu.edu.au/study/why/ graduate-guarantee**.

BEING A CQU ALUMNI

By completing a CQUniversity TAFE or university qualification, you will join our alumni cohort of 115 000 fellow graduates.

Our active alumni program will continue to support you by providing access to career services and mentors, professional and personal development, and further opportunities for you to follow your passion and expand your experience. Learn more at **cqu.edu.au/engage/alumni**.

ALTERNATE ENTRY PATHWAYS

Whether you're looking to meet prerequisite subjects, need a stepping stone to your dream degree and career or simply want to build your confidence before starting study, CQU is here to help.

PRINCIPAL'S RECOMMENDATION SCHEME

Our Principal's Recommendation Scheme allows current Year 12 students to apply to a CQUniversity course based on the written recommendation of your high school principal rather than an ATAR and receive an unconditional offer within 48 hours for most courses. Applications for Term 1, 2024, are open now and close on 1 December 2023. To find out more, visit **cqu.edu.au/prs**.

SKILLS FOR TERTIARY EDUCATION PREPARATORY STUDIES (STEPS)

STEPS is a Centrelink-approved enabling program that can help you gain entry into university. Tailored to you and your unique study goals, STEPS is designed to help you complete prerequisite subjects, satisfy the entry requirements for your chosen degree, or give you the confidence and skills to successfully enter and undertake university study. To find out more, visit **cqu.edu.au/steps**.

START UNI NOW (SUN)

Our SUN program is a valuable alternate entry pathway for high school students thinking about studying a CQU course.

After successful completion of a SUN unit during your senior high school years, you may be eligible to apply for direct entry into your preferred course (excluding quota managed courses) and receive credit toward your degree. For more information visit **cqu.edu.au/sun**.

START TAFE NOW (STN) AND VET QUALIFICATIONS

Completing a STN or VET qualification can provide you with an alternate pathway into university. A certificate III, certificate IV or diploma qualification is converted to a selection rank, which may meet specified entry score requirements for many of our associate, bachelor and bachelor with honours degrees. To find out more about the selection rank attached to your VET qualification and the courses that it may satisfy entry to, search '**ATAR Information**' on our website.

If you have a completed VET qualification and you've also completed the necessary subjects to receive an ATAR, you will receive two ranks: a selection rank for your VET qualification, and an ATAR. When you apply to study with CQU, your application will be assessed on whichever score is highest.

PREPARATORY VET COURSES

CQUniversity offers preparatory courses to help you prepare for your first step into vocational study or work. For more information visit **cqu.edu.au/study/entry-pathways**.

ATAR FAQS

WHAT IS AN ATAR?

An ATAR is the national standard measure of your high school academic achievement and gives you a rank between 30.00 and 99.95, relative to other Year 12 students.

HOW IS AN ATAR USED FOR UNIVERSITY ENTRY?

Your ATAR is a measure used to assess your eligibility for entry into university courses. You will also need to satisfy all other entry requirements specified for your course of interest.

DOES VET COUNT TOWARDS MY ATAR?

Successful completion of a certificate III and higher may contribute to your ATAR. Your result will undergo similar scaling to general and applied subjects and if it is one of your top five eligible subject results, it will be used to help calculate your ATAR.

WHAT IF I DON'T GET THE ATAR I NEED?

If you don't receive the ATAR you need to be considered for a course, check out our alternate entry pathways on page 41 or get in touch with us to talk through your options.

IMPORTANT NOTES

1 Courses may be delivered by a combination of on-campus study, workshops, residential schools and online education.

2 Intakes, duration and availability may differ from what is listed in this guide depending on preferred intake, study mode and personal circumstances. Course commencement is dependent on sufficient enrolments. Different study periods apply for TAFE and university courses. Many TAFE courses offer multiple monthly intakes. Mixed Mode availability is unique to TAFE courses only and is a combination of online learning activities in addition to compulsory site-specific learning activities. Online availability for TAFE courses may include work integrated learning, such as work placements. Please visit **cqu.edu.au** or contact us for more information.

3 The SR and ATAR listed are the entry scores required to be considered for a place in each course and should be used as a guide only. Entry to courses is competitive and the lowest rank will vary from year to year. A higher score may be required for courses where there is a limit on the number of places. To view the latest ranking information visit **cqu.edu.au/courses** and view the Entry Score information for your course of interest.

4 To gain professional accreditation you will also need to complete postgraduate study.
