# THE CQU ADVANTAGE

CQUniversity Australia is one of the largest and fastest-growing universities in Australia with an international focus. We are a leading university with a globally-recognised standing, a culture of social responsibility, inclusion and community, and home to growing minds.

As a member of the Regional Universities Network (RUN), CQUniversity plays a crucial role in fostering regional workforces, boosting regional productivity, and providing the necessary skills training required by Australia. Many RUN graduates – seven out of ten – go on to work in regional Australia, particularly in high-demand sectors like education and health.

We believe higher education is for everybody, making education accessible so students can be what they want to be.

## OUTSTANDING GRADUATE OUTCOMES

Positive graduate outcomes are our number one priority. CQU is ranked in the **top 2%** of universities worldwide for graduate employability<sup>1</sup>, and we are ranked **top 7** for full-time employment rates with salaries above the national average<sup>2</sup>.

Additionally, we are ranked **#1 of Queensland-based universities** for employer satisfaction in graduates' technical skills<sup>3</sup>. This indicates that our graduates are highly sought-after and our students graduate with job-ready skills.

We are so confident in our graduate success that if you graduate and don't land a job in your field of study after six months, we will support your continued learning with a Graduate Certificate in Leadership and Entrepreneurship for free.

'I was looking for career improvement and decided to come to Australia.

I've had the privilege of learning from professors with remarkable backgrounds, and CQU's strong industry engagement has been invaluable. Following a planned site visit, I had the opportunity to introduce myself, which led to a job interview. Now, I am working as a construction project coordinator for that company!

Take the challenge, you will never regret choosing CQU.'
