

A dental network that connects size, quality and savings

Our BlueDental plans can't be beat when it comes to offering you and your employees quality and value. The top-tier dentists in our network attract more patients, and when more people get care in-network, everyone saves money.

A large and growing network

Our large BlueDental ChoiceSM PPO network allows you and your employees to enjoy excellent care and in-network savings throughout Florida and nationwide.

High-quality dentists

Unlike most other dental carriers, we maintain a local team of network managers who employ a thorough credentialing process to ensure that our networks include only dentists that meet our high standards of quality.

Top-ranked effective discounts in Florida

Our Copayment and Choice networks lead the industry in effective discounts in Florida.* This is driven by the combination of

low rates we negotiate with dentists and high network utilization by members. Effective discounts are the most important measure of a network, as they reflect the total savings members realize when they use our plans.

Effective Discount Drivers

- ✓ Large network of quality dentists that members prefer to see
- ✓ Low fees negotiated by our local provider relations team
