CQUNIVERSITY GLADSTONE

With its scenic location and strong ties with industry, CQUniversity Gladstone is both an attractive place to study and powerhouse of innovative research.

Students at CQUniversity Gladstone can enjoy state of the art lecture theatre and training facilities, computer lab, Cyril Golding Library and range of career counselling and support services.

Research is a major strength of CQUniversity Gladstone, with many industry conferences, training, professional development activities and industry partnership projects making use of this campus' well placed facilities.
