MEMORANDUM OPINION AND ORDER

Adopted: December 22, 2011

Released: December 23, 2011

By the Commission:

1. The Commission has before it an Application for Review¹ filed on May 26, 2011 by Clear World Communications Corporation (“Clear World”). Clear World seeks review an order² by the Chief of the Wireline Competition Bureau (the “Bureau”) denying a request for review of an audit decision by the Universal Service Administrative Company.³ The Bureau found that Clear World understated its contributions to the Universal Service Fund.⁴

2. Upon review of the Application for Review and the entire record, we conclude that Clear World has failed to demonstrate that the Bureau erred. The Bureau properly decided the matters raised, and we uphold its decision for the reasons stated in its Order. To the extent that the Application for Review raises new arguments not previously presented to the Bureau, those arguments are barred by 47 C.F.R. § 1.115(c).

3. ACCORDINGLY, IT IS ORDERED that, (1) the Application for Review BE DISMISSED, pursuant to 47 C.F.R. § 1.115(c) to the extent that it relies on questions of fact or law not previously presented to the Bureau, and (2) the Application for Review otherwise BE DENIED, pursuant to section 5(c)(5) of the Communications Act of 1934, as amended, 47 U.S.C. § 155(c)(5), and section 1.115(g) of the Commission’s rules, 47 C.F.R. § 1.115(g).
