- A cold front is moving through the area today bringing a slight chance of showers and gusty winds
- Cooler temperatures and much drier air settles in over the weekend
- Temperatures will recover next week with another slight chance of rain by Wednesday

Limited Lightning Threat Today

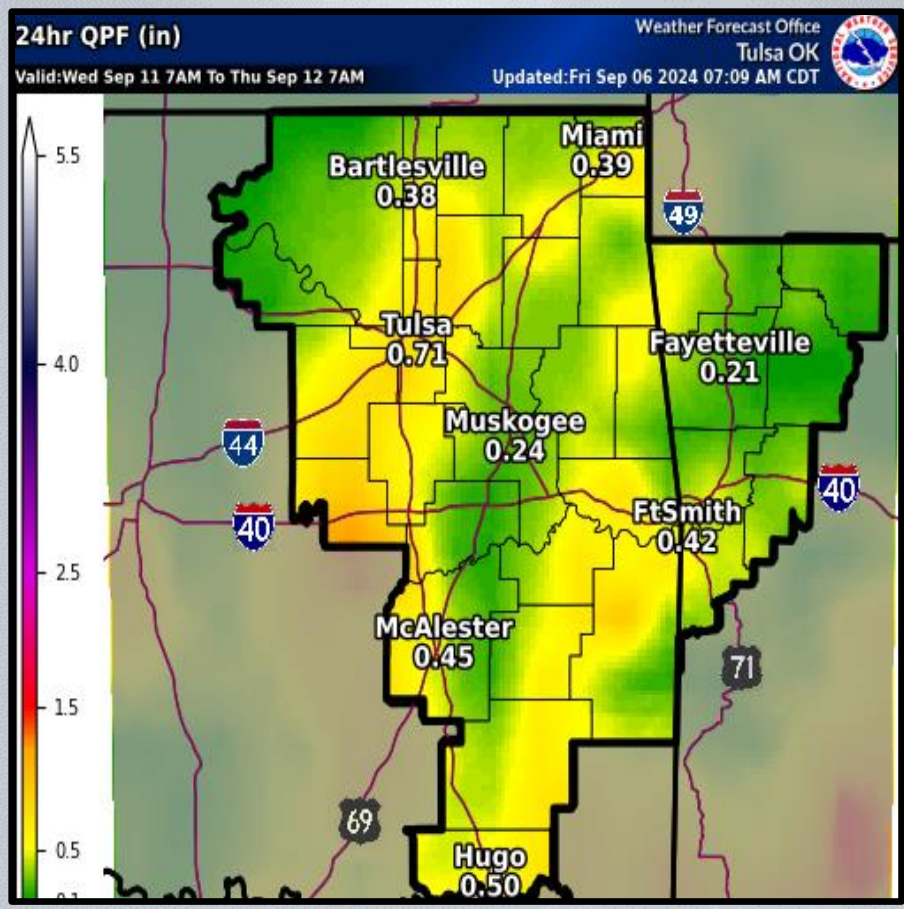

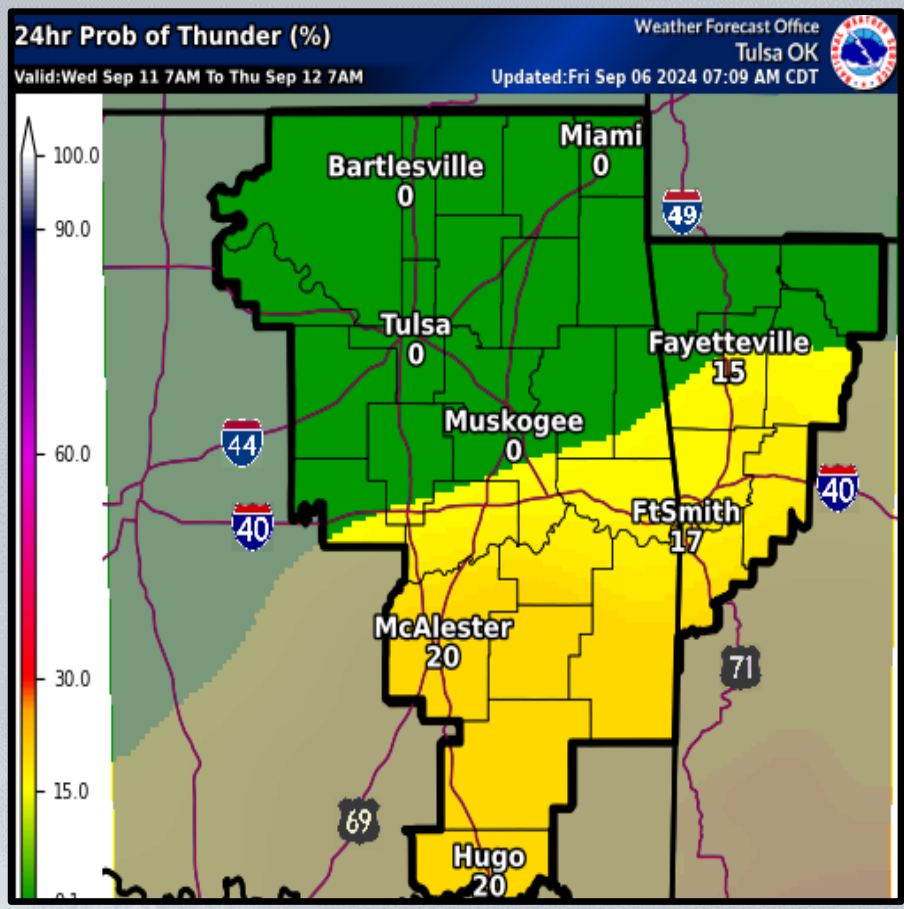

- A few isolated showers and storms will develop today, mainly in southeast OK and northwest AR
- Overall, rainfall will be quite minimal.

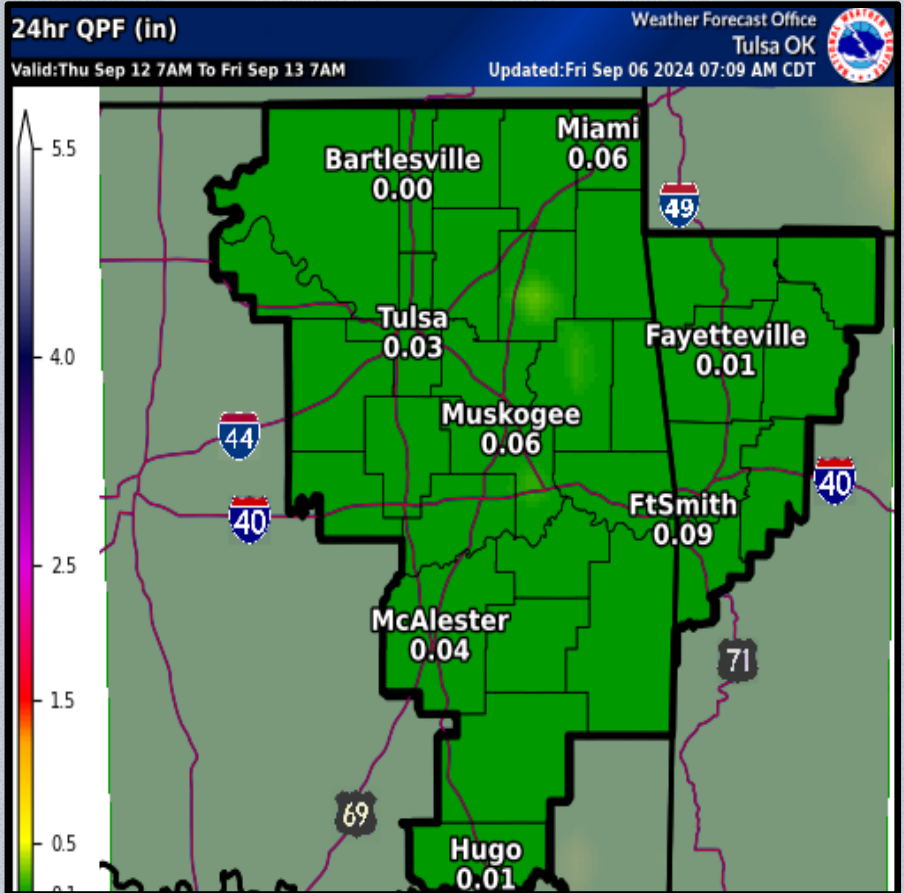

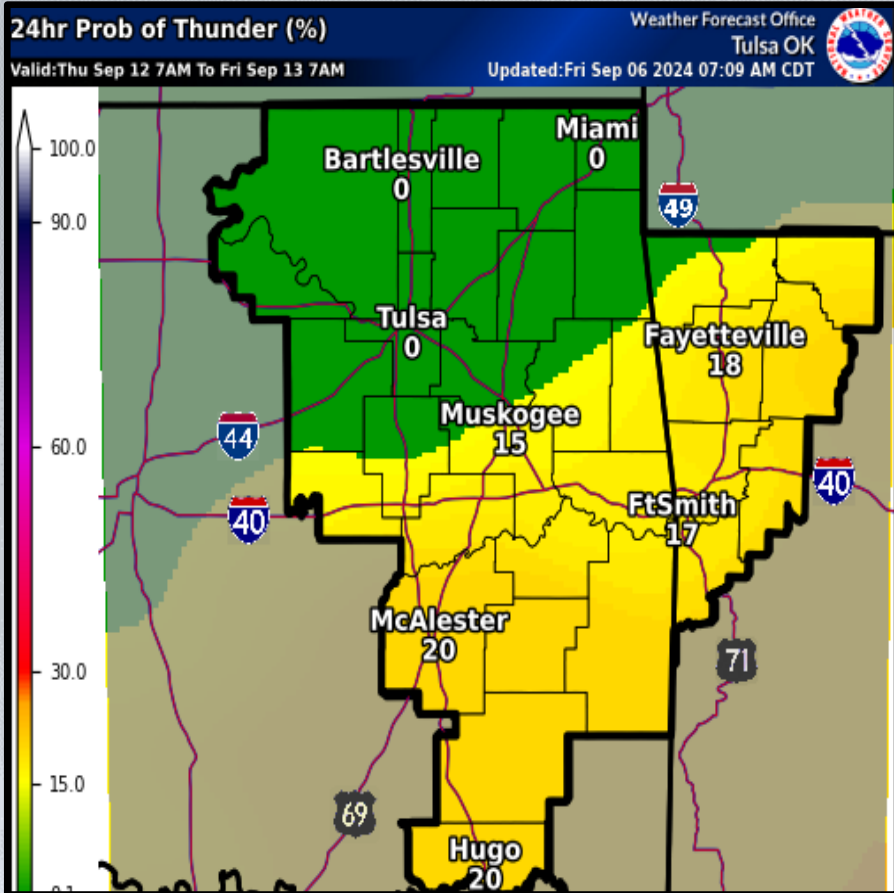

Limited Lightning Threat Wednesday

Limited Heavy Rain Threat Wednesday

- The next storm chance will arrive next Wednesday
- Areas of rain and isolated thunderstorms are possible but uncertainty is still high

Limited Lightning Threat Thursday

A few storms may continue into Thursday as well, especially for the southeastern half of the area
